SEAWIND ABYSSINIANS

BREED SPECIALISTS

USUAL AND RED ONLY

REPRESENTED HERE TODAY BY:

CH. SEAWIND SWATAMOTH

our own personal stud cat. Spot him in his exhibition pen—if you are lucky!

And also competing—Swattie's new wife-to-be—personality kitten:

BRUMBEAU AMIRA

(thank you Vince and Pauline)

known locally as Griezeli Greedigut (and not without reason!)

G.G. is related to our three resident breeding queens:

CH. SEAWIND SABLE TWENTYPINS (Tepee)

pictured above. Her granny

CH. ALBYN JEWEL (Joobyjoobs)

her great-granny

SEAWIND SONNET (Burrumfuss)

same breeding as T.P.

The readers can sort that relationship out for themselves!

We hope our new delinquent will eventually produce as successful kittens as the rest of the family are doing

The House of Seawind still have the maximum of five residents, all usual (23) and keep no other breed.

Our other granny queen, **BOOT** (to her friends) has gone to be a thoroughly spoiled only cat with the Rev. Bill Pick and his wife, Audrey, in Churchtown.

Irrespective of whether they are to be shown or not (of minor importance compared with a caring home) Seawind will continue to breed for the English type. We aim to place our kittens (house-reared regardless of cost in terms of diet, exercise and T.L.C.) with those Aby fans, or fans-to-be who, like us, consider first and foremost, this breed makes unique and beautiful pets.
