Kosset

carpets love kittens!

And everybody loves a Kosset carpet—because everyone can find a Kosset carpet to suit both their colour scheme *and* their purse. Kosset carpets come in 9 grades (for different parts of your house), in 10 widths (to fit any area with minimum wastage), and in a magnificent range of colours. Whatever your carpet problems, ask Kosset.

Kosset Carpets Ltd 6-10 Bruton Street London W1 .

MUSEUM PRESS

announce the publication (March 1966) of

**The
Perfect
Cat Owner**

By **GRACE POND, F.Z.S.**

A companion volume to

Stanley Dangerfield's THE PERFECT DOG OWNER

With many illustrations showing most of the popular breeds, this new book contains all the basic information necessary for cat lovers. The author, who is a delegate to the Governing Council of the Cat Fancy, and is well known as a show judge, covers choosing a cat, feeding, training, health (how to keep a cat healthy and how to treat it if it does become ill), and hints on showing. It will prove a very useful reference book.

Also in Classes 131, 173.

At six weeks a kitten loses the natural immunity it gains from its mother's milk and becomes susceptible to the most deadly of cat diseases—Feline Infectious Enteritis. This killer strikes quickly; epidemics can sweep through a district without warning. Nine out of ten cats that contract the disease die; from first symptoms to death may be only a few hours; **THERE IS NO CURE.** The *only* safeguard against Feline Infectious Enteritis is to vaccinate.

Vaccination with TVL Enterovax will give your cat effective protection. Six weeks is the most suitable age to vaccinate, but a healthy cat can be vaccinated at any age. If your cat is to be shown, or is going into a cattery, vaccination is essential.

Ask your veterinary surgeon to protect your cat with TVL Enterovax Feline Infectious Enteritis Vaccine and give you a vaccination certificate.

feline

infectious enteritis vaccine

for the

protection

of cats

Feline infectious enteritis is a highly infectious and dangerous disease of cats: it kills 9 out of 10 of those that contract it. Treatment is usually unsuccessful. The best protection against this dreadful disease is vaccination with FEV. Choose a time when your cat is fit and healthy then ask your veterinary surgeon about protection with FEV feline infectious enteritis vaccine.

FEV protects your cat
