## WELCOME TO OUR FIFTH COMBINED SHOW

We welcome you to the Show, and hope that you will have an enjoyable day viewing the beautiful exhibits and chatting with fellow cat lovers.

**A note to visitors.....**

Should you purchase a cat or kitten today, please remember that the clubs involved in the show cannot be responsible in any way regarding a dispute arising from the purchase. However, there are Judges and Veterinary Surgeons here today who will be happy to advise where possible.

For the protection and comfort of the cats we ask you and your family to observe the following, and so ensure that infection will not be passed from cat to cat and that no exhibit will be frightened.

1 - PLEASE DO NOT HANDLE CATS OR PUT FINGERS INTO THE PENS

2 - PLEASE WALK - DO NOT RUN IN THE HALL - SPEAK QUIETLY

3 - PLEASE BE CONSIDERATE TO THE JUDGES AND DO NOT CROWD THEIR TABLES

**EXHIBITORS - PLEASE NOTE:**

The show paperwork is being dealt with on one awards table, but the rosettes will be on separate tables, one for each club. Please go to your club table when collecting rosettes. Also there will be separate Best in Shows which will be going on in the club areas.

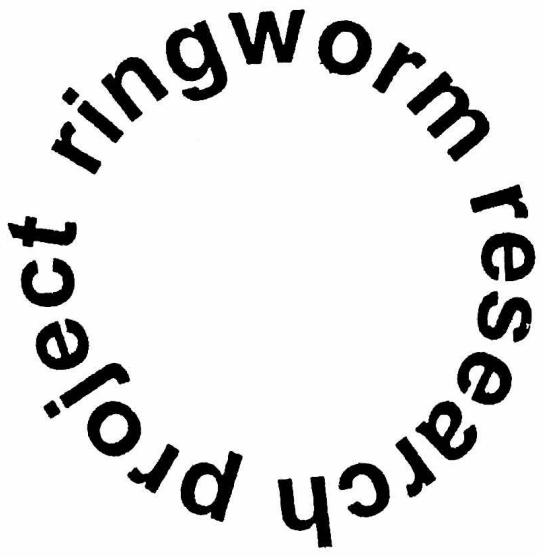
Registered Charity No. 800719



**THE SKIN DISEASE** resulting from ringworm infection is often mild and localised; in some cats it can become severe and/or generalised at times involving secondary bacterial infections and causing considerable distress to the cat. Some of these infections prove very prolonged and can be extremely difficult to cure.

**THE RISK OF SPREAD OF INFECTION TO MAN** is of considerable importance as the disease, particularly in children, can be very severe. Concerns over the risk of infecting children may result in the euthanasia of cats in some households.

**CATS WITH RINGWORM SUFFER** from the loneliness of prolonged isolation, the unpleasantness of long periods of medication and the discomfort of shaving and bathing, which is often necessary.
