It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

may be too late**

GENERAL NOTES ABOUT THE SHOW

This Championship Show is the eighth held by this Club since the war and is again being held in South Shields.

The rules for the Show are stated in the Governing Council of the Cat Fancy's General Show Rules and in the general regulations and rules for this Show detailed in the show schedule.

A Show such as this is a great event in the area. There is only one a year and it takes a great deal of organisation. There are almost 400 cats, and more than 20 judges are coming from various parts of the country to judge the many classes.

Our judges are all very distinguished people in the Cat Fancy and we are most grateful to them for giving up their time without reward to come so far for us.

The exhibitors, too, have come from far and wide, many travelling overnight. Without them and their beautiful cats and kittens there would be no show. We wish them every success and a happy day with us. May they return with memories of a happy show.

The main awards at the Show are the Governing Council of the Cat Fancy's Challenge and Premier Certificates. These can only be awarded to the winners of open classes for adults. A cat that wins three such certificates at different shows under different judges qualifies for the title of Champion—or, in the case of neuters, Premier.

The public who come to this Show are most welcome. So many cats together of so many different kinds is a great spectacle. We ask them to enjoy themselves and to ask exhibitors questions about the cats, but **please do not touch them** however appealing they are and under no circumstances feed them. Only the judges, stewards and individual owners may touch the cats once they have been vetted-in.

There are refreshment available, a tombola, a raffle and near the end of the day there will be the culmination of the proceedings, "Best in Show" judging.

The show is open to the public from 1pm to 5pm. No exhibitor may leave the show with his cats before 5pm so that people who have paid their entry money may see them.
