Bigger and better litters!

Mrs. R. Garnett of 7 Glenhurst Rise, Upper Norwood, London, S.E.19, owner-breeder of the Anderida Russian Blue cats, writes:—

"I am sure you will be interested to know how my Russian Blue cats and kittens continue to thrive on your products. They all have Kit-zyme Tablets and Kenadex Extract regularly, starting from the time they are weaned. Pregnant and nursing queens also have Stress.

"They are brimful of energy from birth and not only that, the litters are increasing in numbers. We used to expect four, then there were five and next the sextuplets in the enclosed photograph."

Stop Press News: *We have just heard that Anderida Maria is the proud mother of a new litter of eight! "Mother and babes doing well", says Mrs. Garnett, "thanks to your excellent products."*

Cats which in their opinion are unfit for exhibition will be returned to their owners, and the entry fees forfeited. No exhibit is to be penned before being examined by the Club's Veterinary Surgeons; any exhibitors so doing will be disqualified from competition and all fees forfeited. This rule must be strictly enforced. **Exhibitors, please note:** The pens for this Show are all **double pens** and an inclusive penning fee of 4s. 6d. is charged for each exhibit.

4. Exhibitors may view the judging from 10 a.m. The Show will be open to the public from 12.30 p.m. to 6.0 p.m. Admission 3s. 6d. adults, 2s. 6d. children. Judging will commence at 10.0 a.m. promptly. Free pass for entries over £5.

6. **TALLIES** will be forwarded to each exhibitor, which must be hung round the neck of each exhibit by means of a **WHITE TAPE, RIBBON** or **ELASTIC**, which must not be removed until after the Best in Show Judging.

In case tallies do not reach the exhibitor, application should be made at the Secretary's table.

7. Entries unaccompanied by the proper amount of fees will not be accepted.

8. All exhibits **must be registered** with the Governing Council of the Cat Fancy. All registered exhibits which have changed ownership since registration must be transferred to new owner 21 days before the date of the Show.

Neuters not competing for Premier Certificates need not be registered.

Kosset

carpets love kittens!

And everybody loves a Kosset carpet—because everyone can find a Kosset carpet to suit both their colour scheme *and* their purse. Kosset carpets come in 9 grades (for different parts of your house), in 10 widths (to fit any area with minimum wastage), and in a magnificent range of colours. Whatever your carpet problems, ask Kosset.

10. Exhibits actually received into the Show Hall cannot be withdrawn without the Committee's sanction.

11. No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pen so distinguished. **WHITE BLANKETS WITHOUT MARKINGS AND SANITARY TINS MUST BE PROVIDED.** Exhibits with coloured or lined blankets will be disqualified. Hot water bottles in plain white covers with no distinguishing marks will be allowed in the pens during the Show.

12. No stud advertisements or written or printed matter of any kind other than the official award cards may be put on the pens.

13. Exhibits are only received on condition that the Club shall not be held responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

14. Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household. (See G.C. Rule 8.)

15. Exhibitors are responsible for the correct description of their Cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid and shall forfeit the commission charge on the sale by the Committee.

16. Exhibitors wishing to advertise for sale a Cat or Kitten which is not priced in the Catalogue must apply at the Secretary's table for an official "For Sale" card.

17. The Committee, on behalf of the Club, retain their exclusive right to publish Catalogues of their Shows, containing information as to exhibits and names and addresses of exhibitors, and reserve to themselves the right to refuse any entries without giving a reason.

18. Prizes will be paid from the Judges' award slips, and Cats will be sold from Entry Forms and not from the Catalogue.

19. Judges are empowered to withhold any prize or championships in any Class if the exhibits do not in their opinion possess sufficient merit.

No Judge shall bring out more than one Cat for Best in Show, no matter how many different varieties he may be judging.

20. Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

21. Any exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this Rule is £5.

NOTICE

Any cat found to be suffering from the effects of drugs on entry, or at any time during the Show, will be subject to expulsion from the Show on the authority of the Veterinary Surgeon.

Warning: Breeders and owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling **whole litters to one buyer**, as unfortunate consequences may follow.

TVL ENTEROVAX PROTECTS

At six weeks a kitten loses the natural immunity it gains from its mother's milk and becomes susceptible to the most deadly of cat diseases – Feline Infectious Enteritis. This killer strikes quickly; epidemics can sweep through a district without warning. Nine out of ten cats that contract the disease die; from first symptoms to death may be only a few hours; **THERE IS NO CURE**. The *only* safeguard against Feline Infectious Enteritis is to vaccinate.

Vaccination with TVL Enterovax will give your cat effective protection. Six weeks is the most suitable age to vaccinate, but a healthy cat can be vaccinated at any age. If your cat is to be shown, or is going into a cattery, vaccination is essential.

Ask your veterinary surgeon to protect your cat with TVL Enterovax Feline Infectious Enteritis Vaccine, and to give you a vaccination certificate.

CHAMPIONSHIPS

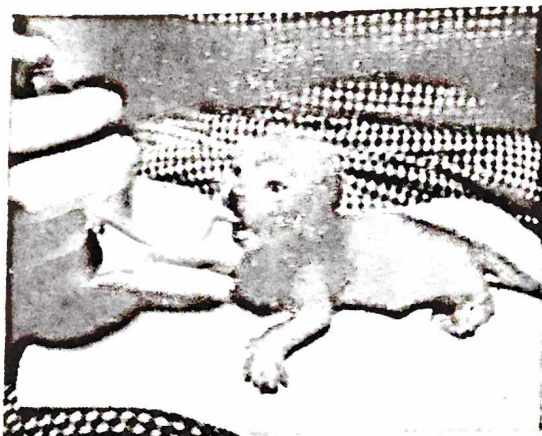

Two Governing Council Championships will be granted for those breeds where separate Classes are scheduled for each sex, provided the total number of entries in the two Classes is seven or more. In cases of amalgamation or where the total entries in the two Classes is less than seven, only one Championship will be given.

The following rule was passed at the meeting of the G.C.C.F. held on 10th July, 1935:—

“When the number of exhibits in the two Open Classes is below seven, only one certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second championship, subject to the approval of another recognised Judge of that breed.”

Their shield against infection

protect them against.
**ENTERITIS • DISTEMPER
SHOW-FEVER**

Many of the Country's leading breeders have adopted this simple, efficient ENTEROFAGOS method for the regular protection of their stock against the risk of microbic intestinal infection: ENTEROFAGOS Polyvalent Bacteriophage is supplied in glass ampoules, each containing one dose, which is given by mouth. ENTEROFAGOS is administered each week, with additional dosages immediately prior to Showing.

The product is completely harmless and safe to give at the first sign of trouble, even before the exact cause of infection has been diagnosed. Therefore, when in doubt, give ENTEROFAGOS immediately—freely and frequently. ENTEROFAGOS destroys the specific microbes that may be present, thus allowing the infected condition to clear up rapidly. If the infection has some other cause, ENTEROFAGOS prevents the microbic development which so often causes secondary complications.

For the treatment of associated conditions which show themselves in skin troubles, eye infections and catarrh, ANTIPEOL Ointment, OPHTHALMO-ANTIPEOL and RHINO-ANTIPEOL have an impressive reputation with many of Britain's foremost breeders.

protection

of cats

Feline infectious enteritis is a highly infectious and dangerous disease of cats: it kills 9 out of 10 of those that contract it. Treatment is usually unsuccessful. The best protection against this dreadful disease is vaccination with FEV. Choose a time when your cat is fit and healthy then ask your veterinary surgeon about protection with FEV feline infectious enteritis vaccine.

Beware Cat Thieves!

Every day, in many parts of the country, especially in London, cats are being stolen.

Cat thieves tour the streets at night in vans. (Always take the number of any vehicle you suspect). They carry bait to tempt any cats that may be out. Many cats fall easy victims, and are whisked away. Most of them never see their homes again. Their owners tramp the streets looking for them; they ask at the police stations and cat shelters; they advertise in the newspapers. But puss never comes back. Only the memory of him remains.

CATS SHOULD NOT BE OUT AT NIGHT

Never let your cat stay out at night. If you do, he may be picked up by thieves, and you will never see him again. It is **wrong** to put a cat out at night. Even in the daytime your pet is not really safe from thieves. Cats are sometimes stolen in daytime.

WHAT HAPPENS TO STOLEN CATS?

A few may be sold for their furs or for other purposes, **but most of them are sold for vivisection:** that is, for painful experiments in their living bodies. The thieves sell them to dealers, who re-sell them to vivisection laboratories. If you want to know what happens to them in the laboratories, send for our leaflet "Experiments on Cats."

ARE THIEVES EVER CAUGHT?

Sometimes, but not often. Below are particulars of some recent cases that came before the courts. If you will keep a sharp lookout there may be more prosecutions. **IT IS UP TO YOU.**

22nd June, 1961. At Downham Juvenile Court a boy was fined £5 for stealing a widow's cat. He sold it for 10/- to a man who had offered that sum for any cat brought to him.

10th August, 1962. The 'Edinburgh Evening News' reported that a livestock dealer had been fined £85 for having 252 stolen cats in his possession. Detectives discovered that he made his living by selling live cats to laboratories for 25/- apiece and skins of dead cats for 30/- each.

20th July, 1963. According to the 'Daily Mail,' reporting a case at the Pembrokeshire Assizes, at Haverfordwest, a detective told of an admission by Winston Hafferman that he kept coshes in his car for knocking out stolen cats in order to sell them to a laboratory in Cheshire.

All these stolen cats were destined for laboratories
