The President Writes:

The Bedford and District Cat Club annual show is now recognised as one of the major events of the cat year. As President, it is my pleasure to welcome you to the 1974 show, which I am sure you will enjoy.

Your presence indicates your interest in cats and their welfare. This, of course, is a major concern of the Bedford and District Club. As a veterinary surgeon I, like my colleagues in practice, am acutely aware of the problems which result from undoctored cats roaming at large in our towns and countryside.

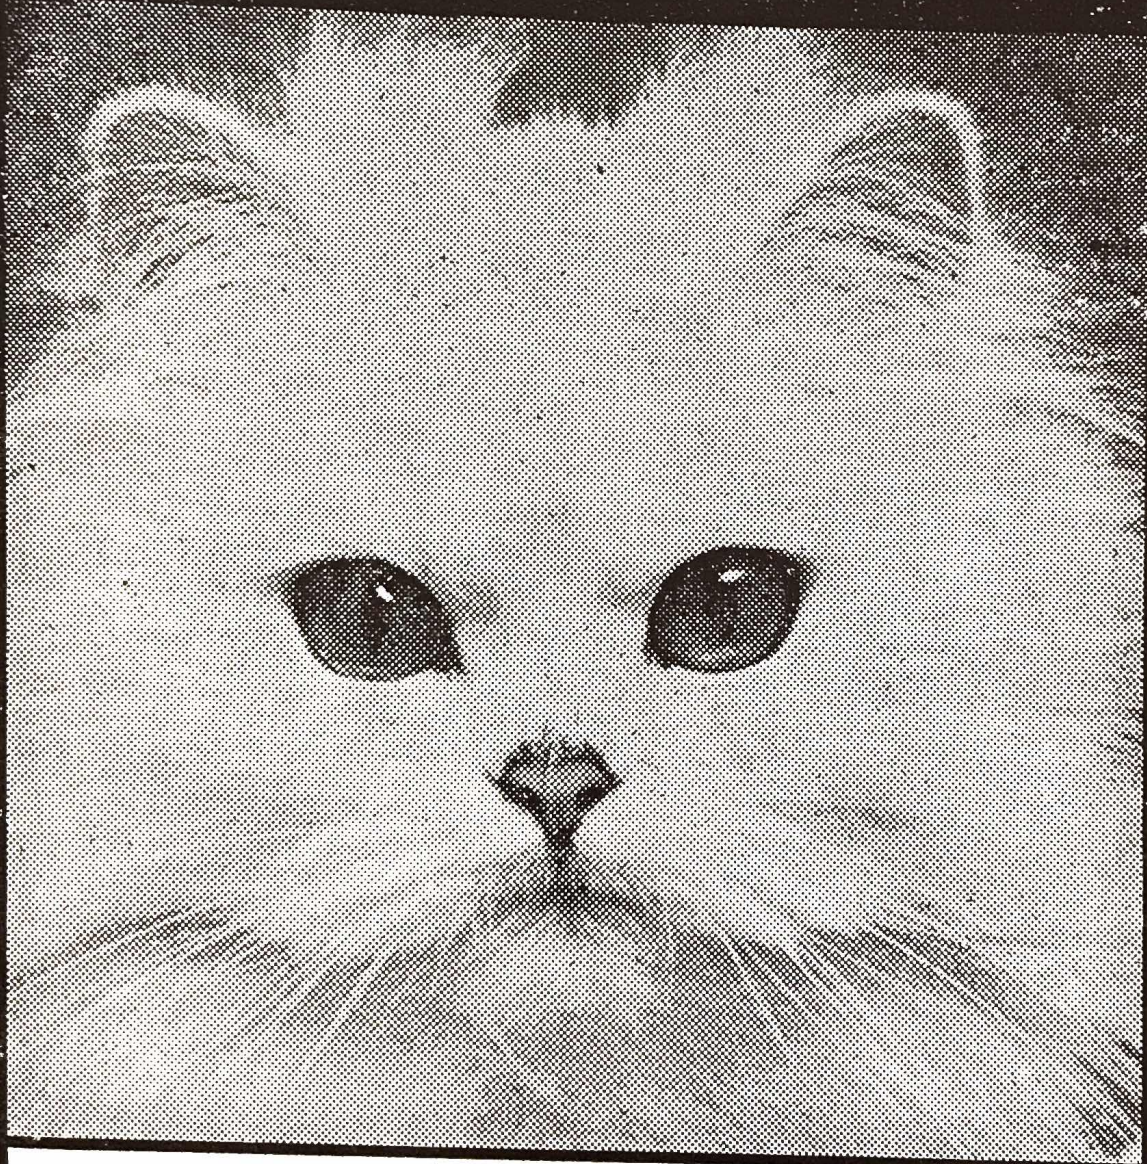

The tom cat, because of his need to be master of a large territory, will attack other cats, especially in spring and summer. When cats fight, the bite wounds are always infected and often result in large unpleasant abscesses which sometimes require lengthy treatment. Cat bites are one of the conditions seen most frequently in our consulting rooms.

Undoctored females can produce several litters each year, resulting in many strays, and as you will be aware from recent publicity, the stray cat population is increasing year by year. The Bedford and District Cat Club's campaign to persuade owners to have cats neutered, if they are not to be used for breeding, will be welcomed by all those interested in cat welfare. You can help the club—and your cat—by supporting this campaign and making sure it gets the widest possible publicity.

It must be quite obvious to everyone that a show of this size requires an enormous amount of preparation and hard work on the part of the organisers. We all owe a considerable debt of gratitude to the stewards, veterinary surgeons, officials, members and helpers who have given so generously of their time. Above all, I would thank on your behalf the show managers, Mr. M. J. Warde and Mr. J. A. Shewbridge, who have organised the complex proceedings with such expert precision. We are also grateful to the Mayor and the good citizens of Dunstable for once again allowing us to use their magnificent facilities for the show.

HENRY CARTER.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

Wish you were here.*

Not everyone looks forward to holiday time.

For some pets it can mean isolation, starvation, and even death.

Because of selfish, unthinking cruelty. By owners solely concerned with their own enjoyment.

We receive no State Aid. So we need all the help we can get.

Exhibitors are reminded that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for 1974 to avoid disappointment.

Prize money will not be given in any of the Open Classes, instead a Special Club Medallion will be awarded to each of the first, second and third place winners.

In respect of the CHAMPION OF CHAMPIONS Classes it has been decided that Special Rosettes will be given—Gold for First Place (irrespective of whether a Certificate has been won), Silver for Second and Bronze for Third. PREMIER OF PREMIERS will also be awarded similar Rosettes.

It is felt that a trophy is more tangible evidence of your Cat's success. Prize money will be awarded in all other Classes as usual.

BEST OF BREED ROSETTES will be awarded. All those taking part in the Champion of Champions and Premier of Premiers will be considered when it comes to judging the "Best of Breed" and also any award listed in the Catalogue.

In accordance with the practice initiated by this Club, Best of Show Nomination Cards will be awarded as usual.
