# *A Message from Our President*

The Officers and Committee of the Coventry and Leicester Cat Club take great pleasure in welcoming you to our 1974 Show and hope you will all have a very pleasant day.

It is now 21 years since a little group of local cat lovers decided it would be pleasant to have a local cat club; a meeting was arranged for anyone interested and so much enthusiasm was shown that the club was formed on the spot.

This was the year of the first LORD Mayor of Coventry and he gave a garden party in the local Memorial Park to celebrate the honour and we were offered a marquee! We set up a small exhibition of our own cats with beautiful floral arrangements by one of our founder members. We were honoured by the presence of the then Chairman of the Governing Council of the Cat Fancy, the late Miss Kathleen Yorke, accompanied by Mrs. Lamb, who gave the new club her official blessing! A lot of interest was shown by visitors and we collected quite a lot more members.

We then started to hold monthly meetings and to issue a magazine.

The aims of the club right from its inauguration were to cater for all cats and cat owners. Breeders of pedigree cats, owners of household pets, and the devoted band who were coping with the inordinate number of strays then abounding in the ruins and rebuilding of Coventry.

None of us had much money and funds were very limited: we held jumble sales and other money raising events to keep solvent. When we had our first shows we borrowed pens from the local fur and feather society and erected and took them down ourselves.

The problem of the city strays was always with us and a proportion of all money we raised was always placed at the disposal of the Strays Section. We enlisted the aid of Kit Wilson, who was at that time Liaison Officer of the Cats Protection League and the Strays Section became a C.P.L. post and finally a C.P.L. branch in its own right. It then separated from the club and operated on its own, with some financial aid from the club.

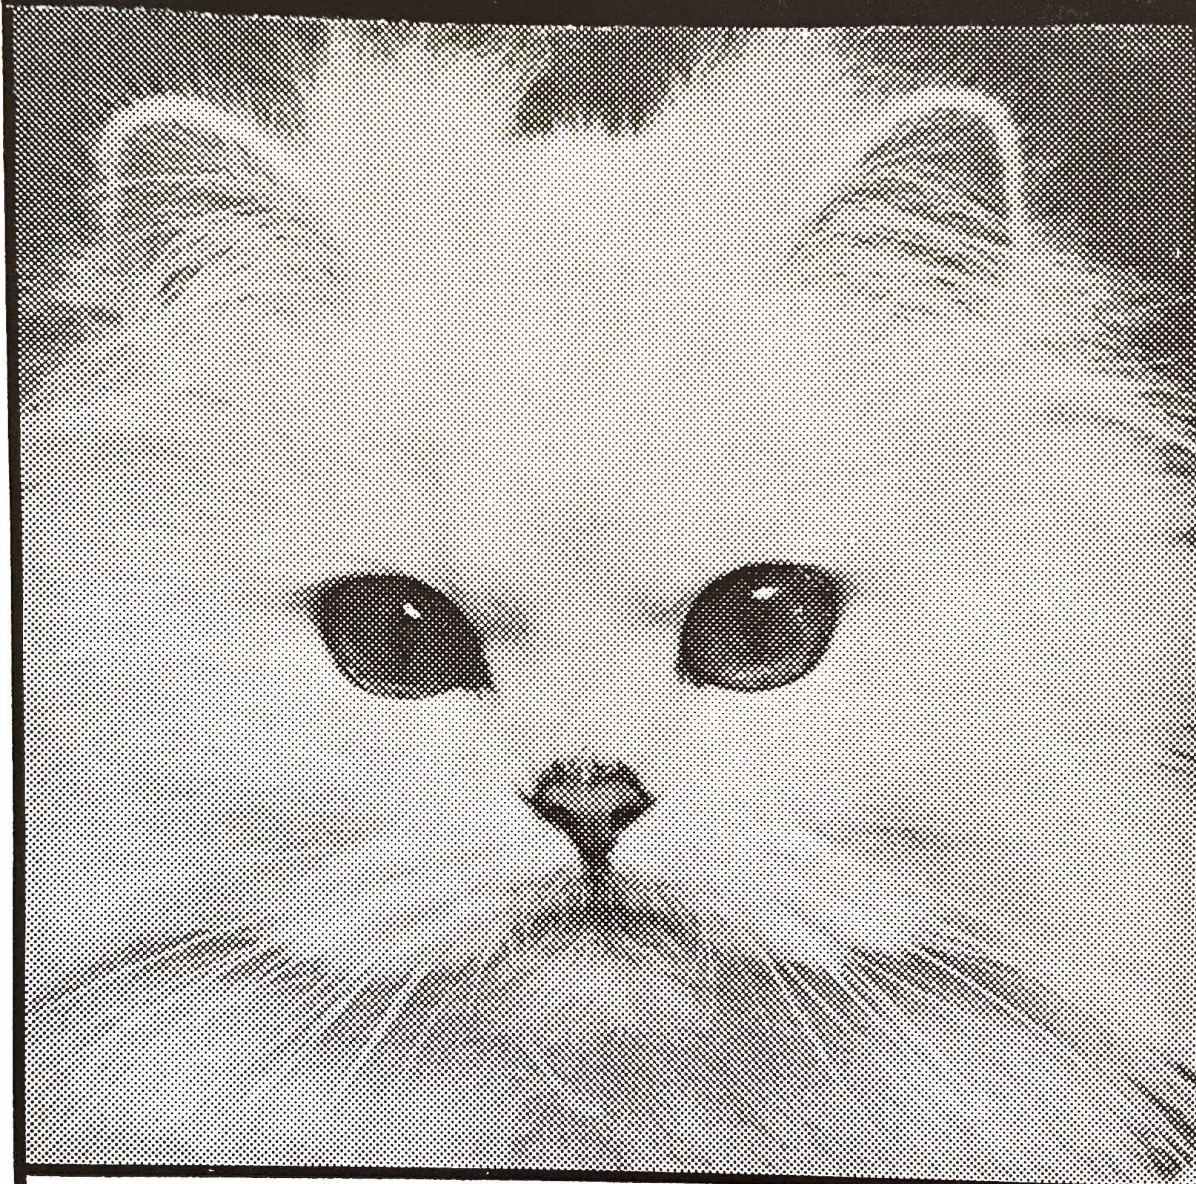

Our first show, held in the annexe to a local hotel, was mainly household pets, followed by several exemption shows, steadily growing sanction shows, and finally our first Championship Show, and so we have grown from the small beginnings to holding one of the largest provincial shows.

If you are not already a member and would like to join us, you will find us an interesting club to belong to with a regular programme of social events, an annual dinner and a journal giving all the club news and items of interest to cat lovers.

Have a happy day and come again next year.

MONICA THAKE,  
President.

Not everyone looks forward to holiday time.

For some pets it can mean isolation, starvation, and even death.

We receive no State Aid. So we need all the help we can get.
