A MESSAGE FROM THE SHOW MANAGER

Welcome to the 44th Premier Show of the Kensington Kitten & Neuter Cat Club. I hope you will have an enjoyable day whether exhibiting, officiating or just visiting. It is hoped that our beautiful trophies will be presented to their worthy winners during the afternoon by Her Serene Highness the Princess of Pless, and our patron actress Christine Shaw will be judging the decorated pens in the Display and Assessment sections.

Following last year's happy and colourful show, we decided on another all-ribbon event this year with rosettes incorporating our Club colours of gold and white, and we hope that you like them. We have also changed our Best in Show judging system so that the exhibits are disturbed as little as possible and the winners will remain in their own pens which will be decorated with the special B.I.S. header boards made by Spicer Arts. This year the Burmese have their own Best in Show, for the first time at 'Kensington'.

Line stewards and officials, wearing distinctive badges, are available all day to help you with queries and in emergency situations, and I am on duty all day at my desk on the platform. There is a public bulletin board to help reduce the number of announcements made over the loud-speakers, and an information table is situated next to my desk.

The Cat Survival Trust have again brought their exotic Geoffroy's Cat "Poppet" and she will be on view from time to time during the day collecting much-needed donations for this charity's important work in the field of cat conservation.

I sincerely thank all those who have helped to make this year's Kensington even better than before. Thank you all committee members and friends who set the whole event up on Friday and remain behind to take it all down again on Saturday night. Thank you judges, stewards and veterinary surgeons for your expert, unstinting work. And thank you exhibitors for bringing along your lovely kittens and neuters, especially those of you who entered our Charity Classes and helped to raise the sum of £250 which will be presented to the Feline Advisory Bureau's Central Fund for Feline Studies.

Have a lovely day, and please be sure to come along next year when we are staging our special SAPPHIRE ANNIVERSARY SHOW.

A MESSAGE FROM THE HONORARY SECRETARY

Welcome to the 1979 'Kensington'. The Officers and Committee hope you have a happy day and your neuters and kittens a relaxed and successful Show.

The Club was saddened by the death of Mrs Aitken who had been Secretary, Show Manager, GCCF Delegate and a Vice-President during her long association with the Club. We were sorry to receive the resignation of Mrs. Gwen Carter, who had worked so hard as Section Manager of the Household Pets, held the office of Vice-Chairman and for a short while helped out as Secretary.

A new member to the Committee is Peter Sparkes and Mike Hall has become our Vice-Chairman. Lorraine Burley and Dave Wareham have now become full Committee members.

Once again, we thank our Show Manager, Angela Sayer, for all her efforts in making the 'Kensington' the unique Show of the year.

Barbara Westerman

A MESSAGE FROM THE HONORARY TREASURER

Dear Members,

Over the past year our Club Membership has grown from strength to strength and now stands at over 380, the highest in its history.

May I therefore thank both the new members who have recently joined us as well as those established 'Kensingtonians' who have renewed their subscriptions for the current year. The larger our membership the easier it is to meet Club expenses.

Cost of many Club necessities such as printing, stationery etc., over the past year have increased and it was therefore decided reluctantly at the 1979 A.G.M. to increase the subscriptions for 1980.

The new Annual rates are:-

Single membership	£2.00
Joint membership	£3.00
Junior membership	£1.00
Life membership	£40.00

Life membership is available to established members of at least 3 years continuous membership, and is calculated at 20 times the current single years rate.

The Entry Fee remains at £1.00

Finally may I remind members that subscriptions are due on January 1st 1980 for the coming year's membership with March 31st 1980 as the absolute deadline. After this date a re-entry fee will have to be charged.

But enough of business! Please enjoy the Show, after all that's what it is all about.

CARES

ABOUT CATS (AND CAT PEOPLE)

We have been going now for 20 years and over that time have been unique in dispensing free advice, distributing information leaflets and news bulletins, disseminating knowledge on all aspects of disease, husbandry and management through National and Local Meetings.

We are a Registered Charity and through a special fund (CENTRAL FUND FOR FELINE STUDIES - C.F.F.S.) have a major commitment in providing a Scholarship at Bristol University Veterinary School for a veterinarian to study exclusively cases of illness and disease and abnormality in cats referred by vets in practice. This post has been in existence for some five years and over 1,000 recorded cases have passed through the department in that time. Other studies are assisted financially where possible and close communication between the veterinary profession, Cat Clubs and owners are fostered on an International level.

Of course the work of the FAB/CFSS is entirely dependent on inflow of funds - AND this is where YOU can HELP us to HELP cats - HELP us to care for your favourite animal - JOIN THE FAB AS A PARTICIPATING MEMBER - you will enjoy our fullest assistance - WRITE OR PHONE FOR AN EXPLANATORY BROCHURE. Give a donation, if you can, to the FAB representative at this Show - or to the Show Manager who will forward it. Perhaps you could take a collecting box or hold a Coffee Morning or a Wine & Cheese Party on our behalf? Help in the form of active fund-raising is always very welcome. Could you collect used postage stamps or Green Shield Stamps? - or can you spare the time to browse at our Bring/Buy Stalls (at most Shows)? In order to function fully and fulfil our pledge to the cat world we DO need YOUR help - CAN WE COUNT ON IT?

THE BLUE CROSS

THE BLUE CROSS provides veterinary treatment for cats and other small animals belonging to those genuinely unable to meet private fees.

The cost of maintaining these and other practical services for animals in need is very high in need and we would gladly welcome your support.

Now, wishing every success today to YOU, the breeders of Britain's finest pedigree cats.

WE TRUST THAT YOUR EXHIBITS ARE FULLY VACCINATED AGAINST FELINE INFLUENZA AND FELINE ENTERITIS.

WE ALSO TRUST THAT YOU HAVE PROPERLY ENSURED THAT ALL YOUR STOCK IS FREE FROM FELINE LEUKAEMIA VIRUS INFECTION.

WE ADVISE PROSPECTIVE PURCHASERS OF KITTENS TO SATISFY THEMSELVES ON THESE THREE POINTS.

Helpful information leaflets, specially prepared by Blue Cross staff, are available free:-

"FELINE LEUKAEMIA - KNOWLEDGE IN A NUTSHELL".

"THE CARE OF SIAMESE QUEENS AND THEIR KITTENS".

The leaflets are available from either The Blue Cross Animals Hospital, 207, Cleethorpe Road, Grimsby, or The Secretary, The Blue Cross Animals Hospital, Hugh Street, London SW1V 1QQ.

Registered Charity No. 224392.
