### The Kit-zyme Kits!

**Mrs. Grace Pond, F.Z.S. of Barbeechees, Buchan Hill, Crawley, Sussex, owner-breeder of the Bluestar Blue Persians, writes:—**

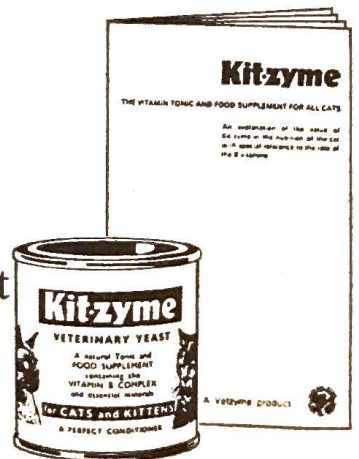

*“The enclosed photograph shows my three Kit-zyme Kits! They full of fun and vigour, although their sire, Bluestar Gay Cavalier was born on the 9th August 1954 and their mother, Bluestar Sweet Fragrance, is nearly twelve years old. In fact, until this trio arrived, I had written them both off as old-age pensioners!*

*“I am sure their daily Kit-zyme Tablets have kept them happy and healthy all these years. Both cats still have astonishingly long pale blue full coats.”*

## GENERAL REGULATIONS AND SHOW RULES

The Exhibition is held under the rules of the Governing Council of the Cat Fancy, and is OPEN to ALL.

Each exhibit will be examined on arrival by the Club's Honorary Veterinary Surgeons. Cats which are unfit for exhibition will be removed from the Hall immediately, and if in their opinion it is desirable, all other exhibits from the same cattery, and the owners thereof, shall be debarred from attending the Show. All entry fees will be forfeited. No exhibit is to be penned before being examined by the Club's Veterinary Surgeons. Any Exhibitor so doing will be disqualified from competition and all fees paid forfeited. These Rules will be strictly enforced. No cat in kitten will be accepted.

Exhibits are only received on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

All exhibits must be accompanied by owner or representative. Exhibitors must provide their own food, sanitary pans if preferred, and drinking bowls. Peat moss is provided for sanitary pans.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. **ADEQUATE WARM WHITE BLANKETS WITHOUT MARKINGS MUST BE PROVIDED.** Disposable litter trays will be provided, but if using own they must be white or tin, and adequately sized. Hot water bottles may be used provided they are put under the blankets

All exhibits must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on lead only.

N.B.—Single Pens 24in. x 24in.

Tallies will be forwarded to each Exhibitor, which must be hung round the neck of each exhibit by means of a WHITE TAPE, which must not be removed until after the Best in Show judging. In case tallies do not reach the Exhibitor, application should be made at the Secretary's table.

Cats and Kittens must have clean ears and coats free from pests. Strict attention will be paid to this rule.

**REGISTRATION.** All exhibits must be registered with the Governing Council of the Cat Fancy. Registration Forms can be obtained from Mrs. Aitken, Bourneside, Kingswood Lane, Hindhead, Surrey (all breeds except Siamese), and Miss Prentis, 2 Farman Street, Hove (Siamese only). All registered cats which have changed owners since registration must be transferred at least three weeks before the Show.

Neuters not competing for Premier Certificates need not be registered.

The prescribed declaration on the Club Show entry form that the Exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the entry fees. If a cat belongs to more than one person both must be members to compete for Cups, etc., offered by Clubs.

All wins previous to the midnight preceding the day specified in the Schedule for closing entries shall be counted when entering for any Class.

Cats and Kittens must be entered in more than one class and a separate fee for each class paid.

Cats and Kittens registered as breeds No. 13A AND No. 26 MAY ONLY BE ENTERED IN A.O.V. OPEN CLASSES and in such further classes as Clubs may decide to put on for them.

Cats and Kittens entered in **Club or Radius** Classes must be entered in at least one other Class as well, the Open if possible.

# ANIMALS CAN'T PROTEST

Experiments on 4,750,000 living animals include mutilation, burning, freezing and injection with loathsome diseases.

Help the N.A.V.S. to stop vivisection and campaign for the abolition of cruel experiments on living animals. Help the N.A.V.S. expose the traffic in stolen pets and find homes for animals who might otherwise be sold for vivisection.

Help the N.A.V.S. to draw attention to the many available methods of research and treatment which do not involve the use of living animals.

No nursing queen may be entered as an exhibit within two calendar months of the date of kitting, such period to date as to the opening of the Show.

Should any Judges be prevented from fulfilling their engagements the Committee reserve to themselves the right of appointing other Judges in their stead.

Entries unaccompanied by the proper amount of fees will not be accepted.

Exhibits actually received in the Show Hall cannot be withdrawn from competition without the Committee's sanction.

Any exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club official. Penalty for contravention of this rule is £5.

All exhibitors are forbidden to carry their Cats round the Show Hall, and they must not be held in such a way as to annoy other Cats, especially the adult males.

The National Cat Club cannot hold themselves responsible for Cats or Kittens bought at the Show.

**No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. "For Sale" cards may be bought at Information Table.**

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No Judge shall bring out more than one cat and one kitten for Best in Show, no matter how many different varieties he or she may be judging.

Prizes will be paid from the Judges' award slips, and not from the catalogue.

No cat or kitten may be removed from its pen before 6.30 p.m. unless permission to remove exhibits at 6.0 p.m. has been given by the Show Manager, at her discretion, in the case of Exhibitors who live over 100 miles from the Show Hall. Failure to observe this Rule will result in forfeiture of prize money.

# Beware Cat Thieves!

Every day, in many parts of the country, especially in London, cats are being stolen.

Cat thieves tour the streets at night in vans. (Always take the number of any vehicle you suspect). They carry bait to tempt any cats that may be out. Many cats fall easy victims, and are whisked away. Most of them never see their homes again. The owners tramp the streets looking for them; they ask at the police stations and cat shelters; they advertise in the newspapers. But puss never comes back. Only the memory of him remains.

## CATS SHOULD NOT BE OUT AT NIGHT

Never let your cat stay out at night. If you do, he may be picked up by thieves, and you will never see him again. It is wrong to put a cat out at night. Even in the daytime your pet is not really safe from thieves. Cats are sometimes stolen in daytime.

## WHAT HAPPENS TO STOLEN CATS?

A few may be sold for their furs or for other purposes, but most of them are sold for vivisection: that is, for painful experiments in their living bodies. The thieves sell them to dealers, who re-sell them to vivisection laboratories. If you want to know what happens to them in the laboratories, send for our leaflet "Experiments on Cats."

## ARE THIEVES EVER CAUGHT?

Sometimes, but not often. Below are particulars of some recent cases that came before the courts. If you will keep a sharp look-out there may be more prosecutions. **IT IS UP TO YOU.**

**22nd June, 1961.** At Downham Juvenile Court a boy was fined £5 for stealing a widow's cat. He sold it for 10/- to a man who had offered that sum for any cat brought to him.

**10th August, 1962.** The 'Edinburgh Evening News' reported that a livestock dealer had been fined £85 for having 252 stolen cats in his possession. Detectives discovered that he made his living by selling live cats to laboratories for 25/- apiece and skins of dead cats for 30/- each.

**20th July, 1963.** According to the 'Daily Mail,' reporting a case at the Pembrokeshire Assizes, at Haverfordwest, a detective told of an admission by Winston Hafferman that he kept coshes in his car for knocking out stolen cats in order to sell them to a laboratory in Cheshire.

**All these stolen cats were destined for laboratories**

**HELP US TO STOP VIVISECTION!**

**BRITISH UNION FOR THE ABOLITION  
OF VIVISECTION**

**APPLICATION FOR EARLIER REMOVAL MUST BE MADE TO THE SHOW MANAGER WITH ENTRY FORMS AND CANNOT BE GIVEN ON THE SHOW DAY.**

**N.B.—CHAMPIONSHIPS.** Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **seven or more**. In case of amalgamation, or where the total entries in the two classes are less than **seven, only one Championship will be given.**

The following rule was passed at the Meeting of the G.C.C.F. held on July 10th, 1935:—

“When the number of exhibits in the two Open Classes is below seven, only one certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second championship subject to the approval of another recognised Judge of that breed.”

**Special Prizes.** All Club Specials are confined to fully paid-up members only.

---

**G.C.C.F. RULE: A CAT OR KITTEN CANNOT BE EXHIBITED TWICE WITHIN A PERIOD OF 14 DAYS. THIS RULE WILL BE STRICTLY ENFORCED.**

**NO CAT OR KITTEN THAT HAS BEEN DE-CLAWED WILL BE ACCEPTED AT ANY SHOW.**

**N.B.—EXHIBITION LITTERS MAY NOT BE PENNED OVERNIGHT.**

---

**Return of Entry Fees:** Part entry fees may be returned **provided vet.'s certificate is received at least 7 days before Show.**

**Disinfecting of Pens:** This will be done with a mild non-toxic disinfectant.

---

Any Exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show, should produce veterinary surgeon's clearing certificate stating that the cat(s) in question was recovered on a specific date and/or that there have been no further outbreaks in the cattery. This must be done before entries can be accepted from such an Exhibitor.

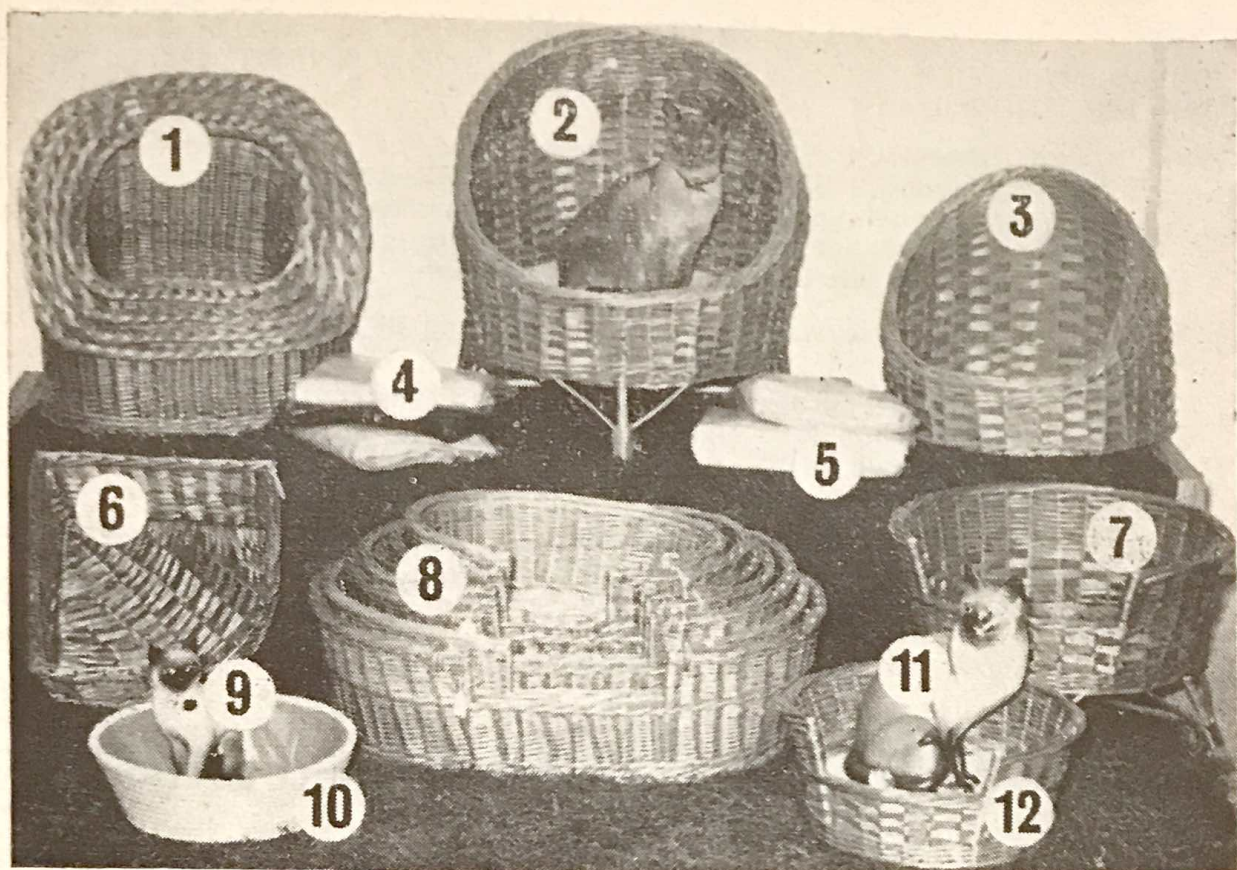

---

**WARNING.** Breeders and Owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling **WHOLE LITTERS** to **ONE** buyer, as unfortunate consequences may follow.

# KARNAK CATS

L.H. SILVER TABBIES & ABYSSINIANS

**CH. WILMAR WADE** (9 C.C.'s)

On show at the 1968 National are the founders of the Karnak line of L.H. Silver Tabbies:

**Ch. Wilmar Wade**  
and

**Wilmar Whimsy**

WADE, although barely 2 years old, has 9 C.C.'s to his credit, whilst WHIMSY—at 18 months—has been too busy with her kittens to attend many shows this season, but gained her first C.C. at her only Adult Show in March.

The Karnak L.H. Silver Tabby Kittens are well represented.

We are proud to contribute to the work of **Mrs. Gurney** and **Mrs. Greenwood** who, with their **DORSTAN** and **WILMAR** Cats have done so much for this beautiful and lovable breed.

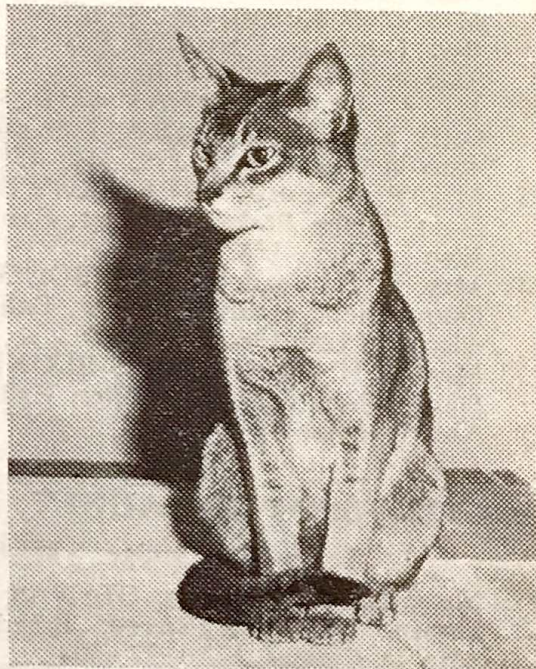

Our Abyssinian Stud is  
**Ch. Chinook Kiowa**

who has 4 C.C.'s and has sired some lovely Kittens this year—with more due in November.

KIOWA has truly magnificent type and regal bearing—so essential to these handsome Cats whose forebears left their muddy paw-prints in the temples of Karnak thousands of years ago.

Stud enquiries for both Breeds invited.

### CH. HENGIST STROGANOFF

(CH. PETROVNA NILGIRI BOY x CH. SYLPHIDES MARYINSKA), 4 C.C.'s, is now at Stud to selected Queens. Fee 5 Gns.

STROGANOFF was not only Best Short Haired Adult at The Midland Counties Championship Show, but also the Best Short Haired Exhibit, thus maintaining the family tradition of Best in Show wins set by his mother and

continued by his litter brother, CHAMPION HENGIST BITOCHKI, owned by Mrs. Foster.

STROGANOFF has been thoroughly test mated and we are sure he is free from any Siamese factor.

We prefer visiting Queens to be brought, but if this is not possible, we will meet them at Sheffield or Worksop.

STROGANOFF is here today, together with his kittens, from MEADLIAM TARRAGON, HENGIST SASKIA, HENGIST SASHCHA and HENGIST SAKHA.

Kittens of the same breeding will be ready soon and another litter from STROGANOFF and SYLPHIDES SUROVA are looking for homes now.

## **The Royal Cat of Siam**

by

**MAY EUSTACE**

THE ROYAL CAT OF SIAM embraces everything appertaining to the Siamese Cat, derived from the author's intimate knowledge and close association with the breed. No comparable work has been attempted during the last decade.

For almost twenty years Mrs. Eustace has taken an active part in all facets of the breeding of pedigree cats. In this complete book on the Siamese she presents the most important and useful fruits of her experience. The fundamentals are all here: the early history of the breed; the evolution of new breeds; all about Cat Shows and Judging; important pedigrees of important Cats; care and management of Cats and Kittens; management of Stud Cats and Visiting Queens; neutering non-breeding stock; disease and its implications; old age and death.

All these points are discussed in an authoritative and readable manner—and the photographs are unique. Here, indeed, is the definite book of the modern Siamese Cat.

## OBSERVERS' BOOK OF CATS

GRACE POND

Though the history of the domestic cat goes back at least to the time of the ancient Egyptians, it is only comparatively recently that scientific breeding has been undertaken to produce the many beautiful varieties seen on the show bench today. All the recognised breeds and varieties are described and illustrated in this book. Owners of the humble "household pet," as well as of pedigree animals, will find useful advice on care and breeding, and from her experience as a judge at many cat shows the author gives valuable hints on preparing a cat for show. A list is also given of the main Cat Clubs and Societies in Britain, the Commonwealth and the U.S.A.. Fully illustrated in colour and black and white, yet only **6s. net.**
