GENERAL REGULATIONS

The Exhibition is held under the rules of the Governing Council of the Cat Fancy, and is open to all.

The cats will be received at the entrance to the Show on Tuesday, December 6th, from 7.0 p.m. to 8.0 p.m., and on Wednesday, December 7th, from 8.30 to 9.30 a.m.

Judging will commence at 10.0 a.m. promptly.

Each exhibit will be examined on arrival by the Club's Honorary Veterinary Surgeons. Cats which are unfit for exhibition will be removed from the Hall immediately, and if in their opinion it is desirable all other exhibits from the same cattery, and the owners thereof, shall be debarred from attending the Show. All entry fees will be forfeited. This Rule will be strictly enforced.

No exhibit is to be penned before being examined by the Club's Veterinary Surgeons. Any Exhibitor so doing will be disqualified from competition and all fees paid forfeited. This Rule must be strictly enforced. A PENNING FEE of 1/6 per CAT or KITTEN WILL BE CHARGED, to be paid on the Entry Form. DOUBLE PENS 2/6 EXTRA.

N.B. : Single pens 24 x 24ins., double pens 48 x 24ins. if available.

Exhibitors may view the judging from 10.0 a.m. at an inclusive fee of 4/-. The Show will be open to the public from 12.30 p.m. to 6.0 p.m. Admission 3/- adults, 2/- children.

Tallies will be forwarded to each Exhibitor, which must be hung round the neck of each exhibit by means of a WHITE TAPE, which must not be removed until after the Best in Show judging.

In case tallies do not reach the exhibitor, application should be made at the Secretary's table.

Cats and Kittens may be entered in more than one class if eligible, but a separate fee for each must be paid.

No Kitten can be entered in any adult class unless specified for Cat or Kitten.

Cats and Kittens entered in **Pairs, Brace, Team, Club or Radius** Classes must be entered in at least one other Class as well.

No cat or kitten may be removed from its pen before 6.0 p.m. unless permission to remove exhibits earlier has been given by the Show Manager, at her discretion, in the case of Exhibitors who live over 100 miles from the Show Hall. Failure to observe this Rule will result in forfeiture of prize money. APPLICATION FOR EARLIER REMOVAL MUST BE MADE TO THE SHOW MANAGER WITH ENTRY FORMS.

A snack counter in the Show Hall will be open all day from 10.0 a.m. and luncheon room for lunches and set teas from 12.0 noon.

A licensed bar will be open during the Show.

THEIR SHIELD AGAINST INFECTION

Immunize them against

ENTERITIS • DISTEMPER SHOW - FEVER

Many of the Country's leading breeders have now adopted this simple, efficient ENTEROFAGOS method of immunizing their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. The practice is to administer the ENTEROFAGOS each week, with additional dosage immediately prior to Showing.

This product is completely harmless and therefore safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. ENTEROFAGOS destroys the specific microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications.

For the treatment of associated microbic conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Cutaneous Vaccine Ointment, OPHTHALMO-ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders.

SHOW RULES

FREE PASSES. Free passes to N.C.C. members with an entry of £3 or over. Free passes to non-members with an entry of £4 or over.

1. Exhibits are only received on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

2. All Exhibits must be accompanied by owner or representative. Exhibitors must provide their own food, sanitary pans, and drinking bowls. Peat moss is provided at the Hall.

All cats and kittens are examined by a Veterinary Surgeon and passed as free from all diseases before admission to the Show, but the National Cat Club cannot hold themselves responsible for cats or kittens bought at the Show.

3. Exhibitors are responsible for the correct description of their cats, and in the event of any dispute arising after purchase shall (on proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens.

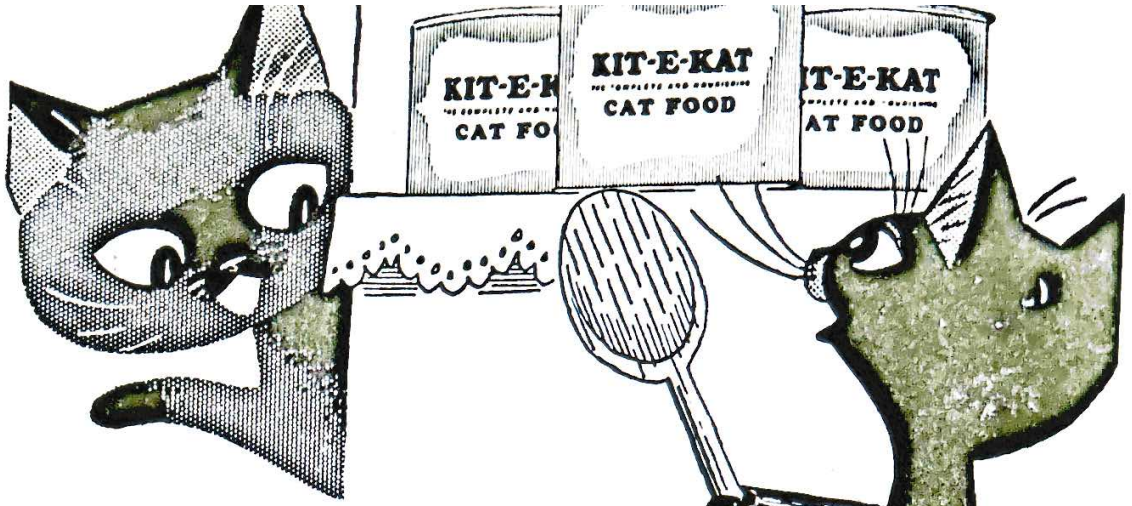

4. Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No Judge shall bring out more than one cat for a Best in Show Special, no matter how many different varieties he or she may be judging.

5. Prizes will be paid from the Judges' award slips, and not from the Catalogue, and cats will be sold from the Entry Forms and not from the Catalogue.

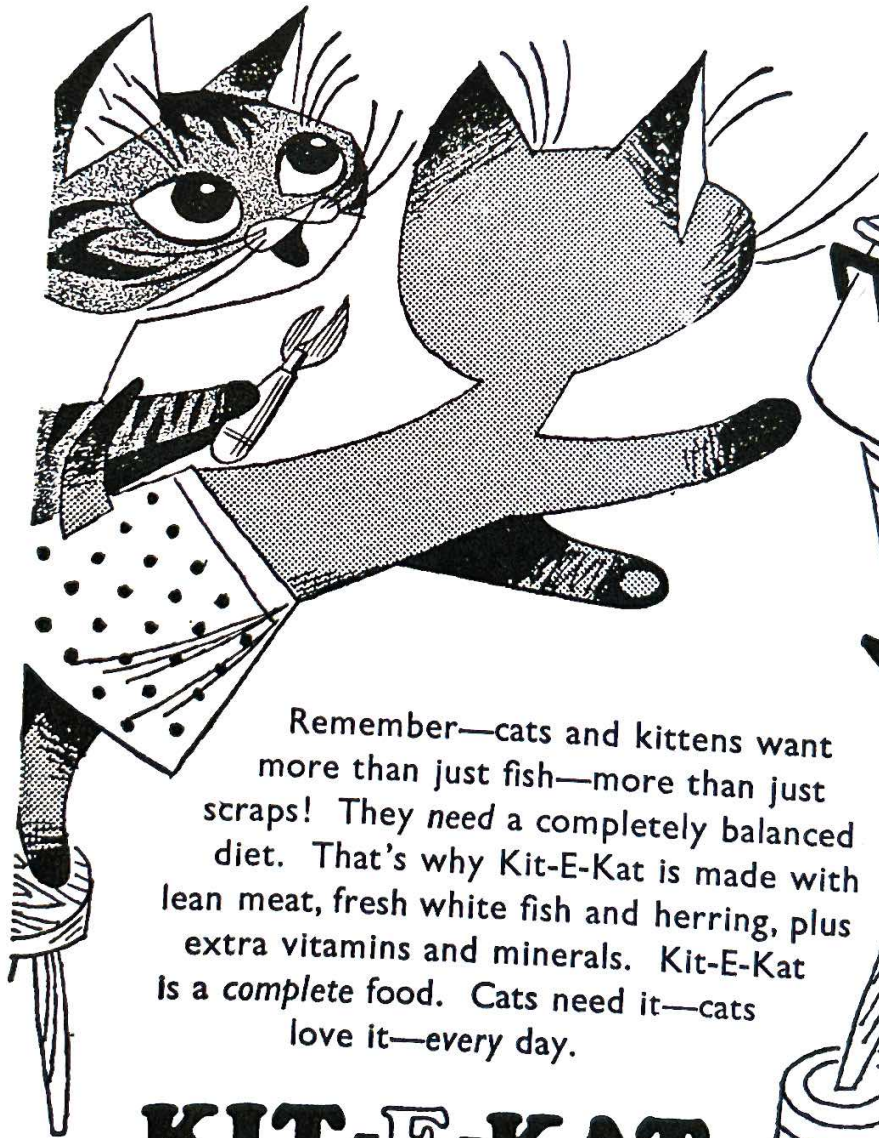

6. No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. Small white blankets **without markings** and suitable sanitary tins **must** be provided. Judges will also be instructed to strictly enforce Rule 11b and to disqualify any exhibit contravening Rule 11c.

7. Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

8. Entries unaccompanied by the proper amount of fees will not be accepted.

Remember—cats and kittens want more than just fish—more than just scraps! They need a completely balanced diet. That's why Kit-E-Kat is made with lean meat, fresh white fish and herring, plus extra vitamins and minerals. Kit-E-Kat is a complete food. Cats need it—cats love it—every day.

9. Exhibits actually received in the Show Hall cannot be withdrawn from competition without the Committee's sanction.

10. Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household. (See G.C. Rule 8.)

11. The Committee reserve to themselves the right to refuse any entry without giving a reason.

12. An announcement in "Fur and Feather" of any alterations or additions made in the Schedule or in these Regulations shall be deemed sufficient notice thereof. The right to cancel or amalgamate classes is reserved.

13. Exhibitors are responsible for entering their cats and kittens in the correct classes.

14. Any Exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this Rule is £5.

15. **Registration.** All exhibits must be registered with the Governing Council of the Cat Fancy, for which forms are enclosed. Extra forms can be obtained from Mr. W. A. Hazeldine, 1, Roundwood Way, Banstead, Surrey. All registered cats which have changed owners since registration **must** be transferred.

Neuters not competing for Premier Certificates need not be registered.

The prescribed declaration on the Club Show entry form that the Exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the entry fees. If a Cat belongs to more than one person both must be members to compete for Cups, etc., offered by Clubs.

16. All wins previous to the midnight preceding the day specified in the Schedule for closing entries, shall be counted when entering for any Class.

17.—(a) No kittens may be shown that are under three calendar months old on the first day of the Show except in Litter Classes, unless between May 1st and October 1st. (b) At no period of the year may a litter be shown or a kitten or kittens sold at any Show under the age of two calendar months. (c) Veterinary Surgeons appointed by Clubs to pass cats must be instructed not to admit cats which are obviously in kitten. No nursing queen may be entered as an exhibit within two calendar months of the date of kitting, such period to date as to the opening of the Show.

N.B.—CHAMPIONSHIPS. Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **seven or more**. In cases of amalgamation or where the total entries in the two classes are less than **seven**, **only one Championship will be given**.

Zarah with her lovely family at 8½ weeks of age present litter was due. But all went well. Zarah had her 6 to 8 Kit-zyme tablets daily during her pregnancy, and while feeding, and I feel sure this went a long way to laying the foundation for her healthy family. The kittens are now weaned and are already beginning to take a cautious sniff at their mama's Kit-zyme tablets."

MRS. R. STUART of 5 The Crescent, Mount Radford, Exeter, Devon, owner-breeder of the Deckham Abyssinians, writes:—

"I might say that I use Kit-zyme regularly and think it a valuable addition to the diet of my Abyssinian cats and kittens. My queen, Nautic Zarah, during her previous kitting, had a very bad breast abscess. I thought I was going to lose her. She was treated professionally with sulphonamide and directly she began to eat again I gave her from 8 to 10 tablets of Kit-zyme a day, and in three weeks the wound that was 3 inches long and 1½ inches or so wide had quite closed up and all the time remained clean and healthy looking. Of course, I took every care with regular bathing, etc., but I always feel that Kit-zyme hastened the healing process.

"After Zarah's unfortunate experience last time, I was a little apprehensive when her

WORTH REARING— WORTH INSURING!

Nearly a quarter of a century ago the first really worth-while form of comprehensive insurance for pets was launched. Experience has proved the scheme to be sound from an underwriting point of view, and from time to time extensions of the scope of the cover offered and amendments in favour of the Insured have been made.

Cats are now insured under the same plan and many breeders have found it advantageous to adopt the insurance.

Comprehensive Cat Policies have come to stay!

It may be introduced into a cattery following exposure to infection at shows and spreads from cat to cat in a locality. All breeds are susceptible and in some, such as the Siamese, the mortality rate is very high.

To save your cat from this disease consult your veterinary surgeon. He will advise you regarding protection, now possible by the introduction of

CAT THIEVES IN COURT

On April 8th, 1952, at March (Cambs.) Magistrates Court, Gerald William Chandler and Charles Fred Edward Willmott were summoned for stealing cats. Chandler said he had taken about 12-15 cats and sold them to a dealer. He was remanded in custody for a medical report. Willmott denied that he had ever sold the dealer a cat; but he was fined £5 with 12s. 6d. costs. "Monty," whose picture appeared in our previous advertisements, was one of the cats in this case. He was rescued in time and went to Court, afterwards being returned to his owner.

Following are summaries of later cases :—

29th May, 1952. At Stratford Court, two men were convicted of cat stealing. At 1 a.m. on May 16th they were caught with nine cats in five sacks in a van. The men were fined.

24th November, 1952. At Old Street Court, Charles William Jackson of Shoreditch was sent to prison for two months for stealing a cat. He admitted stealing about 35 other cats.

29th July, 1953. At London Sessions, William Stanley Hooker was fined £20 for stealing eight cats.

9th November, 1954. At Old Street Court, John Judd and Vincent Rudduck were sent to prison for a month for stealing seven cats. The cats were in sacks in a van which was stopped by the police.

22nd December, 1954. At Old Street Court, Thomas Rae, George Charles Stokes and Louisa Stokes were convicted of cat stealing and were sent to prison for two months. An appeal was dismissed.

24th February, 1955. At Clerkenwell Court, fines totalling £125 were imposed on three men. All were found guilty of having cats in their possession knowing them to have been stolen, and one was also found guilty of causing cats unnecessary suffering. One was a dealer who supplied laboratories.

All these stolen cats were destined for vivisection laboratories.

What Makes Champions?

Champions are born—and made. What finally separates the champion from the also-ran is the zest and poise of perfect conditioning. This fine edge of health and temper always catches and holds the judge's eye.

Something "extra" is needed in the cat's diet to maintain show form. This is the extra that Karswood Cat Powders have always provided for our champions. They are a balanced combination of nerve tonic, blood purifier and mineral salts invaluable for Nerve, Muscles, Glands, Coat and Bone development.

Regular Karswood Powders are the basis of a champion's condition. Tasteless and easy to give in food or drink, they sustain good health and good looks.

**Chemists, Corn Dealers and Pet Shops all
stock Karswood Cat Powders in packets of
8 for 9d. and 24 for 1/8d.**

SPRATT'S FISH for CATS

HERE is the safest way of feeding Cats; just see how health and condition improves! Avoid the fear of feeding "not quite fresh" fish or lights, etc.—just open a tin of Spratt's Fish for Cats. It's ready-cooked! Always keep some tins of Spratt's Fish in the store-cupboard... that is to say... if you can!

Feed it with SPRATT'S CEREAL CAT FOOD

An easily digestible food, Spratt's Cereal Cat Food is highly nutritious. Its special value lies in a careful balance of meat, fish and cereal ingredients; the meat content being just what is required to maintain health under domestic conditions.

Cat owners are invited to write for Information Leaflet 299P
