A MESSAGE FROM THE SHOW MANAGER

Welcome to the Special Sapphire Anniversary Premier Show of the Kensington Kitten & Neuter Cat Club. I hope you will have an enjoyable day whether exhibiting, officiating or just visiting. Our beautiful trophies will be presented to their worthy winners during the afternoon by Her Serene Highness the Princess of Pless, and our patron actress Bhristine Shaw will be judging the decorated pens in the Display and Assessment Sections.

This Sapphire Show is an all-ribbon event with rosettes incorporating the Sapphire theme - we do hope that you will like them. Our Best in Show judging system allows the winners to remain in their own pens which will be decorated with the special B.I.S. header boards made by Spicer Arts.

Line stewards and officials, wearing distinctive badges are constantly available to help you with queries and in emergency situations, and I am on duty all day at my desk on the platform. There is a public bulletin board to help reduce the number of announcements made over the loud-speakers, and an information table is situated next to my desk.

I sincerely thank all of you who have helped me to make this year's 'Kensington' even better than before. Thank you all committee members and friends who set the whole event up on Friday and remain behind to take it all down again on Saturday night. Thank you judges, stewards and veterinary surgeons for your expert and unstinting work. And thank you exhibitors for bringing along your lovely kittens and neuters, especially those of you who entered our Charity Classes and helped to raise the sum of £250 which will be presented to the Feline Advisory Bureau's Central Fund for Feline Studies.

Please support all those advertisers, stall-holders and Charities who have helped us to stage this unique and colourful event, and above all, do have a happy day.

Angela Sayer

to permanent and loving homes, Cream Persian Male Kittens,
from my beautiful Cream Persian Queen:

MERILEA MIMOSA

The kittens have been bred indoors with the freedom of the
whole house in which to play, so they are loving and gentle
and quite used to being handled, brushed and cuddled.

They have been weaned on the very best, (NOT TINNED OR PET
SHOP FOOD), and their condition and dense long coats are
excellent.

They have excellent pedigrees and come from lines of famous
prefixed cats.

Suitable for Stud/Show.

TO INTRODUCE: LYSANDA WORTHINGTON

(CH. SILCRESTA MILO x CLICQUOT DIORISSMA - INCORP. AMERICAN & NZ BLOOD LINES)

WORTHINGTON has gained his 1st CC at his first adult show and is now, at only 11 months, a proud show winner and dad of three litters.

We have most exciting babes at home but too young for today, so we wish all our friends a lovely day.

ASTAHAZY CATS

RAVISHING RUSSIAN BLUES

Astahazy Russian Blues, consistent prize-winners on the showbench and irresistible at home, are bred from predominantly Hengist and Broadweir classic bloodlines. Queens: JACQUARD GOSSAMER (Ch Hengist Sashcha x Ch Hengist Blue Moon), PARAMENTA ASTAFIEVA (Gossamer's daughter by Ch Jennymay Fingal).

At limited stud: ASTAHAZY BALTHAZAR (Ch Czarist Nickolenka x Paramenta Astafieva)

Kittens are hoped for this year by Balthazar and Ch Broadweir Valdikler.

Here today: HENGIST BUSBY (Ch Crumber-Hill Vashka x Ch Gengist Marika) who runs a finishing school for Russian Blue kittens;

and two Russian Blue young hopefuls: ASTAHAZY DHARKHAN (Astahazy Balthazar x Jacquard Gossamer) and KASHEBA MOONHAZE (Ch Broadweir Valdikler x Ch Cadenza Moonwind)

ENCHANTING SILVER SPOTTEDS

Queen: ZATASHA SILVER SPARKLER
(Ch Zatasha Quicksilver x Zatasha Silver Hazel)

This sweet and gentle little queen, just like a baby snow leopard, has an assignation with Gr Ch Broadweir Black Watch and we look forward to Silver Tabby, Silver Spotted and Smoke kittens of quality this year.

BEAUTIFUL BURMESE

Queens: BAMBINO AZURHAZY (27a) (Ch Bambino Blue Apollo x Bambino Karess), BAMBINO LILAC FABERGE (27c) Hazy's sister

These two delightful girls, from a line well known for its excellent quality, will, we hope, combine motherhood with their show careers in the coming year.

All our cats are FeLV negative.

Healthy, happy, intelligent kittens of excellent pedigree, requiring a high degree of involvement in human activities will, from time to time, be entrusted to caring owners.

Inquiries welcomed:
