GENERAL REGULATIONS AND SHOW RULES

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all.

The exhibits will be received at the entrance to the Show Hall on Saturday, 17th August, from 8 a.m. to 9.45 a.m. Judging will commence at 10 a.m.

All exhibits must be examined by the Society's Veterinary Surgeons before being penned. All exhibits, which in their opinion, are unfit for exhibition, will be returned to their owners and all entry fees will be forfeited. Any exhibitor who pens his cat before it has been examined by the Veterinary Surgeon will be disqualified from competition and all fees paid forfeited. No Queen in kitten may be exhibited, and no nursing Queen may be exhibited within two months from the date of kittening. All exhibits must have clean ears and be free from vermin. Veterinary Surgeons appointed by the Society are instructed not to admit male cats which are either Monorchids or Cryptorchids.

Any cat found to be suffering from the effects of drugs on entry, or at any time during the Show, will be subject to expulsion from the Show and all fees paid forfeited.

Any cat or kitten found to have had its claws removed will, on examination by the Veterinary Surgeons, be debarred from the Show.

All exhibits must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on lead only.

All exhibits must be accompanied by their owners or owner's representative.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging, and judges are instructed to pass any pens so distinguished. **ADEQUATE WARM WHITE BLANKETS WITHOUT MARKINGS AND SUITABLY SIZED SANITARY TINS MUST BE PROVIDED BY THE EXHIBITORS.** Hot water bottles may be used provided they are put under the blankets.

Cat Litter is provided in the Hall. Tallies will be forwarded to each exhibitor and must be hung round the neck of each exhibit by means of a **WHITE** ribbon, tape or elastic.

Any exhibitor in any way interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any prize that may have been awarded to his or her cat. No exhibit may be removed from its pen except by the owner or an official of the Society.

All exhibits (except those entered in Household Pet classes) must be registered with the Governing Council of the Cat Fancy. Registration Forms can be obtained from Mr. R. Loveys, 28 Brendon Road, Watchet, Somerset. All registered cats which have changed owners since registration **MUST** be transferred at least three weeks before the Show.

The prescribed declaration on the Show entry form that the exhibitor is the bona-fide owner of the exhibit, and that the exhibit is offered for exhibition subject to the Society's rules and regulations must be signed and forwarded to the Show Manager with the correct entry fees. If a cat belongs to more than one person, both must be members to compete for Cups, etc., offered by Clubs.

No cat or kitten may be removed from its pen before 5.30 p.m.

The Show will open to the public from 12 noon to 5.30 p.m. Entrance fee: Adults 20p, Children and O.A.P.s 10p.

The Governing Council of the Cat Fancy rules that no cat or kitten may be exhibited more than once within 14 days from the same household.

Any Other Variety. Cats and Kittens entered as Breeds 13a and 26 may only be entered in A.O.V. Open Classes, and in such further classes as Clubs may decide to put on for them.

Any exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any G.C.C.F. Show, should produce a Veterinary Surgeon's clearing certificate stating that the cat(s) in question had recovered on a specific date and/or that there have been no further outbreaks in the cattery. This must be done before entries can be accepted from such an exhibitor.

MEMORANDA

Entries must be accompanied by the proper amount of fees, otherwise they will not be accepted.

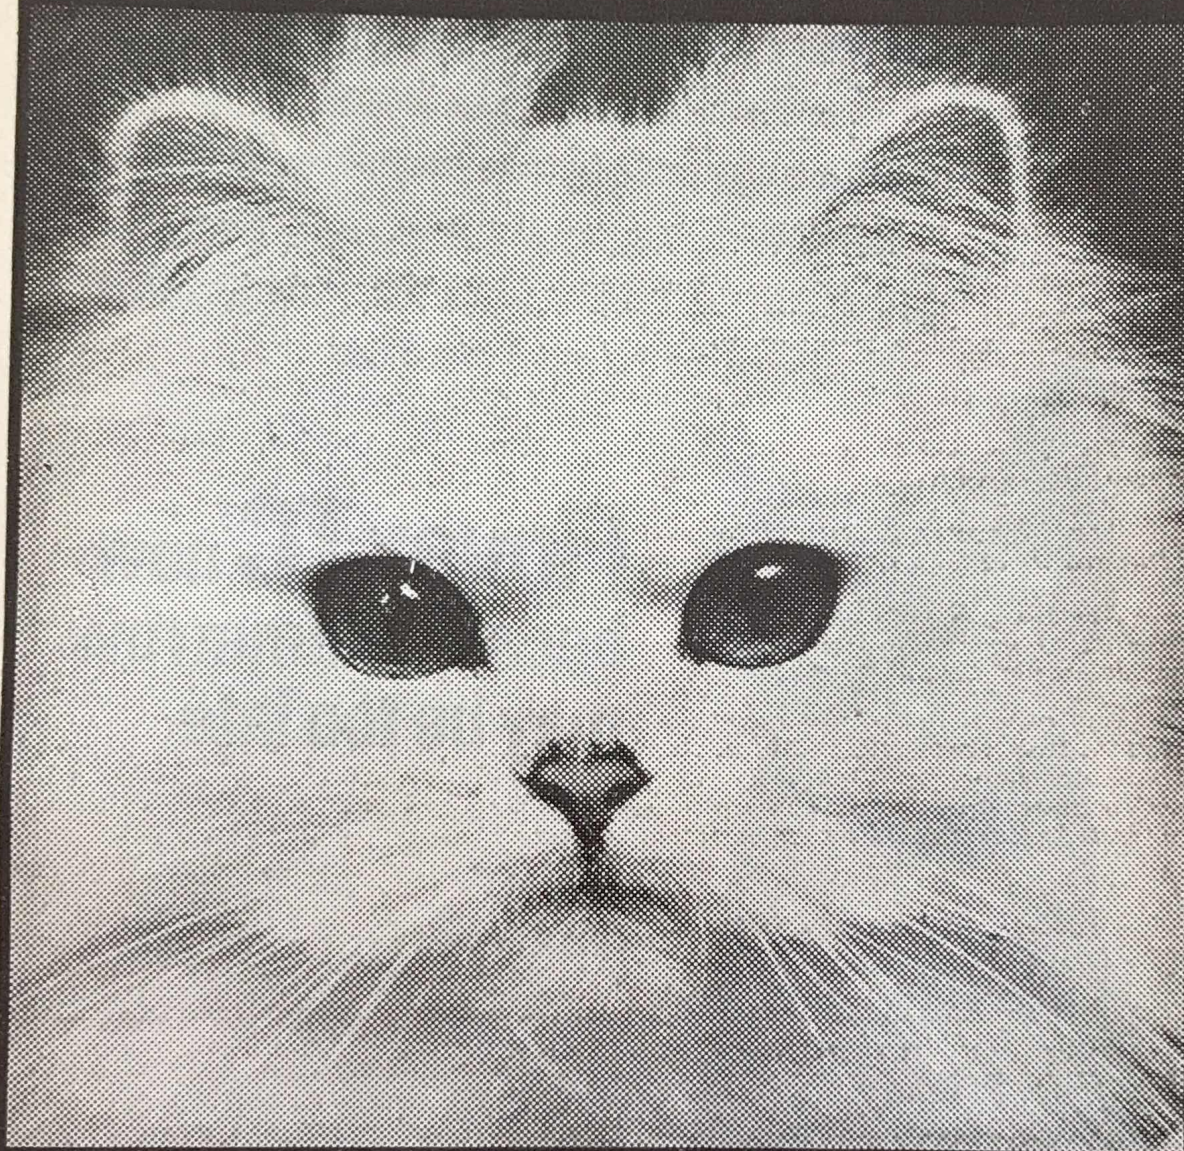

All correspondence must be accompanied by a stamped addressed envelope if a reply is desired.

Registration. Fanciers should register their cats and kittens in good time. If they leave it to the last moment, and the names they submit are not available, they may not receive their registration in time to enter.

Special Prizes. It will be noticed that all Club Specials are confined to fully paid-up members. Fanciers should make sure that they have paid their subscriptions for this year to avoid disappointment.

The Society's Committee have the absolute right to fix and limit the number of exhibits at their shows, and to select, accept and refuse any offers of exhibits and fees from members or others at their discretion without giving a reason for so doing.

It's a dog's life

Many people vaccinate their dogs but relatively few remember to protect their cats.

Granted, nine is a lot of lives, but even a cat can't protect itself against feline infectious enteritis.

It really is a killer (and kittens are especially vulnerable).

Yet FIOVAX TC vaccine will give your cat or kitten the protection she deserves. So ask your veterinary surgeon for advice about this simple procedure.

Should any Judges be prevented from fulfilling their engagements, the Committee reserve to themselves the right of appointing other Judges in their stead.

The right to cancel or amalgamate classes is reserved.

Man's inhumanity to man often starts with man's inhumanity to animals

No decent, civilised human being would tolerate painful, cruel experimentation on live animals if there were alternatives. But there is a complacent attitude on the subject in this country. So, every year, 5½ million animals suffer in the cause of progress.

We're not against progress. We're for life. We're for a close look at the alternatives. So are thousands of other people. So should you be too. Join us in our campaign to get the Government to set up a Research Institute to examine the alternatives. Send us a donation today. And help make our country a more civilised place to live in.

I enclose a donation of £.....on the strict understanding that it will be used to further the objective of persuading the Government to set up a Research Institute to examine the alternatives to experimentation on live animals.

THE

WESSEX

CAT CLUB

President : MRS. JANET NEWTON

The Guildhall at Southampton is now the recognised "home" for the Show of the Three Counties Cat Society, but as this venue was not available in 1974, we welcome J.C.C.S. members and friends to our Bournemouth Hall.

We are sure that this temporary change will in no way diminish their enjoyment, and we look forward to seeing them all here again—with, of course, our own members, at the Eleventh Wessex Show in 1975.
