THE WESSEX CAT CLUB

GENERAL RULES AND REGULATIONS RELATING TO THE SHOW

This Show is presented under licence granted by the Governing Council of the Cat Fancy and is, therefore, subject to the Council's Rules—a copy of which is enclosed herewith, and the Show Committee asks that all Exhibitors read these carefully before completing their Entry Forms and bringing their exhibits to the Show Hall.

The Wessex Cat Club can accept no responsibility for any disciplinary action which may result from an Exhibitor's failure to read these Rules and to comply with them.

In addition to the G.C.C.F. Rules as printed, the following Regulations shall also apply :

Exhibits will be received at the entrance to the Show on Saturday, March 6th, from 7.30 a.m. to 9.45 a.m., where they will be examined by the Club's Honorary Veterinary Surgeons in accordance with paragraph 18.

Exhibitors are reminded that cats and kittens brought to the Show must have clean ears and coats free from pests.

No decoration or distinguishing objects will be allowed in or on the pens during judging. **Plain white blankets**, with no distinguishing marks or features, and suitable white sanitary trays must be provided by Exhibitors. Peat moss will be provided by the Club for use in the litter trays.

Hot water bottles may be used, but they must be placed out of sight under the blankets.

Exhibitors will receive a tally for each entry and this must be fixed round the neck of each exhibit by means of a **white** tape or elastic. Tallies must not be removed until the close of the Show.

Exhibitors must enter cats or kittens in at least two classes, but no exhibit can be entered in more than twelve classes.

Exhibitors are responsible for entering their cats and kittens in the correct classes.

Cats and kittens registered as Breeds No. 13a and No. 26 may only be entered in A.O.V. Open Classes and in such further classes as Clubs may decide to put on for them.

Any Exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Managers, will forfeit any prize that may have been awarded to his or her cat. No-one may remove any exhibit from its pen except the owner or a Club official. Penalty for contravention of this Rule is £5.

All Exhibitors are forbidden to carry their cats around the Show Hall and they must not be held in such a way as to annoy other cats, especially the adult males.

Leading breeders use and recommend...

KIT-ZYME Yeast Tablets

Made from vitamin-rich brewers' yeast with added minerals. Kit-zyme improves appetite and coat and helps protect against disease. It quickly restores appetite and is a dietary essential for nursing queens and kittens.

KENADEx Concentrated Extract

A nourishing food supplement rich in vitamins A and D for all cats and kittens. Builds up resistance to disease—especially valuable during winter months.

STRESS Mineral Supplement

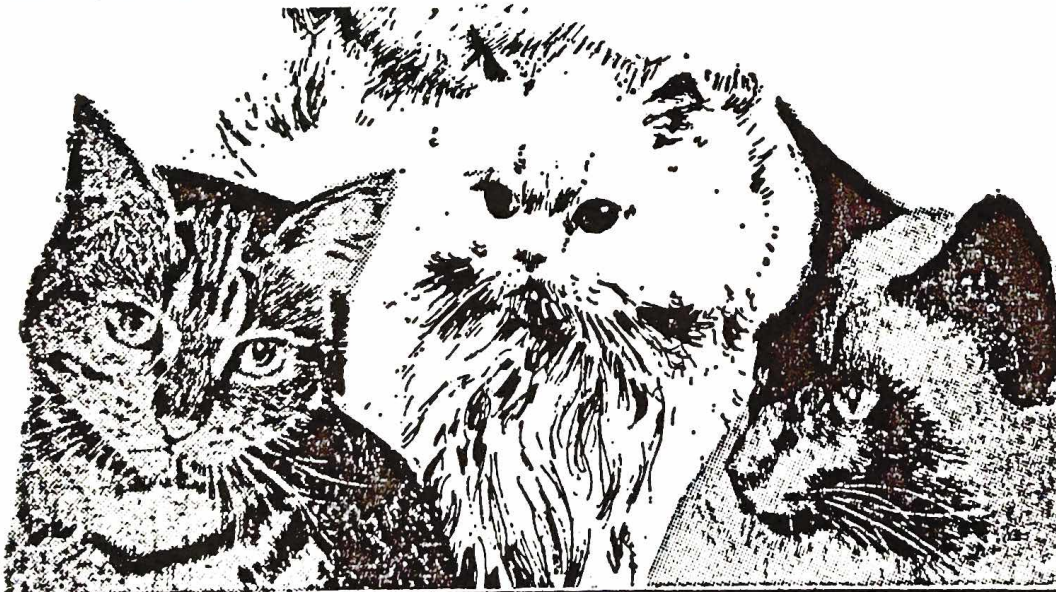

Provides calcium and phosphorus and other bone-forming elements. Daily administration will prevent mineral deficiencies during pregnancy, lactation and growth.

and these other valuable preparations:

ZEMOL OINTMENT AND POWDER for eczema and similar skin troubles.

ZEMOL EAR DROPS for canker.

ZEMOL PET ANTISEPTIC first-aid treatment.

ARE YOU SATISFIED

that medical science continues to gamble

WITH YOUR HEALTH?

Continues discredited and obsolete experiments on living animals.

Produces harmful products and false findings!

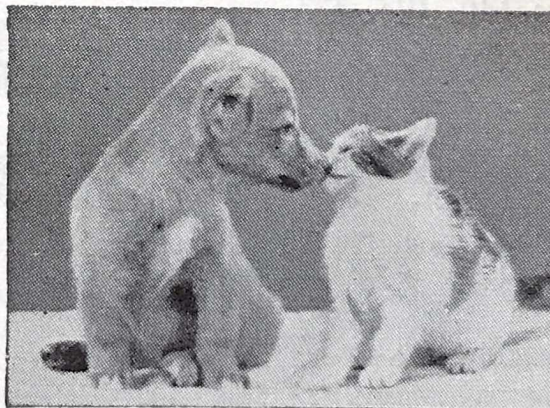

From a recent Medical Journal :

“Over-ambitious claims are associated with practically all medical ‘discoveries.’ After the early period of exuberance wanes, use of a substance or a technique is likely to be modified—or abandoned entirely.”

Man's inhumanity to man we well know, but man's diabolical experiments on the Animal Kingdom within the closed and law-protected doors of the numerous vivisectional laboratories can only be made public by dedicated and devoted animal lovers.

VIVISECTION is Cruel, Useless and Misleading.

If you are a Christian, if you believe that all life is one, it is your task and duty to actively bear witness against experiments on all living things.

Offer your help today, take your stand with

THE FOREIGN WHITE WITCH HUNT

There's a witch hunt on in the world of cats
But not for those with the big black hats,
They fly when the darkest nights abound
At Hallowe'en; and they make no sound
As they float on high—their broomsticks astride.

For we have witches with no broomsticks straight,
Our witches are out to captivate.
Are you bewitched yet—by a coat so white?
Are you bewitched yet—by a blue eye so bright?
Are you bewitched yet—by a fairy in flight?
Are you bewitched yet—by a . . .
