# FROM THE SHOW MANAGER.....

On behalf of the Committee of the National Cat Club, it is my very great pleasure to welcome you to this, our 98th Championship Show. The committee have been extremely busy throughout this last year, planning the many new additions to the show, and it is my sincere hope, that this years' show will pick up on last years', 'happy and relaxed' theme which was commented upon by many, who participated in the show.

I will pay tribute in this foreword to may people, probably too many to mention individually, but I do sincerely want to establish the fact that 'The National' is, and must always be seen as a huge team effort. As Show Manager, I will be seen by many as the inspiration or driving force behind many of the changes and innovations, but without the support and hard work of a united, and dedicated committee, such changes could never be realised, and therefore, it is my sincere desire that any praise or laurels in respect of this show, must be shared equally by the entire Show Committee.

Our Show Patron, Mrs Grace Pond, continues to provide us with the enthusiasm and drive to continue the fine traditions of this, 'the most famous show in the world', and whilst not able to attend all of our show meetings, we know that her commitment to this great show, is as strong as it has always been, and Grace will always be linked, most closely with this great event.

I have already mentioned the team effort involved in the planning and organisation of the show, and I would like to mention my personal thanks to my Assistant, Carol Pike, for her unstinting support, to Gill Day and Betty Walde our section managers for their tremendous work with such a large entry, to our Club Chairman and Hall Manager, Frank Grieve for his continued support, new ideas, including the exciting new World of Cats section and again coming up trumps with such excellent hall arrangements. To our Hon. Secretary, Rosemary Gowdy and Hon Treasurer, Joan Avery, my thanks for their support with the many queries and endless telephone calls that they deal with during the run up to the show. Many of you will note that at previous shows, both ladies have been involved in the running of one of the pedigree sections of the show. One of the changes to this years show is the streamlined administration of the sections and this year, both Joan and Rosemary will coordinate the National Cat Club hospitality and VIP reception, acting as our show ambassadors to our many guests and overseas visitors. I sincerely thank both ladies for kindly accepting their new role, and for their continued dedication to the Club. My sincere thanks must also go to Annette Wilson, who this year not only dealt with the complete distribution of our show schedule, but also with the advance ticket sales for the show. As usual, Ivy Gornall has been a tower of strength in the organisation of our vetting in arrangements, assisted by her husband and daughter, Charlie and June, and I often wonder Ivy, how you manage it?, but you do, and it runs like a dream! To Barry & Sue Kirk, our thanks for the excellent support in the computerisation of the show entries, nothing was too much trouble for them, and to Mr Round and his staff at Reliance, sincere thanks for the provision of all of our printing requirements.

One of the new additions to this years' show is the World of Cats area on the Gallery level, and we are fortunate in having the services of Pam Weissman and Jeff Spall, who together with the support of Mr Bill King and his staff at the Breeder Services Section of Pedigree Petfoods, I would like to thank them for their very generous support, and the trust that they have shown in the show.

Finally, I wish to pay tribute to all of the other people who have contributed towards the success of this years show, our Judges, Stewards, Vets, Table Workers, Stall Holders, Exhibitors and Visitors to the show - you have all played your part towards the success of the show, and my remaining wish is that we all enjoy it, there can be no doubt that minor problems will arise, but if we take a moment to reflect on the reasons as to why we are here today, 'enjoyable', will be the word on everyone's lips.

# A CAT THAT'S BEEN VACCINATED AGAINST FELINE LEUKAEMIA IS A CAT WITH 10 LIVES

Feline leukaemia is a very serious disease. It's not dangerous to man but it's often fatal in cats. What's more, it's highly contagious - about 600,000 cats are infected in Britain.

One of the worst things about feline leukaemia is that its development is so slow you may not even realise that your cat is diseased. But all the while, the virus is attacking its immune system and the first sign you may see is a persistent infection like abscesses or chronic diarrhoea. Your vet will probably take blood samples to help him identify the leukaemia virus. If the tests are positive there's not much he can do to help the cat.

But now there's something *you* can do to *prevent* your cat catching the disease.

Virbac Laboratories have perfected the first leukaemia vaccine to be approved by the E.C.. It's called Leucogen and it's available from your vet. Two simple injections plus a booster dose every year, will ensure that your cat is fully protected. So speak to your vet today about Leucogen and give your cat an extra life.

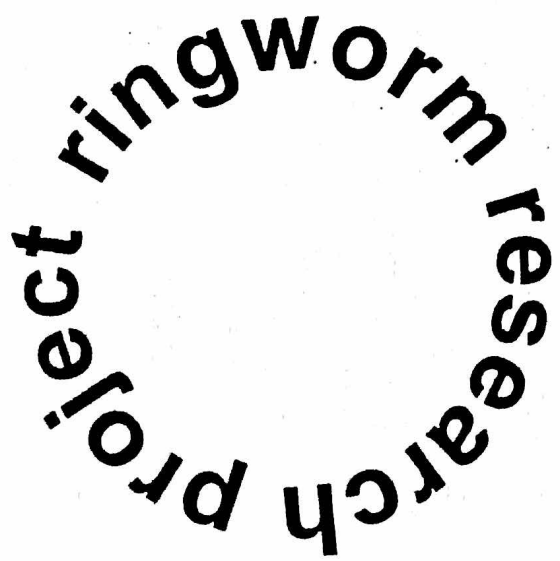
Registered Charity No. 800719



**THE SKIN DISEASE** resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

**THE RISK OF SPREAD OF INFECTION TO MAN** is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

**CATS WITH RINGWORM SUFFER** from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.

our stunning marble lad.

Both these lads continue to offer their willing services to add colour and unticked quality to those they serve.

All our kittens are home reared with lots of love. We regularly have Leopard Spotted, Rosetted, Sepia Snows, Snows and a selection of Marbles, for either breeding or quality pets. Our breeding policy has consistently put quality first and our pricing policy is keenly competitive. Give us a call.

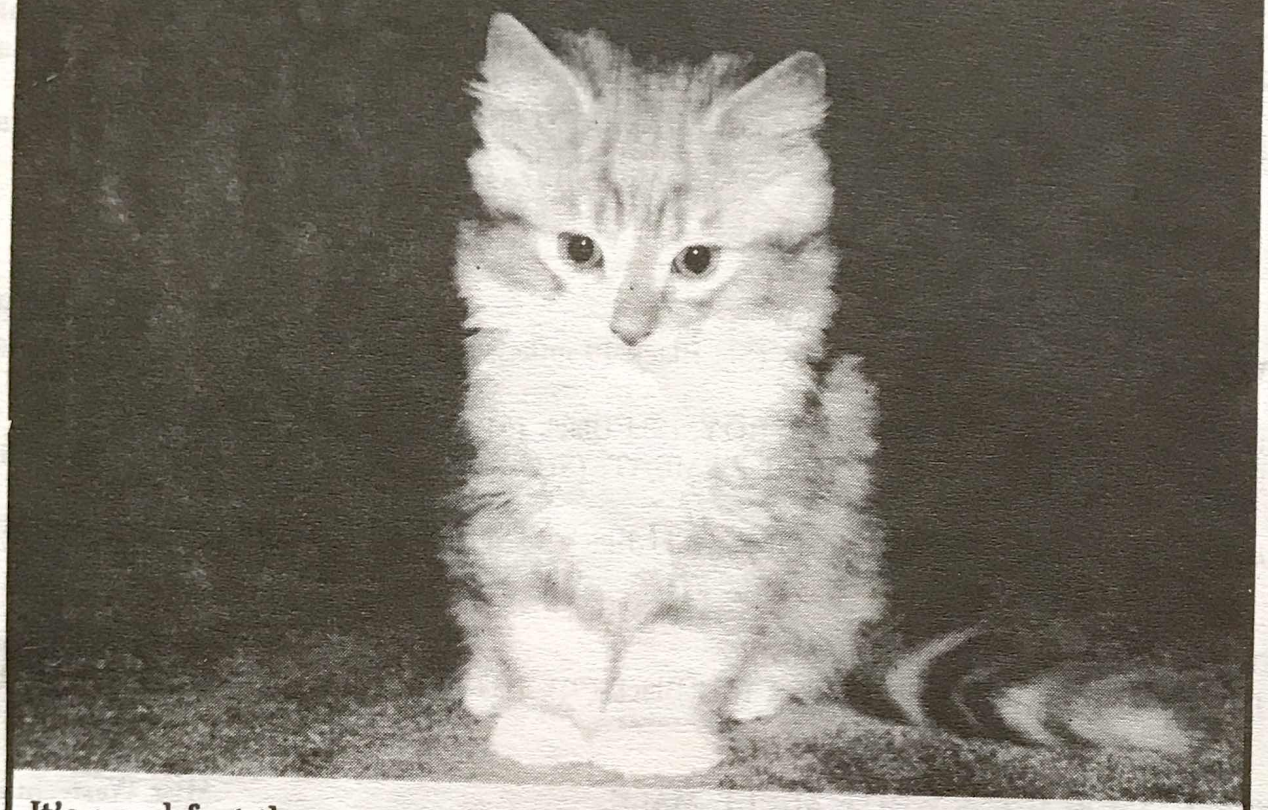
# The liFeline



It's a sad fact that every year over 70,000 cats and kittens are in need of the care and help of The Cats Protection League. Divorce, redundancy, illness and death are just a few of the reasons why owners find themselves calling on us for help. This *li*feline is only possible through the continuing generosity of donations, membership subscriptions and bequests. You can help by joining The CPL now. ***Thank you.***

# CAT ACTION TRUST 1977

(Registered Charity No. 801245)

**Buttercup and Marigold would not be alive** had they not been saved by Cat Action Trust 1977. These feral kittens were found 2 days old in a tiny dirty hole under the asphalt of a car park entangled with their two dead brothers by the umbilical cords. Although badly infected, they recovered with the help of veterinary treatment. Their mother had had many litters before we heard of her, which all perished. She has now been spayed.

Cat Action Trust 1977 is a charity with branches nationwide working hard to neuter feral cats and find homes for their kittens. Our policy is opposed to killing for expediency.

We need your help to continue this important work for the poorest of all cats. Please support us by giving a donation or becoming a member. Legacies are urgently needed.
