The Siamese Cat Society of Scotland

The only Specialist Cat Society in Scotland

This is a new Society, formed in May, 1968. The founders felt that the Siamese breed, which is easily the most popular single breed in terms of the numbers of cats registered, deserved to have its own Specialist Society in Scotland. The Society aims to cater for all Siamese Cat owners, particularly those who keep their Siamese as a pet. If you would like more information, please contact the Secretary.
