14. No kitten may be shown or sold under the age of three calendar months except litters. It is recommended that kittens be kept at their own homes for three weeks after the end of the Show.

15. All exhibits must be accompanied by owner or representative.

16. All exhibits must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on lead only.

17. Exhibits are accepted only on the condition that the Club shall not be responsible for any loss or damage to Cats, boxes or baskets, or in any other way.

18. Exhibits actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

19. Exhibitors must provide their own food, sanitary pans and drinking bowls. Peat moss is provided at the Hall. TALLIES will be forwarded to each exhibitor and must be hung round the neck of each exhibit by means of a white ribbon or tape.

20. No interior or exterior decoration or distinguishing objects will be allowed in or on the pens during the judging in any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. White blankets without colours and suitable sanitary tins MUST be provided by the exhibitor.

21. No stud advertisement, written or printed matter of any kind other than the official award cards may be put on pens.

22. Exhibitors wishing to advertise for sale a Cat or Kitten which is not priced in the catalogue must apply to the Secretary's table for an official "For Sale" card.

23. Sales. Exhibitors may state the price at which they are prepared to sell their Cats. Cats must be paid for at the time they are claimed. No commission will be charged on sales.

24. Exhibitors are responsible for the correct description of their Cats, and in the event of any dispute arising after purchase shall (on proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

25. Any exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club official. Penalty for contravention of this rule is £5.

26. No Cat or Kitten may be removed from its pen before 5.30 p.m. unless permission to remove exhibits earlier has been given by the Show Manager at her discretion in the case of exhibitors who live over 100 miles from the Show Hall. Failure to observe this rule will result in forfeiture of prize money. Application for earlier removal must be made to the Show Manager with entry forms.

27. Prizes will be paid from the Judges' award slips.

28. Judges are empowered to withhold any prize or certificate in a Class if the exhibits do not in their opinion possess sufficient merit. No Judge shall bring out more than one Cat for Best in Show, no matter how many different varieties he may be judging.

29. Should any Judges be prevented from fulfilling their engagements the Committee reserve to themselves the right of appointing other Judges in their stead.

30. Visitors may view the judging from the balcony, **but are not permitted in the aisles until 1.0 p.m.** The Show will be open to the public from 1.0 p.m. to 5.30 p.m. Admission Adults 3s. 6d., Children and O.A.P. 2s. 0d.

An announcement in "Fur and Feather" of any alterations or additions made in the Schedule or in these Regulations shall be deemed sufficient notice thereof.

33. No Cat or Kitten can be exhibited more than once within fourteen days.

34. No Cat or Kitten that has been declawed will be accepted at any Show.

NOTICE. Any Cat found to be suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the Veterinary Surgeon.

All exhibitors are forbidden to carry their Cats round the Show Hall, and they must not be held in such a way as to annoy other Cats.

CHAMPIONSHIPS

Championships. Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **seven** or more. In cases of amalgamation or where the total entries in the two classes are less than **seven**, only one Championship will be given.

The following rule was passed at the Meeting of the G.C.C.F. held on 10th July, 1935 :

“When the number of exhibits in the two Open Classes is below seven only one Certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second Championship subject to the approval of another recognised Judge of that breed.”

GRAND CHAMPION AND GRAND PREMIER CLASSES

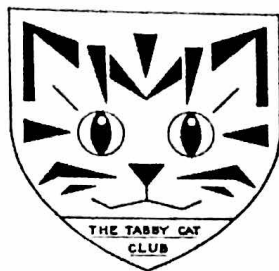

To compete in a Champion of Champion Class a cat must be a full Champion. A Champion Challenge Certificate may not be given in a Class where there are fewer than seven exhibits present. Cats may be shown in both Champion of Champion and Open Class.

To compete in a Premier of Premier Class a cat must be a full Premier. A Premier of Premier Certificate may not be given in a Class where there are fewer than five exhibits present. Cats may be shown in both Premier of Premier and Open Class.

INFECTION RISK

FELINE ADVISORY BUREAU

A REGISTERED CHARITY

The **Feline Advisory Bureau** is a national organisation which was founded in 1958 with two main objects :

1. Generally to promote humane behaviour towards the cat and to assure its physical well-being by giving advice to owners on its maintenance in health and care in sickness.
2. To establish such special funds as may be thought desirable to promote investigations into feline disorders.

With regard to the first object, advice to cat owners, the **Feline Advisory Bureau** operates an advisory service which is based on the up-to-date surveying of the appropriate scientific literature and which is supplemented by reference to recognised authorities. For these purposes it maintains an extensive reference and lending library and has established an advisory panel of scientific, medical and veterinary experts. It issues a **Quarterly Bulletin**, containing veterinary and lay articles, and has prepared special leaflets covering diet, exhibiting, breeding, cattery planning and construction, and certain feline disorders. In addition, it operates a boarding cattery inspection scheme. Annual open **Conferences** are held.

With regard to its second object, the promotion of investigations into cat disorders, the **Feline Advisory Bureau** has established its **Central Fund for Feline Research**. The accumulation of Funds has enabled the Bureau to sponsor investigation into some of the cat diseases which are not yet fully understood and for which no effective treatment exists. More money is urgently needed to continue this work.

Membership of the **Feline Advisory Bureau** will entitle **YOU** to advice on all cat problems; not only pedigree breeding animals and laboratory animals, but ordinary household pets, farm and office cats.

A contribution to the **Central Fund for Feline Research** will speed investigation into cat diseases and save thousands of cat lives.
