THE COVENTRY & LEICESTER CAT CLUB

The Coventry Cat & Kitten Club was founded by a few local people in 1953. Doreen Jenkins and Monica Thake are believed to be the only two remaining founder members. After attracting members from the Leicester area, the name was changed to The Coventry & Leicester Cat Club. The club has grown considerably since those early days, and now has a truly nation-wide membership though still retaining its strong links with the East and West Midlands.

The early shows were held in Coventry, followed by periods in Leicester, Birmingham and again Coventry. We now return to Birmingham to enjoy the facilities offered at the Bingley Hall Exhibition Centre.

The Club's Show Committee is most grateful to the Centre's Directors and Staff for their interest and assistance in helping the Club to stage its eighteenth Championship Show.

A MESSAGE FROM THE CHAIRMAN

Dear Members & Visitors,

This is Coventry and Leicester Cat Club's Eighteenth Championship Show so once again I say a very sincere welcome to all, and I hope that you will have a happy day seeing so many beautiful cats in such fine condition.

If the day appears to move along on oiled wheels it is due to the very hard work over many months that has been done by the Show Managers, and their Section Leaders, and their helpers, they have overcome many problems for this our great day and I thank them and hope the comfort and beauty of the cats and the pleasure of their owners will reward them.

To exhibitors who win I say 'Well done' - If you don't win, what does it matter? the cats are yours, they are beautiful, you love them and there is always another day.

A very happy day to all.

Doreen D. Jenkins

Chairman,

(Coventry & Leicester Cat Club).

A MESSAGE FROM THE SHOW MANAGERS

As Joint Show Managers may we take this opportunity of bidding you and your beautiful cats a very warm welcome to Bingley Hall.

We have tried to ensure that you have a pleasant, comfortable day amongst your many friends within the cat fancy and hope that you will enjoy the amenities and stalls provided. We do however request that you refrain from smoking anywhere near the exhibits as this, as you all know, causes unnecessary suffering to our feline friends.

The opportunity must be taken to show our appreciation to our Section Managers, Richard Berry, David and Barbara Wheeler, Roger and Lynn Ashby and Fred and Beryl Hobday. They have spent many hours checking, entering and processing your many entries.

Our thanks go also to our Judges, Stewards, Veterinary Surgeons, Committee Members and all those helping yesterday and today, as well as the Directors and Staff of the Exhibition Centre.

Last but not least we thank you, the exhibitors, for bringing the finest cats in the world to visit us, the show could not have taken place without you, you have all made our day worth while.

Thanks again,

Ken and Malcolm.

CAT CARE COMMITTEE (G.C.C.F)

To all Cat Lovers

May we draw your attention to the existence of the CAT CARE COMMITTEE. We have special responsibility for investigating and reporting upon cases of neglect and ill-treatment towards cats. The Committee also gives advice on all cat welfare matters.

If you know of any appropriate cases, you are asked to get in touch with the Hon. Secretary, **by letter only**, giving full particulars.

The Committee has been able to help many cats and kittens to a better life. We are now extending our activities with the help of many kind and interested people in all parts of the country.

Cats are too beautiful to be kept in overcrowded and often dirty conditions. Please help us.
