SHOW RULES AND REGULATIONS

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy, and is open to all.

Any Exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show must produce a veterinary surgeon's clearance certificate stating that the cat(s) and/or Kitten(s) in question was recovered on a specific date and/or that there were no further outbreaks in the cattery.

All Exhibits must be accompanied by owner or representative and must be transported in a suitable container. No exhibits will be accepted on lead only. Exhibitors must provide their own food, sanitary pans and drinking bowls. Peat moss is provided at the Hall. TALLIES will be forwarded to each Exhibitor and must be hung round the neck of each exhibit by means of a white ribbon or tape.

Exhibits actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

Prizes will be paid from the Judges' award slips, and cats will be sold from entry forms and not from catalogues.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. White blankets, WITHOUT MARKINGS (no lacey or cellular blankets allowed), and sanitary tins must be provided by the Exhibitor.

The right to cancel or amalgamate classes is reserved.

Early Removals. No early removals. Failure to observe this rule will result in forfeiture of prize money.

NOTE.—In an effort to avoid Kittens being stolen, exhibits will only be allowed to leave the Hall on production of a signed pass-out for each exhibit. Breeders selling Kittens during the Show may obtain a pass-out for this Kitten from the Show Managers.

All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.

MEMORANDA

Warning. Breeders and owners are hereby warned by the Governing Council of the Cat Fancy and the Officials of the M.C.C.C. against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

Special Prizes. It will be noticed that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for 1973 to avoid disappointment.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants, or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left projecting into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the Show Managers.

Exhibitors are responsible for the correct description of their Cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

Prices of Cats do not include baskets or blankets. All Cats and Kittens are examined by a Veterinary Surgeon and passed as free from all disease before admission to the Show, but the Midland Counties Cat Club cannot hold themselves responsible for Cats and Kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens.

Exhibitors wishing to advertise for sale a Cat or Kitten must apply at the Secretary's table for an official "For Sale" card.

Any Exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.00.

Free Litter Trays are not provided. White Litter Trays of adequate size must be provided and warm white blankets. Large weave blankets are not allowed as the cats's claws get caught in them.

Rusty or chipped trays or discoloured blankets are not acceptable. Powdering of the exhibits in the Show Hall is prohibited, G.C. Rule 9. Drapes are not allowed in pens.

Coloured hot water bottles must be placed in white covers. Food and milk must be removed from the pens before judging.

Judges are empowered to withhold any prize or championship in any Class if the exhibits do not in their opinion possess sufficient merit.

Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

The right to cancel or amalgamate Classes is reserved.

All complaints must be made in writing within seven days to the Show Manager.

The G.C.C.F. rules that no Cat or Kitten may be exhibited more than once within 14 days.

DEFINITION OF CLASSES

CHAMPIONSHIPS

When the number of exhibits in the two classes, i.e. Open Male and Open Female Classes, is below seven, only one certificate should be given. If, however, the winner of the opposite sex be of very high quality, the Judge may be empowered to give the second championship.

CHAMPION OF CHAMPIONS (Grand Championship). As from 1st June, 1973, this class will not count as an Open Class, and only two awards will be made, i.e. First Prize, with a 'runner-up' or reserve in case of disqualification. The qualifying number in the class is abolished. The winner may come up for Best-in-Show. A cat may be entered in both the Open Class and the Champion of Champions Class.

PREMIER OF PREMIERS (Grand Premiership). The above rulings apply also to this Class.

Veterinary Surgeons appointed by Clubs to pass Cats are instructed not to admit Cats which are obviously in kitten nor male Cats which are either monorchids or cryptorchids. No nursing queen may be entered as an exhibit within two calendar months of the date of kitting, such period to date as to the opening of the Show.

ACKNOWLEDGEMENTS

The Officers and Committee acknowledge with grateful thanks the Donations, Special Prizes, Guarantees and Advertisements offered by Members and Friends.

We would like to thank the Judges for coming, the Stewards for their hard work, and the many who offered their help during the Show.

Finally, we hope you enjoyed the Show and will return next year.

It would be appreciated by the Show Managers and Committee if Winners of Special Prizes would thank the donors personally.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

FELINE ADVISORY BUREAU

Statement

The Committee of The Feline Advisory Bureau is pleased to be able to announce that during the past 12 months, membership and affiliation applications have been received in numbers exceeding our most optimistic expectation. This, therefore, means that the finances of the Bureau are in a sounder position now than they have been for some time. At the same time, we, through kind sponsorship, have been able to up-grade the standard of our quarterly Bulletin and improve the workings of the secretarial office.

The support has been such that a Conference has been arranged for 22nd SEPTEMBER, 1973, at Liverpool University (and NOT as had been projected in late 1974).

In addition, the Committee is undertaking complete re-organisation of its list of Approved Catteries to meet the unexpectedly large number of requests for this information from the cat-owning public.

The Library and lists of Special Publications continue to expand monthly and the Committee recently published a formal statement on its official views on the subject of cat research and vivisection which will serve to re-assure concerned members of the Cat Fancy.

The Committee would like to take this opportunity of thanking its loyal members for their support in the past and for their perseverance during the change-over of its officers and looks forward to extending a welcome to many new members in the future.

Full membership details are available from :
