Mrs. A. Hargreaves, F.Z.S., of Church Style, Bovey Tracey, Newton Abbot, Devon, owner-breeder of the Laurentide Siamese, writes:—

"I enclose a photograph of my Blue-pointed Siamese, Ch. Laurentide Corona. Among her wins she has received 5 Challenge Certificates in succession under 5 different judges; and 20 First Prizes. She tied for Best in Show last year at the Herts. and Middlesex and was Best Female at the Siamese Show.

"Corona, her mother, and her grandmother, were all brought up on Kit-zyme and are very healthy cats—always in excellent show condition.

"These three Siamese are all First Prize Brood Queens and have together won over 100 awards. They also share a fondness for Kit-zyme and seem to know it is good for them."

SHOW RULES AND REGULATIONS

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy, and is open to all.

The cats will be received at the entrance to the Show on Wednesday, 27th July, from 6.30 p.m. to 8.30 p.m., and on Thursday, July 28th, at 8.30 a.m. to 9.30 a.m. Judging to commence at 10 a.m. prompt.

Each exhibit will be examined on arrival by the Club's Hon. Vet. Surgeon who will be in attendance. Any exhibit considered to be unfit for exhibition will be re-examined by a Panel of Veterinary Surgeons, and if in their opinion it is desirable that all other exhibits from the same cattery and the owner thereof shall be debarred from attending the Show, their decision must be considered final and Entry Fees forfeited. No exhibit is to be penned before being examined by the Club's Veterinary Surgeons; any exhibitor doing so will be disqualified from competition and all fees paid forfeited. This Rule must be strictly enforced.

If an exhibit is unable to be shown, owing to illness, 50% of entry fee will be returned on receipt of a Veterinary Surgeon's certificate, not less than seven days prior to date of Show.

All exhibits must have clean ears and be free from vermin.

All Exhibits must be accompanied by owner or representative. Exhibitors must provide their own food, sanitary pans and drinking bowls. Peat moss is provided at the Hall. TALLIES will be forwarded to each exhibitor, and must be hung round the neck of each exhibit by means of a white ribbon or tape.

All exhibits must be in boxes, baskets, or suitable containers—no exhibit will be accepted on lead only.

Entries unaccompanied by the proper amount of fees will not be accepted.

Registration. All exhibits except Neuters in Non-Premier Classes must be registered with the Governing Council of the Cat Fancy. Registration and transfer forms can be obtained from Mr. Hazeldine, 1 Roundwood Way, Banstead. All registered cats which have changed owners since registration must be transferred three weeks before Show.

The prescribed declaration on the Club Show entry form that the exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary, with the entry fees. If a cat belongs to more than one person, both must be members to compete for Cups, etc., offered by Clubs.

Exhibits actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

Prizes will be paid from the Judges' award slips, and cats will be sold from entry forms and not from catalogue.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances

WORTH REARING— WORTH INSURING!

Nearly a quarter of a century ago the first really worth-while form of comprehensive insurance for pets was launched. Experience has proved the scheme to be sound from an underwriting point of view, and from time to time extensions of the scope of the cover offered and amendments in favour of the Insured have been made.

Cats are now insured under the same plan and many breeders have found it advantageous to adopt the insurance.

Comprehensive Cat Policies have come to stay!

BEWARE CAT THIEVES!

EVERY day, in many parts of the country, but chiefly in London, cats are being stolen.

Cat thieves tour the streets at night in vans. They carry bait to tempt any cats that may be out. Many cats fall easy victims, and are whisked away. Most of them never see their homes again. Their owners tramp the streets looking for them; they ask at the police stations and cat shelters; they advertise in the newspapers. But puss never comes back. Only the memory of him remains.

WHAT HAPPENS TO STOLEN CATS?

A few may be sold for their furs or for other purposes. **BUT MOST OF THEM ARE SOLD FOR VIVISECTION:** that is, for painful experiments on their living bodies. The thieves sell them to dealers, who re-sell them to vivisection laboratories. If you want to know what happens to them in the laboratories, write for our leaflet, "Experiments on Cats."

This is "Monty," who went to court

ARE THE THIEVES NEVER CAUGHT?

Sometimes, but not often. Some have been successfully prosecuted. If you will keep a sharp lookout, there may be more prosecutions, and in this way the thieves will be discouraged. It is up to **YOU!**

SPRATT'S FISH for CATS**

SPRATT'S Fish for Cats is pure wholesome Fish — nothing else added — cooked and ready to serve. Here is the safest way of feeding Cats; just see how it improves health and condition! Avoid the fear of feeding "not quite fresh" fish or lights, etc. — just open a tin of Spratt's Fish for Cats. Always keep some tins of Spratt's Fish ready for need.

HOW TO FEED : For the first meal of the day, feed Spratt's Fish for Cats. For the second and main meal, feed one part of Spratt's Fish with two parts of Spratt's Cereal Cat Food (sold in Packets and Bags).

Feed it with SPRATT'S CEREAL CAT FOOD

An easily digestible food, Spratt's Cereal Cat Food is highly nutritious. Its special value lies in a careful balance of meat, fish and cereal ingredients; the meat content being just what is required to maintain fine healthy condition under domestic conditions. **TO PREPARE FOR FEEDING :** — Merely mix to a "crumbly-moist" consistency by adding milk, water, or both, or gravy. Feed with Spratt's Fish for Cats as advised above. Spratt's Cereal Cat Food should not be fed hot, but only warm.
