Dear Members and Friends,

I regret that again this year I will not be able to attend the Show. Even the shortest journey is difficult for me, so I do not leave home often. I will, however, be thinking of you all on the day and send my good wishes for another successful Show and enjoyable time together.

Sincerely,

J. F. PADDON,

President.

The Committee has decided that we should, in future, offer our front cover to the previous year's Supreme Best in Show. We are, therefore, pleased to feature our 1973 winner, Brown Spotted British Short-Hair GRAND CHAMPION BRYNBUBOO BOSSELOT, bred and owned by Mrs. P. H. Absalom, Wolverhampton.

'Bosse' was born in June, 1972, became a Champion at the Midland Show, 1973, and a Grand Champion at the National the same year. Apart from our B.I.S. win he was Best British Kitten at Bolton, March, 1973; Best British Cat, Bedford, 1973; and Best British Exhibit, Malvern, 1973. Our cover shows 'Bosse' at eight months old photographed by Ann Cumbers.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.
Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.
It really is a killer (and kittens are especially vulnerable).
Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

GENERAL RULES AND REGULATIONS RELATING TO THE SHOW

This show is presented under licence granted by the Governing Council of the Cat Fancy and is, therefore, subject to the Council's Rules.

The South-Western Counties Cat Club can accept no responsibility for any disciplinary action which may result from an Exhibitor's failure to comply with these Rules.

In addition to the G.C.C.F. Rules, the following Regulations shall also apply:

Exhibits will be received at the entrance to the Show on Saturday, September 21st from 8.00 a.m. to 9.45 a.m., where they will be examined by the Club's Honorary Veterinary Surgeons.

Exhibitors are reminded that cats and kittens brought to the Show must have clean ears and coats free from pests.

No decoration or distinguishing objects will be allowed in or on the pens during judging. **Plain white blankets,** with no distinguishing marks or features, and suitable white sanitary trays must be provided by Exhibitors. Peat moss will be provided by the Club for use in the litter trays.

Exhibitors will receive a tally for each entry and this must be fixed round the neck of each exhibit by means of a white tape or elastic. Tallies must not be removed until the close of the Show.

Exhibitors must enter cats and kittens in at least three classes, one of which must be the Open Class. No exhibit can be entered in more than twelve classes.

Exhibitors are responsible for entering their cats and kittens in the correct classes.

Cats and Kittens registered as Breeds No. 13a and No. 26 may only be entered in A.O.V. Open Classes and in such further classes as Clubs may decide to put on for them.

Any Exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No-one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this Rule is £5.

All Exhibitors are forbidden to carry their cats around the Show Hall and they must not be held in such a way as to annoy other cats, especially the adult males.

All correspondence requiring a reply must be accompanied by a **stamped addressed envelope.**

Any cat found to be suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the veterinary surgeons.

The Committee reserve to themselves the right to:

(a) Appoint other judges should those advertised be unable to fulfil their engagement.

(b) Refuse any entry without giving a reason.

(c) Cancel, amalgamate or divide classes.

No early passes will be given. The Show closes at 5.30 p.m.

Exhibitors may not remove their cats before 5.30 p.m. Anyone so doing shall forfeit all prize monies due to them.

NOTES

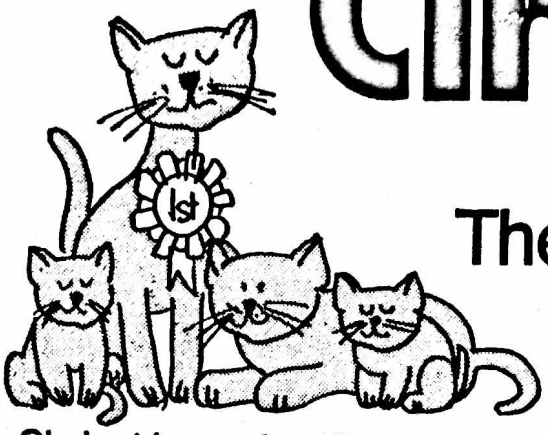

WARNING. Breeders and Owners are warned by the Governing Council of the Cat Fancy against the danger of selling whole litters to one buyer, as unfortunate consequences may follow.

The Club shall not be responsible for any loss or damage to cats, baskets, etc., and entries are only received on this condition.

After the closing date, 8th August, no entry fees will be refunded for any exhibits withdrawn unless request is accompanied by a Veterinary Certificate of illness and received no later than 14 days prior to the show.

It is recommended that all exhibits be inoculated against Feline Infectious Enteritis.

Cimicat®

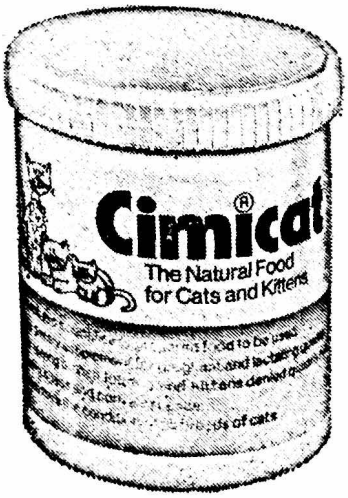

The Natural Food for Cats and Kittens

Cimicat is a scientifically prepared food for cats of all ages. It ensures proper digestion and thus prevents disorders caused by dietary deficiency. It gives the cat a smooth sleek fur, good health and vitality until an advanced age.

Cimicat:
* Nourishes cats of all ages.
* Ensures proper rearing of orphan kittens irrespective of age.
* Provides pregnant and lactating queens with all the essential substances for nutrition, health and growth.

Kittens can be successfully reared with Cimicat - either as a supplement to the mother's milk - or with no help from the mother at all.

Sire: Ch. Kalos Castor (27)	Ch. Tapawingo Tahltan (27) Ch. Kalos Blue Aedon (27a)
Dam : Muscadin Lazula (27a)	Ch. Montanhia Blue Lazir (27a) Magamba Amphitrite (27)

Our beautiful boy, who is siring open class, best in show nominated kittens, has a tremendous temperament and gorgeous eye colour.

Queens welcome to his heated house (which is situated near the house), where they are given every care and attention.

I will be pleased to give any information regarding Apollo.

INSPECTION WELCOME

All kittens are reared in the house, where they are handled right from birth. They are registered and fully inoculated by the time they leave home, with their luggage, which includes diet sheet and a complete cat care book, etc.

All enquiries welcome to :

A.D. 1674

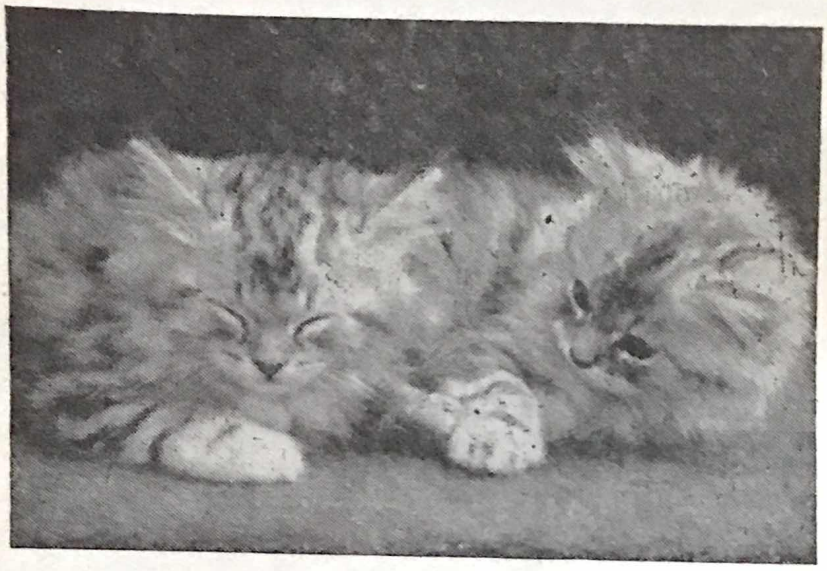

" . . . was this daye summoned to attend His Majestie at the Palace of Hampton—the Kynge being grately taken of his new catte, a gift of the Duchess of Dorset.

"Did much admire said animal—a well proportioned little puss of black and silver colour with striking tabby pattern in coat and a most pleasing disposition.

" The offering of a small parcel of fyshe was ackn'd by loud purrs—this pleasing me greatly."

SEAL-POINT SIAMESE CAT CLUB

This Club has been organised to protect the interests of the Seal-Point Siamese Cat

There are very few pure Seal-Point strains left, and an effort is being made to encourage the pure colour breeding of the beautiful Royal Cat of Siam.

We shall be pleased to check pedigrees from the records and advise on any breeding problems.

Subscription £1 anually plus 20p entry fee

TO ALL CAT LOVERS—

May we draw your attention to the existence of the

CAT CARE COMMITTEE

This is one of the Committees of the Governing Council of the Cat Fancy with special responsibility for investigating and reporting upon cases of neglect and ill-treatment towards cats. The Committee also gives advice on all cat welfare matters.

If you know of any appropriate cases you are asked to get in touch with the Hon. Secretary by letter only giving all particulars.

Do you feel concern for laboratory animals?

Take heart because the potential for their eventual replacement in many experiments is excellent.

Information is absolutely vital to every reform and FRAME has pioneered a world centre for collecting and publicising data on replacement techniques.

FRAME is the only organisation to make available current information, in a concise form, on Alternatives To Laboratory Animals through the twice yearly publication of its unique journal, ATLA ABSTRACTS.

Funds are urgently needed to assist with the essential work of distributing this important journal throughout the world regularly to all libraries used by animal experimenters.

LABORATORY ANIMALS need YOUR help, so please be generous and give us the means with which to save their lives.

Donations, large or small, Deeds of Covenant and Legacies would be most welcome.
