## GENERAL REGULATIONS AND SHOW RULES

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all.

The exhibits will be received at the entrance to the Show Hall on Saturday, 18th August, from 8 a.m. to 9.45 a.m. Judging will commence at 10. a.m.

All exhibits must be examined by the Society's Hon. Veterinary Surgeons before being penned. All exhibits, which in their opinion, are unfit for exhibition, will be returned to their owners and all entry fees will be forfeited. Any exhibitor who pens his cat before it has been examined by the Veterinary Surgeon will be disqualified from competition and all fees paid forfeited. No Queen in kitten may be exhibited, and no nursing Queen may be exhibited within two months from the date of kitting. All exhibits must have clean ears and be free from vermin. Veterinary Surgeons appointed by the Society are instructed not to admit male cats which are either Monorchids or Cryptorchids.

Any cat found to be suffering from the effects of drugs on entry, or at any time during the Show, will be subject to expulsion from the Show and all fees paid forfeited.

Any cat or kitten found to have had its claws removed will, on examination by the Veterinary Surgeons, be debarred from the Show.

All exhibits must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on lead only.

All exhibits must be accompanied by their owners or owner's representative.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging, and judges are instructed to pass any pens so distinguished. ADEQUATE WARM WHITE BLANKETS WITHOUT MARKINGS AND SUITABLY SIZED SANITARY TINS MUST BE PROVIDED BY THE EXHIBITORS. Hot water bottles may be used provided they are put under the blankets.

Cat Litter is provided in the Hall. Tallies will be forwarded to each exhibitor and must be hung round the neck of each exhibit by means of a WHITE ribbon, tape or elastic.

Any exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No exhibit may be removed from its pen except by the owner or an official of the Society.

All exhibits (except those entered in Household Pet classes) must be registered with the Governing Council of the Cat Fancy. Registration Forms can be obtained from Miss P. Saunders, 50 Marine Parade, Brighton, BN2 1PH (all breeds except Siamese), and Mr. A. E. Philpot, Four Seasons, Bitchet Green, Sevenoaks, Kent (Siamese only). All registered cats which have changed owners since registration MUST be transferred at least three weeks before the Show.

The prescribed declaration on the Show entry form that the exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Society's rules and regulations must be signed and forwarded to the Show Manager with the correct entry fees. If a cat belongs to more than one person, both must be members to compete for Cups etc. offered by Clubs.

No cat or kitten may be removed from its pen before 5.30 p.m.

The Show will open to the public from 12 noon to 5.30 p.m. Entrance fee: Adults 20p, Children 10p.

The Governing Council of the Cat Fancy rules that no cat or kitten may be exhibited more than once within 14 days from the same household.

**Any Other Variety.** Cats and Kittens entered as Breeds 13a and 26, may only be entered in A.O.V. Open Classes, and in such further classes as Clubs may decide to put on for them.

Any exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show, should produce a Veterinary Surgeon's clearing certificate stating that the cat(s) in question had recovered on a specific date and/or that there have been no further outbreaks in the cattery. This must be done before entries can be accepted from such an exhibitor.

## MEMORANDA

Entries must be accompanied by the proper amount of fees, otherwise they will not be accepted.

All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.

**Registrations.** Fanciers should register their cats and kittens in good time. If they leave it to the last moment, and the names they submit are not available, they may not receive their registration in time to enter.

**Special Prizes.** It will be noticed that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for this year to avoid disappointment.

The Society's Committee have the absolute right to fix and limit the number of exhibits at their shows, and to select, accept and refuse any offers of exhibits and fees from members or others at their discretion without giving a reason for so doing.

Exhibits are only received on the condition that the Society shall not be responsible for any loss or damage to cats, boxes or baskets or in any other way.

No stud advertisements or written matter of any kind other than the official award cards may be put on pens.

Exhibitors wishing to advertise a cat or kitten which is not priced in the catalogue must apply at the Secretary's table for an official "For Sale" card.

All exhibits must be entered in the appropriate open class and at least two others.

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. No judge shall bring out more than one cat for Best in Show, no matter how many different varieties he may be judging.

## **protect him now** **against feline infectious enteritis** **the killer disease**

Cat Killer No. 1 – Feline Infectious Enteritis – spreads like wildfire. And it's still common. You can't shut your kitten up against infection. And once he contracts it, there's little that you – or even your veterinary surgeon – can do to save him. Too late to be sorry, then.

### **Don't let it happen**

When your kitten is 7 weeks old go along to your veterinary surgeon and ask him about protection with Fiovax TC. He may well decide that the risk of disease in your area justifies a first dose at this stage. A dose at 12 weeks of age is essential whether or not one is given earlier.

Kittens over 12 weeks and adult cats may be immunized with one injection only.

Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

The right to cancel or amalgamate classes is reserved.

Exhibitors are forbidden to carry their cats round the Show Hall, and they must not be held in such a way as to annoy other cats.

Entries should be sent before 7th July, 1973, to Mrs. M. A. Wilson, "Amberley", Verwood, Dorset. Exhibitors are responsible for entering their cats and kittens in the correct classes.

**WARNING.** Breeders and owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling whole litters to one buyer, as unfortunate consequences may follow.

## **ACKNOWLEDGEMENT**

The Committee wish to express sincere thanks to all who are in any way supporting this Show.

## **SPECIAL NOTICE**

**Work by the University of Bristol, Department of Veterinary Medicine,  
on the causes of "cat 'flu".**

Members of the above Department will be present at the Show and asking for your co-operation. They set out the summary of their objectives in the following note:—

"We are working with the two viruses which cause "cat 'flu". These viruses are sometimes carried in the throats of normal healthy cats. To help us find out more about the spread of this disease, we are carrying out a survey on viruses from normal cats. If you would let us take a mouth swab from your cat we would be most grateful. All the results will be treated strictly confidentially, but if you wanted to know the results for your individual animals we would be pleased to let you know."

The Three Counties Cat Society feels that any work which might result in a further knowledge of this dreadful disease would be beneficial to us all, but we do wish to emphasise that your co-operation in the manner requested is definitely on a voluntary basis and is in no way connected with the activities of the Show, nor can the Society accept any responsibility for any actions which might ensue.
