SHOW RULES AND REGULATIONS

IMPORTANT NOTE.—Exhibits will NOT be allowed in the Show Hall on Friday Night

The Exhibitions is held under the Rules of the Governing Council of the Cat Fancy, and is open to all.

The Cats will be received at the entrance to the Show on Saturday, March 30th, from 8.00 a.m. to 10.00 a.m., and judging will commence at 10.00 a.m. prompt.

Each Exhibit will be examined on arrival by the Club's Hon. Veterinary Surgeons, who will be in attendance. Cats which in their opinion are unfit for exhibition will be returned to their owners, and the Entry Fees forfeited. No exhibit is to be penned before being examined by the Club's Veterinary Surgeons. Any exhibitor so doing will be disqualified from competition and all fees paid forfeited. This rule must be strictly enforced.

Any Exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show must produce a veterinary surgeon's clearance certificate stating that the cat(s) and/or kitten(s) in question was recovered on a specific date and/or that there were no further outbreaks in the cattery.

All Exhibits must be accompanied by owner or representative and must be transported in a suitable container. No exhibits will be accepted on lead only. Exhibitors must provide their own food, sanitary pans and drinking bowls. Peat moss is provided at the Hall. TALLIES will be forwarded to each Exhibitor and must be hung round the neck of each exhibit by means of a white ribbon or tape.

Entries unaccompanied by the proper amount of fees will not be accepted. When entries are accepted, entry fees cannot be returned.

Registration. All exhibits must be registered with the Governing Council of the Cat Fancy. All registered Cats which have changed owners since registration must be transferred 21 days prior to the date of the Show.

No Cat or Kitten (entire or neuter) with one or both parents unregistered shall be eligible for **Open Classes** at **Championship** or **Sanction Shows**.

Neutered kittens shall still be eligible for all kitten classes unless there is an open kitten neuter class provided.

The prescribed declaration on the Club Show entry form that the Exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Club's Show Rules and Regulations, must be signed and forwarded to the Show Secretary with the Entry Fees. If a cat belongs to more than one person, both must be members to compete for Cups, etc., offered by Clubs.

All Exhibits must be entered in at least three classes, to include the OPEN.

A.O.V. and **A.O.C.** Cats and Kittens registered as Breeds 13a and No. 26 may only be entered in **A.O.V.** and **A.O.C. OPEN** Classes and in such further classes as clubs may decide to put on for them.

THE GOVERNING COUNCIL OF THE CAT FANCY RULES THAT A CAT OR KITTEN CANNOT BE EXHIBITED TWICE WITHIN A PERIOD OF 14 DAYS, NOR CAN ANY OTHER CAT OR KITTEN FROM THE SAME HOUSEHOLD.

Exhibits actually received into the Show Hall cannot be withdrawn from competition without the Committee's sanction.

Prizes will be paid from the Judges' award slips, and cats will be sold from entry forms and not from catalogues.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever (except those entered in Decorated Pen Classes) and it will be an instruction to the Judges to pass any pens so distinguished. **White blankets, WITHOUT MARK-**

C-VET ENTERITIS VACCINE

For the protection of cats
against the killer disease
feline infectious enteritis
(panleucopaenia)

Protection develops between 48 and 72
hours after inoculation.

One dose in cats over 12 weeks of age is
enough to stimulate immunity.

A booster dose is recommended after 2
years to ensure continuing protection.

Please consult your veterinary surgeon.

C-VET Limited Basingstoke Hampshire.

INGS (no lacey or cellular blankets allowed), and sanitary tins must be provided by the Exhibitor.

The Committee, on behalf of the Club, retain their exclusive right to publish Catalogues of their Shows, containing information as to exhibits names and addresses of exhibitors and reserve to themselves the right to refuse any entry without giving a reason.

Early Removals. No early removals. Failure to observe this rule will result in forfeiture of prize money.

Entries close February 23rd and should be sent on or before that date to Dr. and Mrs. W. A. Groom, "Nilgiris," Orchard Lea, Naunton Beauchamp, Pershore, Worcestershire.

All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.

MEMORANDA

Warning. Breeders and owners are hereby warned by the Governing Council of the Cat Fancy and the Officials of the S.H.C.S. against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

Special Prizes. It will be noticed that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for 1973 to avoid disappointment.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants, or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left projecting into the cages and that any gaps affording escape to exhibits be closed before leaving the Hall. Tie wires for this purpose may be obtained from the Show Managers.

Exhibitors are responsible for the correct description of their Cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

Prices of Cats do not include baskets or blankets. All Cats and Kittens are examined by a Veterinary Surgeon and passed as free from all disease before admission to the Show, but the Short-Haired Cat Society of Great Britain and Manx Club Inc. cannot hold themselves responsible for Cats and Kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens.

Exhibitors wishing to advertise for sale a Cat or Kitten must apply at the Secretary's table for an official "For Sale" card.

Any Exhibitor in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Managers, will forfeit any prize that may have been awarded to his or her Cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.00.

Free Litter Trays are not provided, but may be purchased at the Show. White Litter Trays of adequate size must be provided and warm white blankets. Large weave blankets are not allowed as the cat's claws get caught in them.

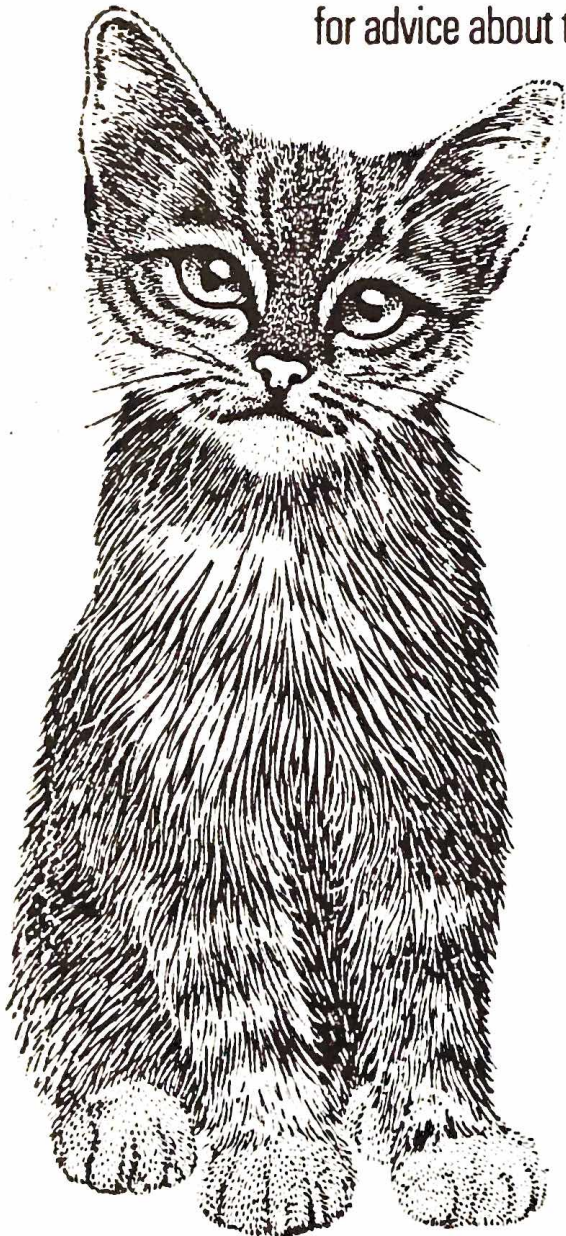

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

Rusty or chipped trays or discoloured blankets are not acceptable. Powdering of the exhibits in the Show Hall is prohibited, G.C. Rule 9. Drapes are not allowed in pens, except in the case of decorated pens.

Coloured hot water bottles must be placed in white covers. Food and milk must be removed from the pens before judging.

Judges are empowered to withhold any prize or championship in any Class if the exhibits do not in their opinion possess sufficient merit.

Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

The right to cancel or amalgamate Classes is reserved.

All complaints must be made in writing within seven days to the Show Manager.

The G.C.C.F. rules that no Cat or Kitten may be exhibited more than once within 14 days.

The Feline Advisory Bureau and Central Fund for Feline Research

(A Registered Charity founded in 1958 by Joan Judd)

Chairman: DR. R. C. POVEY, B.V.Sc., M.R.C.V.S.

Hon. Secretary: MICHAEL A. FINDLAY, B.V.M.S., M.R.C.V.S.

Hon. Treasurer: J. S. LANE, A.I.B., National Westminster Bank, Putney
153 High Street, London SW15 1RX

The Central Fund for Feline Research was set up by the Feline Advisory Bureau to raise funds to sponsor research into diseases which affect the feline species. It was the first such effort in the United Kingdom.

THE NEED FOR RESEARCH

Each year new disease problems arise to add to the list of poorly understood conditions affecting the cat and work must be done if even some of these problems are to be overcome. The F.A.B. has been offered, and has accepted, the opportunity to finance a F.A.B. Scholarship in Feline Medicine at the Bristol Veterinary School. This is a real opportunity to increase knowledge about the treatment and prevention of feline disease.

PREVIOUS C.F.F.R. SPONSORED RESEARCH

Upper Respiratory Tract Infection—research on the viruses which cause "cat flu."

Struvite Urethral Problems—the development of a new treatment and ways of preventing recurrence.

Hair growth—the nature of hair growth and hair replacement in the cat.

FINANCE

Lack of financial support has always held back research in feline disease problems. For the F.A.B. Scholarship we need:

£2,500 A YEAR

PLEASE SUPPORT THIS WORK by:

- Sending a donation to our Treasurer.
- Signing a Deed of Covenant (in the F.A.B. membership pamphlet).
- Leave a legacy to C.F.F.R. in your will.
- Support the Chairman responsible for Fund Raising by:
 - (a) making things to sell at the C.F.F.R. stand at cat shows.
 - (b) helping to "man" the stand.
 - (c) taking a collection tin.
 - (d) collecting Green Shield Stamps and donating them to the C.F.F.R.
 - (e) collecting used postage stamps.
 - (f) assisting with numerous fund raising ideas that occur from time to time (see the latest F.A.B. Bulletin).

This little cat in an old puppy cage at a veterinary college was being used to test Feline Infectious Peritonitis, but was already suffering from a respiratory infection before the experiment from which it was dying

JAPAN ANIMAL WELFARE SOCIETY LTD.

After many years of pressing for anti-cruelty legislation, JAWS welcomes the passing of the first Animal Protection Law by the Japanese Diet on 26th September, 1973, to be implemented in March, 1974. Means are now being devised to effectively administer this Law, and it is expected that JAWS will have a special responsibility for experimental animals in medical and veterinary laboratories. Conditions therein have remained notoriously poor, with one or two slightly improved exceptions.

The new Law makes no specific mention of the public trapping of cats for skins for the musical instrument trade, nor of the popular sport of dog fighting.

JAWS foresees a very much greater strain on its resources after March, particularly since Article 7 (4) states that prefectural governors and city mayors may consign the task of taking custody of dogs and cats to public corporations or other persons dedicated to the protection of animals, and Article 8 states that persons finding injured dogs, cats or other animals or the dead bodies of such animals in public places, must report them. Since it is known that between 2—4 million dogs have been annually abandoned, fit, sick or dying, and probably around the same number of cats (statistics are not kept of the latter), the extra work will be formidable.

Please help us build up our resources that we may be able to help more animals. Donations gratefully received by JAPAN ANIMAL WELFARE SOCIETY LTD., 73 George St., London W1H 5PJ (Registered Charity).

BOOK NEWS

MAY EUSTACE'S new book— MOSTLY ABOUT CATS

A winner from the first line. Highly readable narrative of a succession of cats which were Mav's first companions. From childhood to parenthood, the cats followed her. Kilkenny to Dublin and to the English North Country, to the Lake District and to Galway, evoking the essence of the beautiful places where the Eustace boys grew up.

This is a book to bring home with you. It will entertain and amuse the family. **£2.70**
