GUARD YOUR CAT

Living animals subjected to experiments in British laboratories include cats and kittens, some of which are specially bred for the purpose, while others are bought from dealers who may have obtained them by unscrupulous means.

Would you like YOUR cat to suffer the misery, distress, pain and fear inseparable from the practice of vivisection. Please join us in our demand for research methods which do not involve living animals.

Enquiries and donations welcomed :

GLASGOW G2 2SD

Telephone : 041-221 2300

1. The cats will be received at the entrance to the Show Hall on Saturday, 3rd February, from 8.15 to 9.45 a.m. The Exhibitors entrance is at the rear of the McLellan Galleries, in Renfrew Street.

2. Every cat, including those for Exhibition only, **MUST** be examined by a Veterinary Surgeon before being penned. Contravention of this rule will be followed by disqualification and forfeiture of fees.

3. Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the Show Manager shall obtain from the Veterinary Surgeon the reasons therefore, and shall send them to the Secretary of the G.C.F. within 48 hours of the Show. A copy is also sent to the Exhibitor.

4. If an exhibit is unable to be shown owing to illness, 50 per cent of entry fees will be returned, providing that a Veterinary Surgeon's certificate is received by the Show Manager prior to the day of the Show.

5. The Hall will be cleared of all but officials at 9.45 a.m. Judging will commence at 10 a.m. promptly. The Show will be open to the public from 1.00 p.m. until 5.00 p.m. Marked Catalogues may be available at £1.00 each, with all classes relating to one section (L.H., S.H. or Siamese) completed. Each additional section will cost 75p, i.e. £3, for a fully marked Catalogue.

6. All exhibits must be accompanied throughout their journey by the owner or owner's bona fide representative, and must be brought to the Show in boxes, baskets or suitable containers—no exhibit will be accepted on a lead only. Exhibitors must provide their own food, sanitary pans and drinking bowls. Cat Litter will be provided at the Hall.

7. This Exhibition is held under the Rules of the Governing Council of the Cat Fancy. Copies of these Rules, and the Show Rules and Regulations, published in the Show Schedule, are available on request from the Show Managers.

NOTE. The attention of all concerned is drawn to the fact that the Scottish Cat Club is, in principle, opposed to young kittens changing hands at shows. It is realised, however, that circumstances may in exceptional cases, modify this view. It may be kinder to the kitten concerned to accompany its new owner—should a long journey be involved—rather than to travel unaccompanied at a later date.

No objection is raised to arrangements for sale being made at the Show, but intending purchasers are warned about the possibility of infection when taking a kitten straight from a show.

A PLEA TO VISITORS TO THE SHOW

The Show Committee has done everything in its power to ensure that no infection is present at the Show today. The surest way of passing on infection—even though it may not be obvious—is by touch.

Visitors are therefore specially asked **NOT TO TOUCH THE CATS**.

It is a natural reaction for children to put their fingers through the wire of the cage—PLEASE DO NOT let them do this.

PLEASE HELP US TO CUT DOWN THE RISK—DO NOT TOUCH.
