GENERAL REGULATIONS AND SHOW RULES

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all.

The exhibits will be received at the entrance to the Show Hall on Saturday, 19th September, from 8 a.m. to 9.45 a.m. Judging will commence at 10 a.m.

All exhibits must be examined by the Society's Hon. Veterinary Surgeons before being penned. All exhibits which, in their opinion, are unfit for exhibition will be returned to their owners and all entry fees will be forfeited. Any exhibitor who pens his cat before it has been examined by the Veterinary Surgeon will be disqualified from competition and all fees paid forfeited. No Queen in kitten may be exhibited and no nursing Queen may be exhibited within two months from the date of kitting. All exhibits must have clean ears and be free from vermin. Veterinary Surgeons appointed by the Society are instructed not to admit male cats which are either Monorchids or Cryptorchids.

Any cat found to be suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show and all fees paid forfeited.

Any cat or kitten found to have had its claws removed will, on examination by the Veterinary Surgeons, be debarred from the Show.

All exhibits must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on lead only.

All exhibits must be accompanied by their owners or owner's representative.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging and judges are instructed to pass any pens so distinguished. **ADEQUATE WARM WHITE BLANKETS WITHOUT MARKINGS AND SUITABLY SIZED SANITARY TINS MUST BE PROVIDED BY THE EXHIBITORS.** Hot water bottles may be used provided they are put under the blankets.

Cat litter is provided in the Hall. Tallies will be forwarded to each exhibitor and must be hung round the neck of each exhibit by means of a **WHITE** ribbon, tape or elastic.

Any exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No exhibit may be removed from its pen except by the owner or an official of the Society.

REGISTRATION. All exhibits must be registered with the Governing Council of the Cat Fancy except Litters and Household Pets. Forms can be obtained from Miss V. Entries must be accompanied by the proper amount of fees, otherwise they will not be accepted.

All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.

Exhibitors wishing to advertise a cat or kitten which is not priced in the catalogue must apply at the Secretary's table for an official "For Sale" card.

All exhibits must be entered in at least two classes.

Judges are empowered to withhold any prize or championships in any class if the exhibits do not, in their opinion, possess sufficient merit.

No judge shall bring out more than one cat for Best in Show, no matter how many different varieties he may be judging.

Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

The right to cancel or amalgamate classes is reserved.

Exhibitors are forbidden to carry their cats round the Show Hall and they must not be held in such a way as to annoy other cats.

WARNING. Breeders and owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

CHAMPIONSHIPS

Championships. Two Governing Council Championships will be granted for those breeds where separate classes are scheduled for each sex, provided the total number of entries in the two classes is **seven** or more. In cases of amalgamation or where the total entries in the two classes are less than seven, only one Championship will be given.

The following rule was passed at the Meeting of the G.C.C.F. held on 10th July, 1935 :

“ When the number of exhibits in the two Open Classes is below seven only one Certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second Championship subject to the approval of another recognised Judge of that breed.

NAVS what it does...

Campaigns for the total prohibition of the performance on living animals of all such experiments as are calculated to cause suffering or distress to the animals and, pending the achievement of this fundamental aim, to support, sponsor and promote partial measures of reform as steps towards the total abolition of vivisection.

Points out the danger of applying to human beings the results of experiments with animals.

Works to secure the support and co-operation of Members of Parliament in making this method of research illegal.

Exposes the traffic in stolen pets and finds homes for animals who might otherwise be sold for vivisection.

Directs attention to the many available alternative methods of research and treatment which do not involve the use of living animals.

Provides speakers on the subject.

Supplies up-to-the-minute information in its monthly magazine, "Animals' Defender."

Invites you to attend "Open Evening lectures and discussions at 51 Harley Street (second Tuesday in every month, 6.15 p.m., August excepted).
