MEMORANDA

The Committee will be most anxious for the care and safety of the exhibits, but it must be understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any cats or other property, whether arising from accident or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

Exhibitors are forbidden to carry their cats round the Show Hall, and they must not be held in such a way as to annoy other cats.

You will notice that Judges and Stewards disinfect their hands after handling the exhibits. This is to prevent any infection being passed from one cat to another. Therefore, please do not touch the cats in their pens, as this may lead to the transmission of disease.

STALLS

During your visit to the Show, please call at our Pet Accessory Stall which is being run by Club members. There are also many lovely prizes to be won on the TOMBOLA and in the DRAW.

Your support will assist Club funds.

We would also draw your attention to the stall of the Feline Advisory Bureau, at which many items of excellent produce will be for sale.

ACKNOWLEDGMENT

The Committee wish to express their sincere thanks to the Clubs, organisations and individuals who have offered Special Prizes, Guaranteed Classes, and placed advertisements.

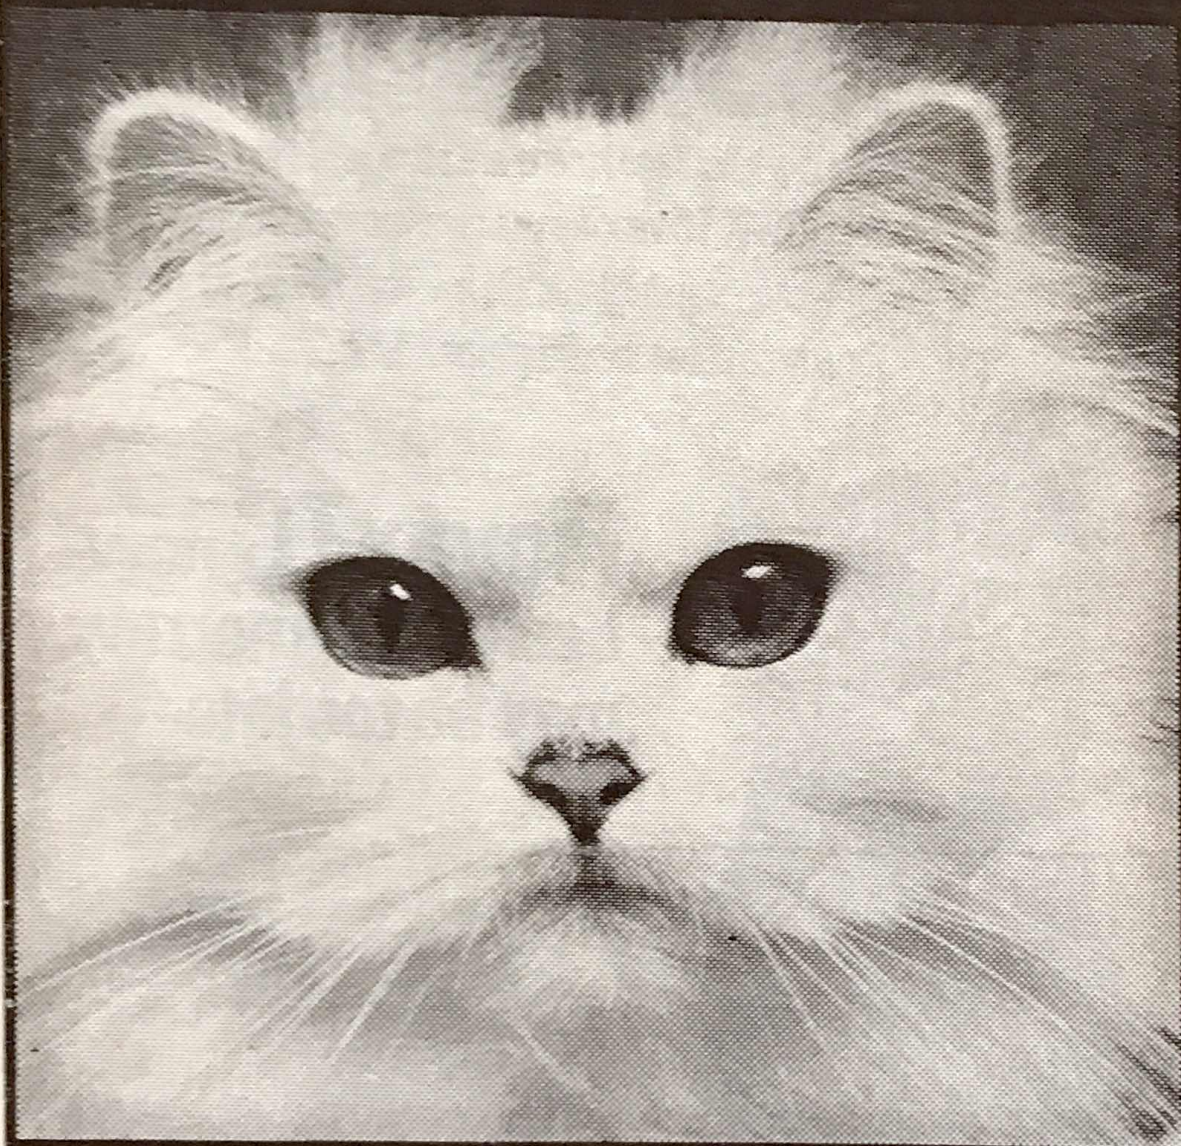

We would like to thank the Judges, Stewards and all those who helped before and during the Show.

We are grateful to Ellesmere Port Council for hiring their Civic Hall and trust that all exhibitors will co-operate in keeping the hall clean and use the litter containers provided.

Finally, thank you to all the cats and kittens who endure hours of restriction for our pleasure.

We hope you enjoy the Show and will come again next Show Season.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

CAT DISEASES

New disease conditions that affect our cats are encountered each year. In order to improve the chances of a long, useful and happy life for our cats, the Feline Advisory Bureau have been offered the opportunity to finance a

FAB SCHOLARSHIP IN FELINE MEDICINE

at the Veterinary School at Bristol

For this the FAB need

£2,500 a year

It may be your Champion who is struck down. If you want to help advance the knowledge that will save him or her, please send your donation to the fund that is raising the money for this scholarship, the CFFR (Central Fund for Feline Research).
