THE SIAMESE CAT SOCIETY OF SCOTLAND

Notice to Intending Purchasers of Kittens

If you want a kitten, Siamese or any one of the many different breeds there are today, you are strongly advised to obtain your kitten from a **REPUTABLE BREEDER**.

Your kitten will then be properly reared, fully inoculated, registered, and you will not be able to take possession of it when it is too young.

The Secretary or any member of the Committee of this Society will be only too pleased to help you secure the kitten (any breed) of your choice.

Please DO contact us.

Hon. Secretary : MRS. ANN IMLACH

NOTICE

The breeding of Pedigree Cats is a dedicated hobby for the greater majority of the established breeders in the Cat Fancy, who derive little or no financial gain from their efforts, but do have that more-to-be-prized feeling of achievement when, through their efforts in selective breeding, they can produce a specimen of beauty closely conforming to the standards laid down for the particular breed(s) in which they are interested.

It is regrettable, therefore, that of recent months certain articles which have appeared in the National Press gave the impression that huge profits were to be made from the breeding and sale of Pedigree Kittens, thus inducing various would-be breeders to take up this hobby with the promise of quick and easy profits.

Some of those who have been influenced by these articles are now becoming disillusioned and are disposing of their stock as best they can. The increase in the number of Pedigree Cats now being rescued as strays by Animal Protection Societies indicates that probably some of these "breeders" are even turning their cats loose to fend for themselves. The established members of the Cat Fancy believe this is a phase which will pass in time, but it will have brought untold suffering to numerous cats before breeding is stabilised again.

The Fancy welcomes new members who realise that breeding is a labour of love and that one can expect little, if any, financial gain from one's efforts.
