SHOW RULES AND REGULATIONS

IMPORTANT.—Please read these Rules, they will be strictly adhered to.

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all. A set of G.C.C.F. Regulations are enclosed and should be read by all Exhibitors.

The Exhibits will be received at the entrance to the Show Hall on Saturday, November 10th, 1973, from 8 a.m. to 9.30 a.m. There will be NO overnight penning.

Each Exhibit will be examined on arrival by the Club's Hon. Veterinary Surgeons. No Exhibit can be penned before being examined by them. Failure to observe this will result in disqualification of the Exhibitor from competing. Cats and Kittens must have clean ears and coats free from pests. Strict adherence to this rule must be demanded.

Cats which are found unfit for exhibition will be removed from the Hall immediately and all other Exhibits from the same cattery, and the owners of same, shall be forbidden entry to the Show and all entry fees will be forfeited.

Where an Exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Vet. the reasons, and accordingly notify the Secretary of the G.C.C.F. within 48 hours of the close of the Show, with a copy of the reasons to the Exhibitor concerned. Any Exhibitor whose Exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show must produce a Veterinary Surgeon's Clearance Certificate stating that the Cat(s) and/or Kitten(s) in question was recovered on a specific date and/or that there were no further outbreaks in the cattery.

All Pedigree Cats and Kittens (entire or neuter) exhibited at a G.C.C.F. Show must be registered. This excludes Household Pets or Non-Pedigree Cats and Kittens. All registered Exhibits which have changed ownership must be transferred to the new owner 21 days before the date of the Show.

No Cat or Kitten (entire or neuter) born after 19.10.71 with one or both parents unregistered shall be eligible for OPEN CLASSES at Championship Shows or Sanction Shows.

The prescribed declaration on the Club Show entry form that the Exhibitor is the bona-fide owner of the Exhibit, and that the Exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Managers with the entry fee. Entries accompanied with the wrong amount of fees will not be accepted. If the Cat or Kitten belongs to one or more persons, each person must sign the declaration and ALL must be members to compete for Cups, etc., offered by Clubs.

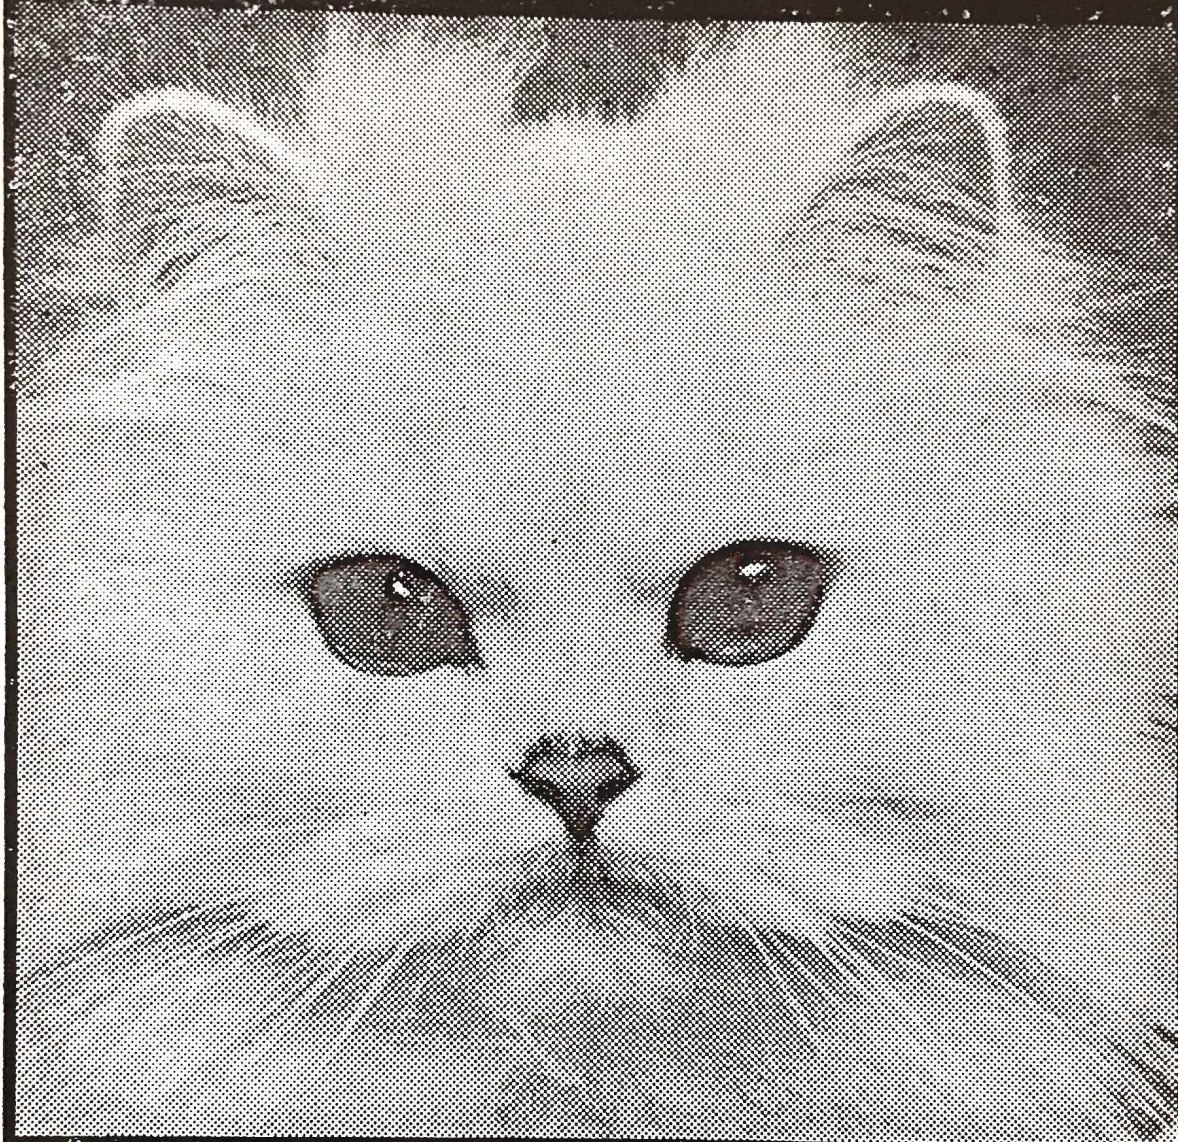

All Exhibits must be accompanied by their owner or representative. Exhibitors must provide their own food, sanitary pans and drinking bowls, both these articles MUST BE WHITE. Every Exhibit MUST have a clean, plain, white blanket to lie on and hot water bottles are permitted provided they are in plain white covers. None of the equipment must bear any distinguishing marks. No interior or exterior decoration or objects will be allowed in the pen under any circumstances. No Stud advertisements, written or printed matter, other than official award cards, may be put on the pens. "For Sale" cards (price 2½p) may be obtained from the table, and only displayed when the Open Classes have been judged.

Exhibits actually received into the Show Hall cannot be removed without the sanction of the Committee. They are then also only received on condition that the Club shall not be held responsible for any loss or damage to Cats, boxes or baskets, or in any other way. No Exhibit may be removed from its pen before 6.0 p.m. unless early removal has been applied for with the Entry, and which may be granted on request to Exhibitors who live over 75 miles from the Show Hall.

The Show will be open to the public from 12.30 p.m. to 5.0 p.m. Admission; 20p Adults, 10p Children and Old Age Pensioners. Judging will commence at 10.0 a.m. prompt. Exhibitors may view the judging from the outer perimeter of the Hall. No Exhibitor will be permitted in the aisles before the admittance of the public at 12.30 p.m.

The Club would like to point out that Exhibitors, their friends and/or their children who accompany them to the Show should purchase their Entrance

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

Tickets when they complete their Entry Forms. This will be in the best interest of the Exhibitor, otherwise he or she will be asked to vacate the Hall and join a queue outside for re-admittance.

Entries will not be accepted from Judges officiating at this Show or from any member of the Judge's household.

Exhibitors are responsible for the correct description of their Cats and for entering them in correct classes when completing their Entry Forms for the Show. Failure to do so can result in the delay for sending out prize money after the Show.

TALLIES will be forwarded to each Exhibitor, which must be hung round the Cat's neck by means of WHITE TAPE, RIBBON or ELASTIC, which must not be removed until after the Best in Show Judging. In case tallies do not reach the Exhibitor, application should be made at the information table.

The Club reserves the right to fix and limit the number of Exhibits at the Show and to accept or refuse any entry without giving a reason, and reserve the right to publish a catalogue of the Show containing information as to the Exhibits and names and addresses of Exhibitors. Marked Catalogues may be obtained for 60p.

Veterinary Surgeons appointed by the Club are instructed not to admit any cats which are obviously in kitten, or male cats which are either monorchids or cryptorchids. No nursing queen may be entered as an Exhibit within two calendar months from the date of kitting, such period to date as to the opening of the Show.

Judges are empowered to withhold any prize or championship in any Class if the Exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judges' award slips. No Judge shall bring out more than one Cat, Kitten and Neuter from each Section for Best in Show, no matter how many different varieties he may be judging.

Should any Judge be prevented from fulfilling their engagements, the Club reserves the right of appointing other Judges in their stead. The right to cancel, amalgamate or split classes is reserved, as is also the right to appoint further Judges.

G.C.C.F. Rules state that in any Class Judges may be changed in the course of the Show in any emergency with the consent of the Show Manager. Referee Judges shall be abolished and in their place the Show Manager shall call in a recognised judge of that breed or group whenever is necessary to decide a difference of opinion between Judges.

Cats and Kittens must be entered in at least three Classes, but a separate fee for each Class must be paid. No Cat or Kitten should be entered in more than twelve Classes.

No Kitten can be entered or shown in Adult Classes unless stated for "Cat or Kitten". Cats and Kittens registered as Breeds 13a and 26 may only be entered in A.O.V. Open Classes and in such further Classes as Clubs may decide to arrange for them.

NO CAT OR KITTEN MAY BE EXHIBITED MORE THAN ONCE WITHIN FOURTEEN DAYS. THIS RULE INCLUDES ALL OTHER CATS AND KITTENS FROM THE SAME CATTERY.

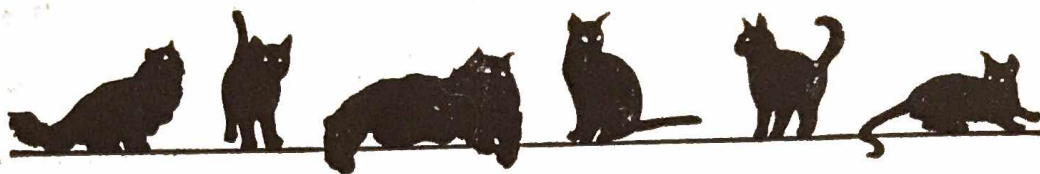

ALL CORRESPONDENCE MUST BE ACCOMPANIED BY A STAMPED ADDRESSED ENVELOPS IF A REPLY IS DESIRED.

NOTICE. Any Cat found to be suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the Veterinary Surgeon.

WARNING. Breeders and owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling WHOLE LITTERS to one Buyer as unfortunate consequences may follow.

An announcement in "Fur and Feather" of any alteration or additions in the Schedule or in these Regulations shall be deemed sufficient notice thereof.

FELINE ADVISORY BUREAU

Statement

The Committee of The Feline Advisory Bureau is pleased to be able to announce that during the past 12 months, membership and affiliation applications have been received in numbers exceeding our most optimistic expectation. This, therefore, means that the finances of the Bureau are in a sounder position now than they have been for some time. At the same time, we, through kind sponsorship, have been able to up-grade the standard of our quarterly Bulletin and improve the workings of the secretarial office.

The support has been such that a Conference has been arranged for 22nd SEPTEMBER, 1973, at Liverpool University (and NOT as had been projected in late 1974).

In addition, the Committee is undertaking complete re-organisation of its list of Approved Catteries to meet the unexpectedly large number of requests for this information from the cat-owning public.

The Library and lists of Special Publications continue to expand monthly and the Committee recently published a formal statement on its official views on the subject of cat research and vivisection which will serve to re-assure concerned members of the Cat Fancy.

The Committee would like to take this opportunity of thanking its loyal members for their support in the past and for their perseverance during the change-over of its officers and looks forward to extending a welcome to many new members in the future.

Full membership details are available from :

You probably enjoyed your holiday this year, but did your cat? Did he have his own comfortable house with free access to his own run? Was he fed his favourite foods? Were his quarters cleaned daily and every attention paid to his comfort and well-being with a little bit of fuss when he wanted it?

We offer this, and more. Every cat and kitten entrusted to our care is "special." The houses/runs are sited under trees which afford welcome shade on hot days, the runs are paved, enclosed in weldmesh and roofed so that even on wet days the cats can get out to the runs if they wish. Well-cared-for cats show no inclination to escape, but we have double doors as a precaution. We feed fresh fish, best English beef, rabbit, chicken, and stock all tinned and dried foods.

Most important, we protect the cats with TEGO MHG, the only disinfectant "highly recommended" by the Feline Advisory Bureau. This is effective and odourless, having no smell to offend the cats' sensitive noses.

The cattery comprises 27 individual houses with runs ranging upwards from 8 ft. x 4 ft.

This Club has been organised to protect the interests of the Seal-Point Siamese Cat

There are very few pure Seal-Point strains left, and an effort is being made to encourage the pure colour breeding of the beautiful Royal Cat of Siam.

We shall be pleased to check pedigrees from the records and advise on any breeding problems.
