SHOW RULES

1. Exhibits are only received on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

2. Exhibitors are responsible for the correct description of their Cats, and in the event of any dispute arising after purchase shall (on proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid, and shall forfeit the commission charged on the sale by the Committee.

3. **Sale of Exhibits** must be made at the Secretary's Table **only**, and payment made at the time they are claimed. Ten per cent. will be deducted from all catalogue prices on sales made at or through the Show, and no reduction can be made during the Exhibition except by payment of 2/- per cat. Price of cat does not include basket or blanket. All cats and kittens are examined by a Veterinary Surgeon and passed as free from all disease before admission to the Show, but the National Cat Club cannot hold themselves responsible for cats or kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Exhibitors wishing to advertise for sale a cat or kitten which is not priced in the Catalogue must apply at the Secretary's Table for an official "For Sale" card.

4. Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No Judge shall bring out more than one cat for a Best in Show Special, no matter how many different varieties he or she may be judging.

5. Prizes will be paid from the Judges' award slips, and not from the Catalogue, and cats will be sold from the Entry Forms and not from the Catalogue.

6. No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. Small white blankets **without markings** and sanitary tins will be allowed. Judges will also be instructed to strictly enforce Rule 10a and to disqualify any exhibit contravening Rule 10b.

7. Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

8. Entries unaccompanied by the proper amount of fees will not be accepted.

9. Exhibits actually received in the Show Hall cannot be withdrawn from competition without the Committee's sanction.

10. Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household. (See G.C. Rule 8).

11. The Committee reserve to themselves the right to refuse any entry without giving a reason.

12. An announcement in "Fur and Feather" of any alteration or additions made in the Schedule or in these Regulations shall be deemed sufficient notice thereof.

13. Exhibitors are responsible for entering their cats and kittens in the correct classes.

N.B.—CHAMPIONSHIPS. Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **Seven or more**. In cases of amalgamation or where the total entries in the two classes are less than **Seven**, only one Championship will be given.

N.B.—The following rule was passed at the Meeting of the G.C.C.F. held on July 10th, 1935 :—

"When the number of exhibits in the two Open Classes is below seven, only one certificate should be given. If, however, the winner of the opposite sex be of very high quality, the judge may be empowered to give the second championship subject to the approval of another recognised judge of that breed."

OLIVIA MANNING

The well-known Authoress writes

"I enjoyed your book very much and am sure it will be welcomed by all Cat lovers. It seems to tell one all one would wish to know, really to be quite conclusive. I have read other Cat books but none approaches the standard of information in your book, nor have they the atmosphere of human warmth and reassurance which makes so much difference."

KIT WILSON

International Judge, Journalist and Editor of "Cat Fancy," writes

"Those who read this book should, if they follow its teaching, find that the Siamese cat 'is by no means the complex creature many suppose it to be. Mrs. K. R. Williams' book is a worthy successor to Phyl Wade's book and should find a place on every cat lover's bookshelf."

It is indexed for easy reference and illustrated with 11 line drawings and sketches, and upwards of 60 photographs.
