GENERAL REGULATIONS AND RULES FOR THE SHOW

The Show will be open to the public at 12.30 p.m. until 5.30 p.m. Admission: Adults 20p, Children and O.A.P. 10p.

Exhibitors will not be allowed on the Hall Floor whilst judging is in progress before 12.30 p.m.

Exhibitors are reminded that the use of sprays of any kind is forbidden.

An exhibit may not be removed from its pen except by the Exhibitor, a Judge, or a Steward acting for a Judge. Exhibitors are requested to keep their cats in their pens at all times, except for necessary grooming, etc., as close proximity to other cats may lead to exhibits' distress and discomfort.

Catalogues 25p each. Marked Catalogues 60p each.

Exhibitors and visitors are strictly forbidden to interfere with or remove from its pen any exhibit other than their own without the consent of the Show Manager under penalty of a fine not exceeding £5.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on the pens.

Exhibits at the Club's Shows are received only on the condition that the Club shall not be responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

The G.C.C.F. strongly recommends that Cats or Kittens bought at Shows should only be taken away in proper containers, but intending purchasers are warned about the possibility of infection when taking a kitten straight from a Show.

Judges may be changed during the course of a Show, in an emergency, with the consent of the Show Manager.

Exhibits nominated for Best in Show may be withheld from taking part if the owner wishes.

Warning: Breeders and owners are hereby warned by the Governing Council of the Cat Fancy against the danger of selling **whole litters to one buyer**, as unfortunate consequences may follow.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

Japan Animal Welfare Society Ltd.

DO NOT EXPORT TO JAPAN

Cats are becoming increasingly popular, particularly the long-haired varieties and Seal-Point Siamese

YOU SHOULD KNOW

THAT pure bred cats are kept confined in cages all their lives. It is dangerous to let them free, and all animals are considered dirty creatures by the fastidious Japanese.

THAT if a cat is ill or no use for showing or breeding, it will be abandoned on the streets to die according to its fate . . . caught for musical instrument skins (death by skull crushing) or to be sold for research.

THAT cats are mainly used for brain surgery experiments in research, where it is commonplace for post-operative cats to die from wound infection caused by scratching out the electrodes, lack of any post-operative care, and from refusal to eat.

THAT whole rooms of pre-and post-operative cats are decimated by virus and respiratory infections, due to no isolation or conditioning of new cats who are put straight into the same rooms from off the streets.

THAT during 1972-73, Hanshin, the only public rescue centre in Japan, dealt with 1,391 cats and kittens and 1,950 dogs and puppies. Suitable homes are almost impossible to find . . . only 12 dogs were placed . . . all other animals have to be painlessly destroyed after initial treatment and short-term care by the same hands which have eased their suffering.

PLEASE HELP US TO HELP THEM

In pain from sickness and injury, cats have no National Health Service to help them. And many devoted owners simply cannot afford to pay for veterinary treatment. These are the people for whom the People's Dispensary for Sick Animals was founded more than 50 years ago. Today the PDSA treats nearly a million cases a year, many of them cats, in the U.K. alone, and is also hard at work overseas. To provide the best possible treatment, on a par with the best in private practice, the Society's fully qualified veterinary staff are currently being provided with new and modernised Animal Treatment Centres throughout the country. To pay for these, and so relieve the suffering of thousands of cherished pets whose owners cannot afford vets' fees, the PDSA is ENTIRELY DEPENDENT ON VOLUNTARY CONTRIBUTIONS.

Please send donations and legacies, or addressed enquiries, to the

PEERLESS

BURMESE AND PEDIGREE BRITISH SHORTHAIRES

Our latest introduction to the Fancy is here on show today—**CHINCHILLA SHORTHAIRES**. Orders can now be placed for these fabulous kittens.

Our Burmese studs continue to sire kittens of outstanding quality. They are both available at a stud fee of £6.30 plus return carriage, to approved queens.

CH. BELCANTO TRISTAN (3 C.C.'s). Sire: Arboreal Sitta. Dam, Ch. Arboreal Blue Leela. This male has sired three Champions at one litter.

CH. PEERLESS SUKOVA (5 C.C.'s). Sire, Ch. Kasi Midnight Velvet. Dam, Skotos Quinish. His progeny won many prizes last season both here and abroad.

We take this opportunity of introducing our new stud, who will be available to a limited number of queens in his first season. He is now a proved sire and carrying both Blue and Chocolate, should be an asset to Northern breeders. He had a spectacular show career as a kitten, and has got one Challenge Certificate at his first adult show.

PURRLYNE KRASNAYA SVEZDA
