Protect
against
**Feline
Infectious
Enteritis**

Feline Infectious Enteritis is a very infectious virus disease of cats, sudden in onset and usually fatal. It may be introduced into a cattery following exposure to infection at shows and spreads from cat to cat in a locality. All breeds are susceptible and in some, such as the Siamese, the mortality rate is very high.

To save your cat from this disease consult your veterinary surgeon. He will advise you regarding protection, now possible by the introduction of

GENERAL REGULATIONS

The exhibition is held under the rules of the Governing Council of the Cat Fancy, and is open to all.

The cats will be received at the entrance to the Show on Tuesday, December 8th, from 6.30 p.m. to 8.30 p.m., and on Wednesday, December 9th, from 8.30 to 9.30 a.m.

Judging will commence at 10 a.m. promptly.

Each exhibit will be examined on arrival by the Club's Honorary Veterinary Surgeons. Cats which are unfit for exhibition will be removed from the Hall immediately, and if in their opinion it is desirable all other exhibits from the same cattery, and the owners thereof, shall be debarred from attending the Show. All entry fees will be forfeited. This Rule will be strictly enforced.

A benching fee of 1/- per exhibit is payable. Double pens will be supplied (space permitting) for 2/6 extra. N.B.: Single pens 24 x 24ins., double pens 48 x 24ins.

Exhibitors may view the judging from 10 a.m. at an inclusive fee of 4/-. The Show will be open to the public from 1 p.m. to 6.30 p.m. Admission 3/- adults, 1/6 children.

One free pass will be sent to all members of the N.C.C. These passes are not transferable.

Tallies will be forwarded to each exhibitor, which must be hung round the neck of each exhibit by means of a WHITE TAPE, which must not be removed until after the Best in Show judging.

In case tallies do not reach the exhibitor, application should be made at the Secretary's table.

Cats and Kittens may be entered in more than one class if eligible, but a separate fee for each must be paid.

No kitten can be entered in any adult class unless specified for Cat or Kitten.

Cats and Kittens entered in **Pairs, Brace, Team, Club or Radius** Classes must be entered in at least one other Class as well.

No cat or kitten may be removed from its pen before 6.30 p.m. unless permission to remove exhibits earlier has been given by the Show Manager, at her discretion, in the case of exhibitors who live over 100 miles from the Show Hall. Failure to observe this rule will result in forfeiture of prize money. Application for earlier removal must be made to the Show Manager with entry forms.

A snack counter in the Show Hall will be open all day from 10 a.m. and luncheon room for lunches and set teas from 12 noon. Lunches and/or set seas if desired must be ordered with entry form: lunches 4/6 per person, set teas 2/- per person. It will not be possible to arrange for lunch on the morning of the Show.

A licensed bar will be open during the Show.

SHOW RULES

1. Exhibits are only received on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

2. **Sale of Exhibits** must be made at the Secretary's table **only**, and payment made at the time they are claimed. Ten per cent. will be deducted from all catalogue prices on sales made at or through the Show, and no reduction can be made during the Exhibition except by payment of 2/- per cat. Price of cat does not include basket or blanket. All cats and kittens are examined by a Veterinary Surgeon and passed as free from all diseases before admission to the Show, but the National Cat Club cannot hold themselves responsible for cats or kittens bought at the Show.

3. Exhibitors are responsible for the correct description of their Cats, and in the event of any dispute arising after purchase shall (on proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid, and shall forfeit the commission charged on the sale by the Committee.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Exhibitors wishing to advertise for sale a cat or kitten which is not priced in the Catalogue must apply at the Secretary's table for an official "For Sale" card.

4. Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No Judge shall bring out more than one cat for a Best in Show Special, no matter how many different varieties he or she may be judging.

5. Prizes will be paid from the Judges' award slips, and not from the Catalogue, and cats will be sold from the Entry Forms and not from the Catalogue.

6. No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. Small white blankets **without markings** and sanitary tins only will be allowed. Judges will also be instructed to strictly enforce rule 11b and to disqualify any exhibit contravening rule 11c.

7. Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

BLUE STAR GEORGE
at five months

MR. G. POND, South Lodge, Buchan Hill, Nr. Crawley, Sussex, owner-breeder of the Blue Star Blue Persians, writes:—

"I am sending you a photograph of Blue Star George, my five months old Blue Persian Kitten, who won nine firsts and was Best Long-haired Kitten at the Southern Counties Cat Show in 1951."

"Blue Star George also appeared in Picture Page on Television and everyone exclaimed at his beautiful pale blue coat, with its perfect silky texture. I feel credit for this must go to Kit-zyme, as I started giving the queens Kit-zyme last year and, although I have shown kittens before, I have never taken so many prizes, so I feel that the tablets really do keep the cats in tip-top condition."

"George's half-sister (who flew to New York a year or two ago) was the best long-haired female kitten in the New York Penn Cat Show—she, too, is a Kit-zyme baby—as will be all my kittens from now on."

8. Entries unaccompanied by the proper amount of fees will not be accepted.

9. Exhibits actually received in the Show Hall cannot be withdrawn from competition without the Committee's sanction.

10. Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household. (See G.C. Rule 8.)

11. The Committee reserve to themselves the right to refuse any entry without giving a reason.

12. An announcement in "Fur and Feather" of any alterations or additions made in the Schedule or in these Regulations shall be deemed sufficient notice thereof.

13. Exhibitors are responsible for entering their cats and kittens in the correct classes.

14. Any Exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Secretary, will forfeit any prize that may have been awarded to his or her cat.

15. **Registration.** All exhibits must be registered with the Governing Council of the Cat Fancy, for which forms are enclosed. Extra forms can be obtained from Mr. W. A. Hazeldine, 1, Roundwood Way, Banstead, Surrey. All registered Cats which have changed owners since registration **must** be transferred.

The prescribed declaration on the Club Show entry form that the exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the entry fees. If a Cat belongs to more than one person both must be members to compete for Cups, etc., offered by Clubs.

N.B.—CHAMPIONSHIPS. Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **Seven or more**. In cases of amalgamation or where the total entries in the two classes are less than **Seven**, only one Championship will be given.

N.B.—The following rule was passed at the Meeting of the G.C.C.F. held on July 10th, 1935: —

"When the number of exhibits in the two Open Classes is below seven, only one certificate should be given. If, however, the winner of the opposite sex be of very high quality, the judge may be empowered to give the second championship subject to the approval of another recognised judge of that breed."

A FORM OF

INSURANCE

against

ENTERITIS

DISTEMPER and

SHOW FEVER

Many of the Country's leading breeders have now adopted this simple, efficient ENTEROFAGOS method of immunizing their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. The practice is to administer the ENTEROFAGOS each week, with additional dosage immediately prior to showing. This product is completely harmless and therefore safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. ENTEROFAGOS destroys any microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications. For the treatment of associated microbic conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Cutaneous Vaccine Ointment, OPTHALMO ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders

Cats are a Menace . . .

. . . but only to dogs and mice.

*To us they can be idols, fireside companions,
farm-yard vermin hunters, or
aristocratic show winners.*

In fact pedigree cats are so important that they have a firmly established fancy—a serious-minded following who are constantly improving and popularising the many attractive varieties.

Their ruling body, the Governing Council of the Cat Fancy, recognises only FUR AND FEATHER as its official organ—the sixpence-every-Friday newspaper, which contains all the news for cat breeders and extensive stud and sale advertisements. It is available at all newsagents.

Specimen copies of FUR AND FEATHER and a comprehensive list of cat books will be gladly supplied. Write to:

What Makes Champions?

Champions are born—and made. What finally separates the champion from the also-ran is the zest and poise of perfect conditioning. This fine edge of health and temper always catches and holds the judge's eye.

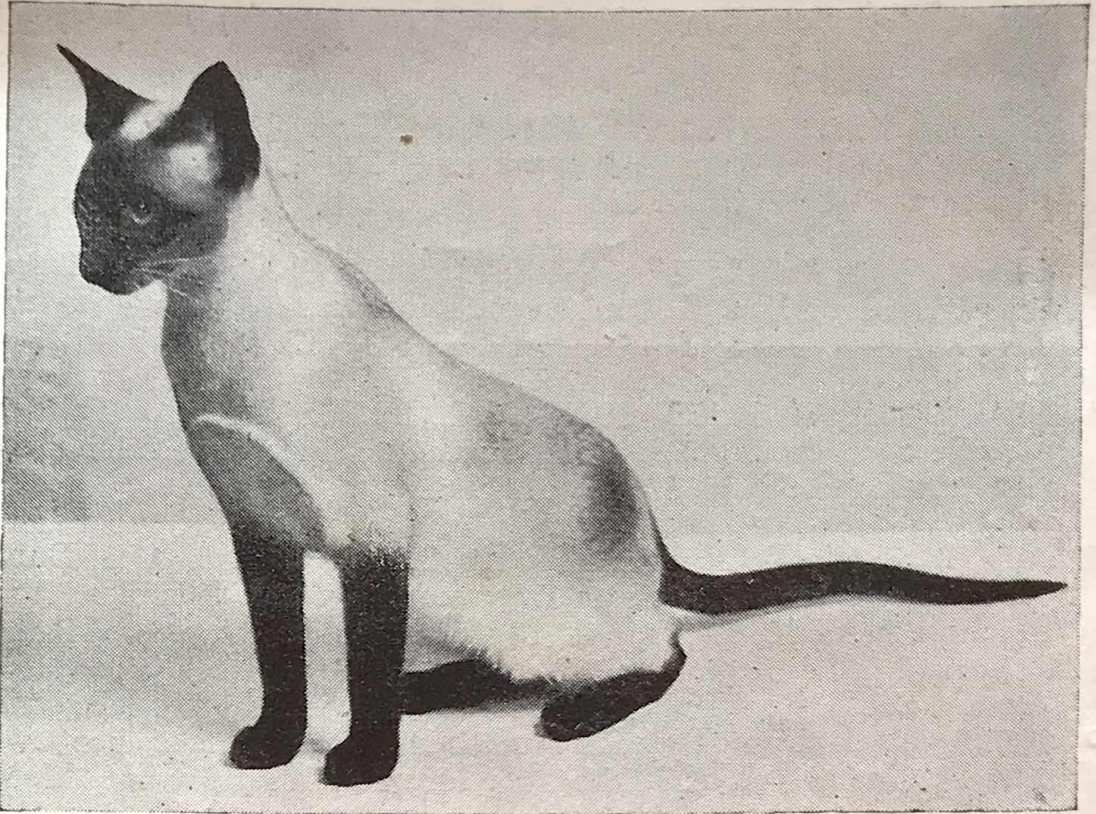

Something “extra” is needed in the cat's diet to maintain show form. This is the extra that Karswood Cat Powders have always provided for our champions. They are a balanced combination of nerve tonic, blood purifier and mineral salts invaluable for Nerves, Muscles, Glands, Coat and Bone development.

Regular Karswood Powders are the basis of a champion's condition. Tasteless and easy to give in food or drink, they sustain good health and good looks.

*Chemists, Corn Dealers, and Pet Shops all
stock Karswood Cat Powders in packets
of 8 for 9d., and 24 for 1/8d.*
