# CATS UNDER EXPERIMENT

A member of Parliament, after paying a visit to a laboratory where cats were being experimented upon, described the horrors he had seen, and ended by saying, "I should have liked to smash the whole place up."

Thousands of cats are used every year for such experiments and, being sensitive creatures, they suffer greatly.

Please help to end this horrible practice.

*Another lovely cat who loves*  
**KIT-E-KAT**

Gorgeous Blue  
Persian thrives on  
**'the complete  
cat food'**

Mrs. Marlow, of Kensington, who owns the beautiful young cat Eireanne Princess Yasmin, says, 'I always feed my cats Kit-E-Kat. Even my month old kittens love it — and as for the Princess, she'd eat the whole tin if I let her'. The most finicky cats make a bee-line for Kit-E-Kat, it is so tasty and smells so good. And Kit-E-Kat with its high content of liver is very nourishing.

Kit-E-Kat gives all cats glossy coat, bright eyes, vitamin vitality! Cooked, ready to serve from the tin, 1/-.
