Each exhibit will be examined on arrival by the Club's Honorary Veterinary Surgeons. Cats which are unfit for exhibition will be removed from the Hall immediately, and if in their opinon it is desirable all other exhibits from the same cattery, and the owners thereof, shall be debarred from attending the Show. All entry fees will be forfeited. This Rule will be strictly enforced.

In case tallies do not reach the exhibitor, application should be made at the Secretary's table.

SHOW RULES

1. Exhibits are only received on the condition that the Club shall not be responsible for any loss or damage to cats, boxes or baskets, or in any other way.

2. **Sale of Exhibits** must be made at the Secretary's table **only,** and payment made at the time they are claimed. Price of cats does not include basket or blanket. All cats and kittens are examined by a Veterinary Surgeon and passed as free from all diseases before admission to the Show, but the Southern Counties Cat Club cannot hold themselves responsible for cats or kittens bought at the Show.

3. Exhibitors are responsible for the correct description of their cats and in the event of any dispute arising after purchase shall (on proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Exhibitors wishing to advertise for sale a cat or kitten which is not priced in the Catalogue must apply at the Secretary's table for an official "For Sale" card.

4. Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No Judge shall bring out more than one cat for a Best in Show Special, no matter how many different varieties he or she may be judging.

5. Prizes will be paid from the Judges' award slips, and not from the Catalogue, and cats will be sold from the Entry Forms and not from the Catalogue.

6. No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. White blankets **without markings,** and small sanitary tins must be provided. Judges will also be instructed to enforce strictly Rule 11b and to disqualify any exhibit contravening Rule 11c.

7. Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

8. Entries unaccompanied by the proper amount of fees will not be accepted.

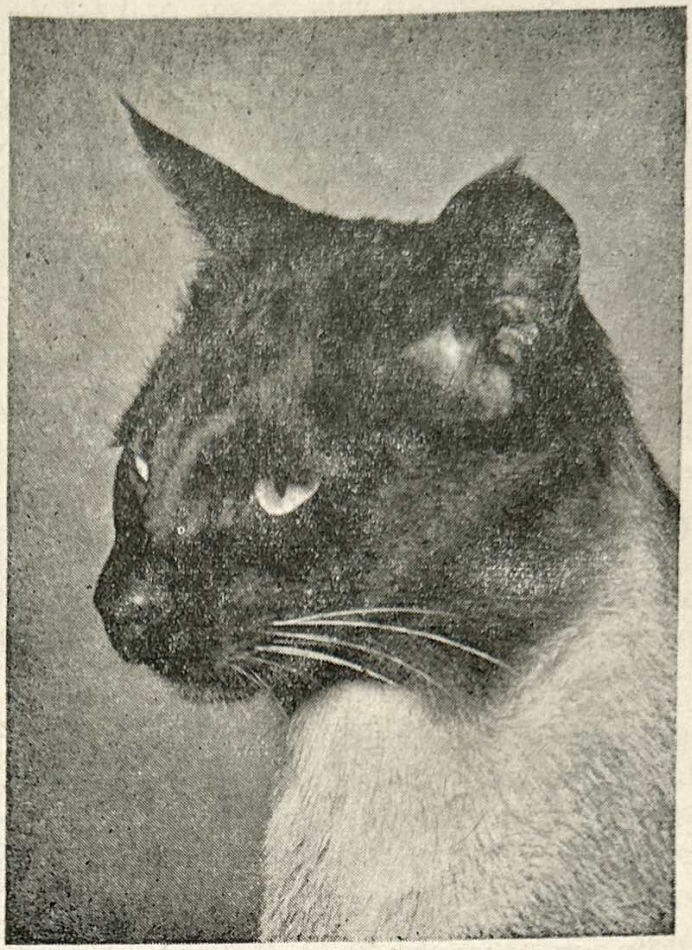

9. Exhibits actually received in the Show Hall cannot be withdrawn from competition without the Committee's sanction.

10. Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household. (See G.C. Rule 8.)

11. The Committee reserve to themselves the right to refuse any entry without giving a reason.

12. An announcement in "Fur and Feather" of any alterations made in the Schedule or in these Regulations shall be deemed sufficient notice thereof.

IS IT NOTHING TO YOU?

MORE THAN TEN THOUSAND CATS IN 1958 WERE SACRIFICED IN LABORATORIES

Wilberforce campaigned against the slave trade, and the Earl of Shaftesbury campaigned against the employment of children in factories and mines.

Their opponents claimed that without slave labour the plantations could not be worked and without child labour the mines and factories could not survive. Slave labour was abolished and child labour was abolished, without loss to plantations, or to mines or factories.

The Earl of Shaftesbury was also a founder Member of the first-formed Anti-Vivisection Society, and we continue the campaign which he inaugurated for the abolition of this growing modern evil.

With your help, vivisection, too, can be abolished without detriment to medical progress. Don't be misled by claims to the contrary.

MBL

Their shield against infection

protect them against

ENTERITIS • DISTEMPER
SHOW-FEVER

Many of the Country's leading breeders have adopted this simple, efficient ENTEROFAGOS method for the regular protection of their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. ENTEROFAGOS is administered each week, with additional dosages immediately prior to Showing.

The product is completely harmless and safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. Therefore, when in doubt, give ENTEROFAGOS immediately—freely and frequently. ENTEROFAGOS destroys the specific microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications.

For the treatment of associated conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Ointment, OPHTHALMO-ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders.

By the makers of **Kit·zyme**

Although Kenadex and Stress were primarily made for dogs, their administration to cats has been so successful that we are bringing these products to the notice of cat breeders and fanciers.

KENADEX

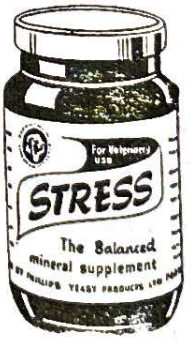

A nourishing Extract supplying Vitamins A and D, fats and protein.

A Breeder writes: "*It is a great pity more cat breeders do not realise how good Kenadex is for cats. All eleven of my cats get both products — Kit-zyme and Kenadex — and I have found an added improvement since the latter was included in the diet . . . even sturdier kits, healthier queens and stud, and a marvellous new-found resistance to cold . . . I would be delighted if I can be instrumental in converting more cat owners to use Kenadex instead of smelly, messy cod and halibut liver oils*".

Trial size **1/9d**; ½ lb. **3/3d**; 1 lb. **5/9d**; 6 lb. tin **30/-**

STRESS

The *Balanced* Mineral Supplement providing calcium, phosphorus and other bone-forming elements.

A Breeder writes: "*I have used Stress on expectant mothers with wonderful results. Previously they had continually lost their litters prematurely or at birth as they had no milk to give them. After using Stress the last families were born without difficulty, healthy and sound, the mothers having plenty of milk. All fanciers and cat lovers should have this great aid*".

In jars **1/9d** and **5/9d** · Tins **30/-**

GLENBURY HAMISH

MISS H. MATTHEWS, of 6 Everton Road, Blackburn, Lancashire, writes:—

"Glenbury Hamish came to me at two months of age from Miss Bryce's Cattery at Hurst, near Reading. He was in beautiful condition but the climate here is cold — very different from the south — and unfortunately the little mite caught a severe chill. He was very poorly and just would not eat.

"I saw Kit-zyme advertised in 'Our Cats' so I bought a small jar of the Tablets. I crushed one, put it on his food and tried to coax him to eat. He seemed interested, walked round his dish, and then decided to 'have a go' and believe me he did! Next day I gave him his food without Kit-zyme and he just wouldn't look at it—so that settled it!

"I have three Blue Persians and now they each have three Kit-zyme Tablets twice a day before their food. In addition, I give them Kenadex which they lick off a spoon. They are never ill and have lovely flowing coats."

KIT-ZYME WILL BENEFIT YOUR CAT TOO . . .
