SHOW RULES

1. All cats are eligible for this Show if registered with the Governing Council of the Cat Fancy, Mr. S. E. Barnes, O.B.E., 21a Lewis Road, Sidcup, Kent.

2. Exhibits at the Club's Shows are only received on the condition that the Club shall not be responsible for any loss or damage to cats, boxes or baskets, or in any other way.

3. The Committee reserve the right to cancel or amalgamate any of the Classes. Full prize money will be paid in all Classes. Exhibitors are requested to cash their cheques at once, so that the Show account can be closed.

4. Exhibitors must fill in correctly, sign and deliver the Club's authorised entry form before any Show takes place, and they are held solely responsible for the right description of their exhibits, and if prepared to sell same, must state the price on the entry form. Should any description of an exhibit so sold be found to be false or erroneous after sale, the exhibitor must receive back the exhibit and refund the purchase money in full. No cat can be claimed until 4 p.m. on the day of the Show, and if there should be more than one claimant the cat must be put up to auction.

5. Sale of exhibits must be made at the SHOW MANAGER'S TABLE ONLY, and payment made at the time they are claimed.

6. Judges are empowered to withhold any prize or Championship in any Class if the exhibits do not in their opinion possess sufficient merit.

7. Prizes must be paid from the Judges' Award Slips, and exhibits sold from the entry forms only.

8. WHITE BLANKETS AND SMALL SANITARY TINS, WITHOUT COLOUR OR MARKS, MUST BE PLACED IN PENS. Judges are instructed to pass any pens containing decorations or distinguishing objects.

9. Should any of the Judges be prevented from fulfilling their engagements, the Executive Committee reserve to themselves the right of appointing other Judges to fulfil their duties.

10. The prescribed declaration on the Club's Show entry form that the exhibitor is the BONA FIDE OWNER of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the entry fees. If a cat belongs to more than one person, both must be members to compete for cups, etc.

11. No cats or kittens will be accepted unless accompanied by their owner or representative on both journeys.

12. Exhibits actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

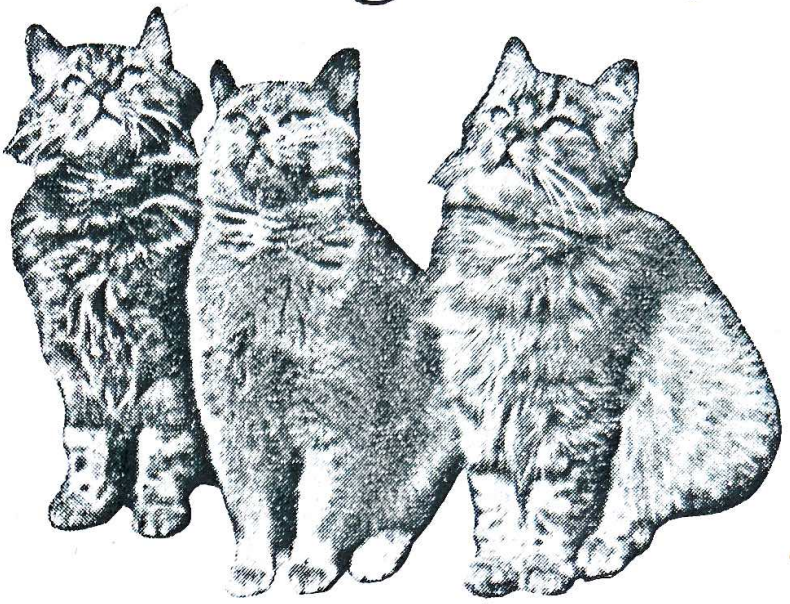

13. The Committee reserve to themselves the right to refuse any entry without giving a reason.

14. An announcement in "Fur and Feather" of any alteration or addition made in the Schedule or in these Regulations, shall be deemed sufficient notice thereof.

15. Exhibitors wishing to advertise for sale a cat or kitten which is not priced in the Catalogue must apply at the Secretary's Table for an official "For Sale" card.

MBL

Their shield against infection

protect them against

ENTERITIS • DISTEMPER
SHOW-FEVER

Many of the Country's leading breeders have adopted this simple, efficient ENTEROFAGOS method for the regular protection of their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. ENTEROFAGOS is administered each week, with additional dosages immediately prior to Showing.

The product is completely harmless and safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. Therefore, when in doubt, give ENTEROFAGOS immediately—freely and frequently. ENTEROFAGOS destroys the specific microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications.

For the treatment of associated conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Ointment, OPHTHALMO-ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders.

16. Should any exhibit be disqualified by the examining Veterinary Surgeon it must leave the Hall immediately, and if in his opinion it is desirable, all other exhibits from the same cattery and the owner thereof shall be debarred from attending the Show. Veterinary Surgeons appointed by Clubs to pass cats, must be instructed not to admit cats which are obviously in kitten, nor male cats which are either monorchids or cryptorchids.

17. If an exhibit is unable to be shown owing to illness 50% of entry fee will be returned, providing that a veterinary surgeon's certificate is forwarded to Show Manager in **not less than seven days** prior to date of Show.

GENERAL REGULATIONS AND RULES FOR THIS SHOW

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all.

A Penning Fee of 1/6 per cat or kitten to be paid on each entry form. Double pens 2/6 **extra.**

Are we protected against Infectious Enteritis?

In the close conditions of the Show every cat is exposed to infections. One of the most dangerous is Feline Enteritis —a particularly infectious virus disease which can spread quickly through a cattery or from cat to cat in a locality. Its onset is sudden and usually fatal. The mortality rate is highest among Siamese, although all breeds are susceptible. It may be too late after the Show . . . consult your veterinary surgeon now about 'Fiovax', and have your kittens vaccinated without delay.

"... all my cats thrive on Kit-zyme"

MISS M. RIMMER
17 Victoria Road, Waterloo,
Liverpool 22, writes:—

"I am a breeder of Siamese and all my cats thrive on Kit-zyme. They really love the Tablets and will help themselves to them if they are given the opportunity.

"Lotus, my queen, has developed the art of filching the Tablets to a degree unthought of by the others. She will open the cupboard where they are kept, roll out the jar, work at the lid until it comes off and then scoff the lot! She also now knows that glass breaks because one day she rolled a Kit-zyme jar off the table on to the tiled floor where, of course, it broke. When I came into the room there was a satisfied smirk on Lotus's face and no Kit-zyme Tablets left!

LOTUS "filching" her KIT-ZYME

"The enclosed photograph shows what happens if Lotus is presented with an open jar. It is most amusing to see her sniff appreciatively at the contents before poking in her paw and hooking the Tablets out one by one.

"I also take in a number of cats for boarding and these, too, are always given their daily ration of Kit-zyme as I feel sure that the sort of food which we are compelled to use is not quite sufficient owing to the artificial conditions under which it is produced."

KIT-ZYME WILL BENEFIT YOUR CAT TOO...
It is a natural Tonic and Conditioner—NOT a purgative
