## SHOW RULES AND REGULATIONS

**The Exhibition** is held under the Rules of the Governing Council of the Cat Fancy, and is open to all.

The Cats will be received at the entrance to the Show on Friday, October 28th, from 6 p.m. to 8.30 p.m., and on Saturday, October 29th, from 8.30 a.m. to 9.45 a.m., and judging will commence at 10 a.m. prompt.

**Each Exhibit** will be examined on arrival by the Club's Hon. Vet. Surgeons, who will be in attendance. Cats which in their opinion are unfit for exhibition will be returned to their owners, and the Entry Fees forfeited. No exhibit is to be penned before being examined by the Club's Vet. Surgeons; any Exhibitor so doing will be disqualified from competition and all fees paid forfeited. This rule **must be strictly enforced.**

A Benching Fee of 1/6 per cat will be payable. Double pens may be supplied (space permitting) for Adult Males, Litters, and Neuters only, on payment of 2/6 extra.

**All Exhibits** must be accompanied by owner or representative. Exhibitors must provide their own food, sanitary pans and drinking bowls. Peat moss is provided at the Hall. TALLIES will be forwarded to each Exhibitor, and must be hung round the neck of each exhibit by means of a **white ribbon or tape or elastic.**

Entries unaccompanied by the proper amount of fees will not be accepted.

**Registration.** All exhibits must be registered with the Governing Council of the Cat Fancy. Forms can be obtained from Mr. S. E. Barnes, 21a Lewis Road, Sidcup, Kent. All registered Cats which have changed owners since registration **must be transferred.**

The prescribed declaration on the Club Show entry form that the Exhibitor is the bona-fide owner of the exhibit and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the Entry Fees. If a Cat belongs to more than one person both **must be members** to compete for Cups, etc., offered by Clubs.

**Exhibits** actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

**Prizes will be paid** from the Judges' award slips, and cats will be sold from entry forms, and not from catalogue.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pen so distinguished. White blankets without markings and sanitary tins must be provided by the Exhibitor.

**The right to cancel or amalgamate classes** is reserved.

**The Committee**, on behalf of the Club, retain their exclusive right to publish Catalogues of their Shows, containing information as to exhibits and names and addresses of exhibitors and reserve to themselves the right to refuse any entry, without giving a reason.

**Early Removals.** No early removals. Failure to observe this rule will result in forfeiture of prize money.

**Entries close October 3rd** (postmark) and should be sent on or before that date to Mrs. O. M. Lamb, Pincop, Kilve, Bridgwater, Somerset (telephone, Holford 363).

**Entry forms must be accompanied by the proper amount of fees, otherwise they will not be accepted.**

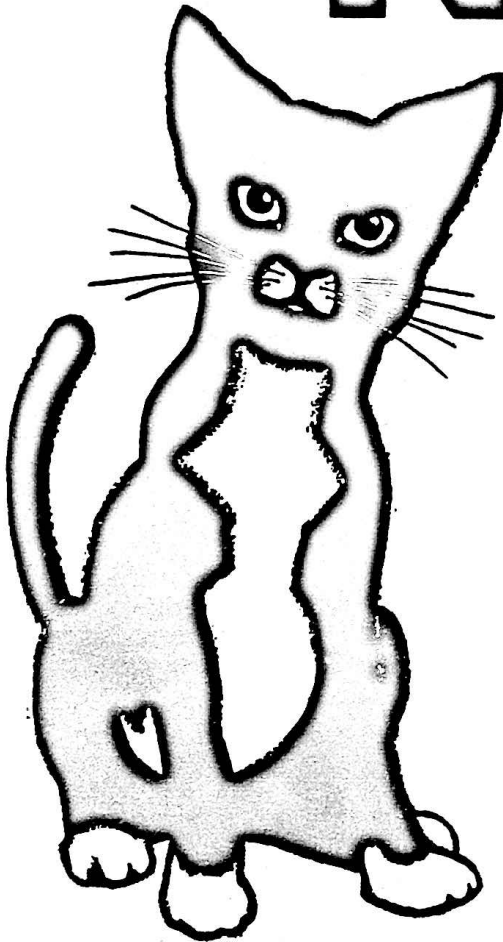

**Exhibitors** may view the judging from 10 a.m. at an inclusive entrance fee of 2/6. The general public will be admitted from 1.30 p.m. at 2/6 entrance fee. Children under 14 years of age may be admitted at half price if accompanied by an adult.

**All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.**

# Kleen Kat

TRADE MARK

**the modern  
cat box litter**

## **1. HOUSE TRAINS ALL CATS**

Kleen Kat attracts even the most wayward cat or kitten to its box. Never again will you have to worry about messes in the home. And there is no more need for "letting the cat out." What a boon—especially if you live in a flat. Kleen Kat also means the end to those wearisome and unpleasant "house training" routines. Cats love the smell of Kleen Kat and go to their box automatically.

## **2. STOPS ALL SMELLS!**

The special ingredients of Kleen Kat destroy all unpleasant smells. From now on your home stays fresh and clean even if your pet spends all its time indoors.

## MEMORANDA

**Warning.** Breeders and owners are hereby warned by the Governing Council of the Cat Fancy and the Officials of the M.C.C.C. against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

**Registration.** Fanciers should register their Cats and Kittens in good time. If they leave it to the last moment and the names they submitted are not available, they may not receive their registration in time to enter.

**Special Prizes.** It will be noticed that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for 1960 to avoid disappointment.

**The Club's Committee** have the absolute right to fix and limit the number of exhibits at their Shows, and to select, accept or refuse any offers of exhibits and fees from members or others at their discretion without giving reason for so doing.

**Exhibits** are only received on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets or in any other way.

**Exhibitors** are responsible for the correct description of their Cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid and shall forfeit the commission charge on the sale by the Committee.

**Exhibitors** may state the price at which they are prepared to sell their Cats, and no reduction in price can be made during the Show, except on payment of 2/- per Cat. Cats must be paid for at the time they are claimed.

**Sales, and all negotiations for same, of exhibits must be made at the Secretary's table.** If there are two or more claimants for any exhibit it will be put up to auction, and 50% deducted from the surplus over catalogue price.

**No stud advertisement or written or printed matters of any kind other than the official award cards may be put on pens.**

**Exhibitors wishing to advertise for sale a Cat or Kitten which is not priced in the catalogue, must apply at the Secretary's Table for an official "For Sale" card.**

**Any Exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.**

**Cats and Kittens may be entered in more than one Class if stated for Cat or Kitten.**

**Cats or Kittens entered in Brace, Team or Club Classes must be entered in at least one other Class.**

**Judges** are empowered to withhold any prize or championships in any Class if the exhibits do not in their opinion possess sufficient merit. No Judge shall bring out more than one Cat for Best in Show, no matter how many different varieties he may be judging.

**Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.**

**The right to cancel or amalgamate Classes is reserved.**

## DEFINITION OF CLASSES

**Novice.** For Cats and Kittens that have not won a First Prize under G.C.C.F. Rules. Wins as Kittens do not disqualify in Cat Classes unless Class is for Cats or Kittens.

**Kittens.** For Kittens under 9 calendar months old on the day of Show. Kittens under 3 calendar months may not be shown except in Litter Class.

**Litter Class.** For 3 or more Kittens of the same litter over 2 and under 3 calendar months on the day of the Show.

The following rule was passed at the Meeting of the G.C.C.F. held on 10th July, 1935 :

"When the number of exhibits in the two Open Classes is below seven only one Certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second Championship subject to the approval of another recognised Judge of that breed."

*Their shield against infection*

protect them against  
**ENTERITIS • DISTEMPER  
SHOW-FEVER**

Many of the Country's leading breeders have adopted this simple, efficient ENTEROFAGOS method for the regular protection of their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. ENTEROFAGOS is administered each week, with additional dosages immediately prior to Showing.

The product is completely harmless and safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. Therefore, when in doubt, give ENTEROFAGOS immediately—freely and frequently. ENTEROFAGOS destroys the specific microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications.

For the treatment of associated conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Ointment, OPHTHALMO-ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders.

## Tomorrow may be too late...

In the crowded conditions of a Show every cat runs the risk of exposure to infections. Feline Enteritis is a particularly infectious virus disease which can spread rapidly from cat to cat, and especially through a cattery, causing untold losses. The onset is sudden and the outcome usually fatal. All breeds of cats are susceptible but the incidence is higher among the Siamese. Get your veterinary surgeon to protect your cat with 'Fiovax' now; it may be too late after the Show.

*What would you do with 10,000  
cardboard plates?*

Say goodbye to washing-up for years and years? Or give a picnic tea for Dr. Barnardo's Homes? Or place them end-to-end in an endeavour to reach Oak Cottage?

At Oak Cottage we should have a use for them. Each year we serve 10,000 cat meals on cardboard plates—and throw the empties away.

This is just one of the many precautions against epidemics which make Oak Cottage Kennels the safest place to board your cat.

Keep your cat in first-class form with

It's the first-ever cat food with the **built-in conditioner\***

Concentrated protein goodness, that's QUEENIE—the protein goodness your cat needs just as much as you do to stay young, vital, contented. And QUEENIE is not just protein, but *first-class* PROTEIN. Nature's richest food, *in its most concentrated form*. That's what makes QUEENIE not only the finest-ever food for cats, *but also the most economical*. You see, even a fully grown cat gets all the nourishment it needs for a happy, active life from *just half a tin of QUEENIE daily* (mix in sufficient "roughage"—like crushed dry bread or toast—to suit your cat's appetite). And cats prefer QUEENIE. Once you open a tin and recognise that tempting smell of sheer goodness, you'll hardly blame them!

\*QUEENIE is a concentrate of natural protein, with added "strength-and-sparkle" vitamins, minerals and essential-to-life "trace" elements to condition your cat's blood, bones, teeth and coat.

Send a QUEENIE label for the QUEENIE cat booklet. It's full of useful health hints, specially written by a leading veterinary authority.

**ACKNOWLEDGMENTS :** The Committee and the Show Manager wish to express their sincere thanks to all who have, in any way, supported this Show.

**“ I protest! ”, cries Lindy,  
“ Bambi’s eaten all the sweets! ”**

**MISS J. G. BERRY, of Fawley, Higher Yannon Drive, Teignmouth, South Devon, writes:—**

*“ Lindy is not usually late at Kit-zyme time for both she and Bambi regard the daily tablets as sweets, but doubtless she dallied on this occasion to catch just one more mouse. At seven years of age, Lindy is the good little mother of some 60 kittens—all bonny and beautiful. Thanks to Kit-zyme, and affection, my cats enjoy life to the full and are the most charming companions.*

*“ Recently 2 year old Panda caught a throat infection and my Veterinary Surgeon looked rather grave as he gave him an injection. Twenty-four hours later when he called he seemed to find it incredible that Panda had practically recovered and needed no further treatment. I was not so surprised as he is a greedy little chap for his Kit-zyme and being a small eater I have always given him more daily than the others.*

*“ In seven years this is the only time I have had to contend with illness, but having kept cats years ago before I knew about Kit-zyme, I can truthfully thank these Tablets for saving me the heartbreak of seeing my pets suffer, and giving me the joy of knowing they are as fit and happy as it is possible to make them.”*
