**“Rosemary Gowdy and Kosset are making sure I live 9 lives of luxury.”**

“Being Jemari Michael’s Son (the Kosset cat to you) plays a very important part in my lives.

But it certainly isn’t hard work.

In fact it’s a very cushy number.

Because the Kosset people are cat lovers.

And it’s nice to be owned by a company who thinks you’re the cat’s whiskers.

Just like the person who looks after me – top breeder Rosemary Gowdy – they’ve taken care to provide me with every creature comfort a cat expects.

No, I wouldn’t work for anyone but Kosset. It would probably be a real dog’s life.”

## **SHOW RULES, PROCEDURE AND REGULATIONS**

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy and is open to all. A copy of these rules accompanied the schedule, and should have been read, for they are NOT repeated herein, but will be strictly applied.

Ignorance of any rule will not be accepted as excuse of their breach.

---

### **1. REGISTRATION**

Cats, Kittens and Neuters are eligible for the Show if registered with the G.C.C.F.

### **2. SHOW ENTRY**

In order to exhibit at the Show, the exhibitor must have completed the official entry form, and subscribed to the declaration therein. Every exhibit must be identified on the official form exactly as recorded on the registration/transfer certificate relating to it. Exhibitors are responsible for the correct description of their exhibits and for entering them into the correct classes.

### **3. VETERINARY**

Each exhibit will be examined by the Club's Honorary Veterinary Surgeons, and no exhibits may be penned before being so examined.

Exhibits must have clean ears and coats free from pests. No queen may be exhibited within two calendar months from the date of kitting. No cat or kitten that has been de-clawed will be accepted, neither will male cats which are either monorchids or cryptorchids.

Unfit exhibits must be removed by their owners and entry fees forfeited. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery, and the owner thereof, shall be debarred from attending the Show. The Veterinary Surgeon's decision is final. Where an exhibit has been rejected or withdrawn from the show by a Veterinary Surgeon, it shall not be re-presented to a second Veterinary Surgeon. The procedure to be adopted in such cases is clearly stated in G.C.C.F. Rules.

Any exhibit found suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the Veterinary Surgeons.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens.

Exhibits actually received into the Show Hall cannot be removed or withdrawn from competition without the sanction of the Committee. They are then only received on condition that the Club shall not be held responsible for any loss or damage to cats, boxes or other property, in any way.

Any exhibitor in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit. No one may remove any exhibit from its pen except the owner or Club Official. All exhibitors are forbidden to carry their cats around the Show Hall, and they must not be held in such a way as to annoy other exhibits.

### **6. JUDGES**

Judges are empowered to withhold any prize or Championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip, not from any catalogue or prize card.

Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household.

## **FELINE ADVISORY BUREAU**

# **The F.A.B. CARES about cats (AND CAT PEOPLE)**

We have been going now for 20 years and over that time have been unique in dispensing free advice, distributing informative leaflets and news bulletins, disseminating knowledge on all aspects of disease, husbandry and management through National and Local Meetings.

We are a Registered Charity and through a special fund (CENTRAL FUND for FELINE STUDIES—C.F.F.S.) have a major commitment in providing a Scholarship at Bristol University Veterinary School for a veterinarian to study exclusively cases of illness and disease and abnormality in cats referred by vets in practice. This post has been in existence for some five years and over 1,000 recorded cases have passed through the department in that time. Other studies are assisted financially where possible and close communication between the veterinary profession, Cat Clubs and owners are fostered on an International level.

Of course the work of the F.A.B./C.F.F.S. is entirely dependent on inflow of funds—AND this is where YOU can HELP us to HELP cats—HELP us to care for your favourite animal—JOIN THE F.A.B. AS A PARTICIPATING MEMBER—you will enjoy our fullest assistance—WRITE OR 'PHONE FOR AN EXPLANATORY BROCHURE. Give a donation, if you can, to the F.A.B. representative at this Show—or to the Show Manager who will forward it. Perhaps you could take a collecting box or hold a Coffee Morning or a Wine & Cheese Party on our behalf? Help in the form of active fund-raising is always very welcome. Could you collect used postage stamps or Green Shield Stamps—or can you spare the time to browse at our Bring/Buy Stalls (at most Shows)?

In order to function fully and fulfil our pledge to the cat world we DO need YOUR help—CAN WE COUNT ON IT?

The Officers and Committee welcome to the Show Mr. Barrie Jimmieson, International Judge and President of F.I.F.E., it is indeed an honour to have such a distinguished gentleman with us, and hope that he enjoys being with us, as much as we enjoy having him.

To Miss Ann Rickson, Senior G.C.C.F. and International Judge, we thank her for acting as Steward to Mr. Jimmieson at our Show.

Dear Fellow Members,

As your Patron, on the occasion of your first Exemption Show, I would like to write to congratulate you all for your work and enthusiasm which has resulted in our success.

Our society is one of a small group dedicated to the maintainance of the highest standards of pure race breeding and as such, with your help, I am sure it will long continue to prosper and to protect the interests of the pure Chinchillas and the pure Smokes, to me the loveliest of all long-hair cats.

Long may your good work continue and with it the progress of the feline causes we all wish to serve.

Your Patron

LORD HADEN GUEST.

---

It is really wonderful how our members have worked for our Club and to get our first Show. I am sure that the great breeders past and present of the cats we love so much, will be pleased to see how we are carrying on their tradition.

LADY HADEN GUEST.

President.

I wish to extend my best wishes to all members of the U.C.A. and to all of the exhibitors supporting this Club's first Show. I hope that the success will continue each year and prove to be a most prestigious event, and that it will also be a great honour to exhibit at.

Once again, I stress the absolute need to breed ever so selectively to keep the unique characteristics of this rare breed colour, which has separated the Chin's from all others. I look forward to the dedicated breeders and the guidance of the U.C.A. to preserve these distinctive qualities.

Once again I extend my kindest regards to all of you, and my regrets in not being able to be present on such a grand occasion.

Sincerely,

RICHARD GEBHARDT.

President C.F.A. Inc.

Dear Friends,

On behalf of the California Silver Fanciers (which is one of the oldest breed clubs of its kind in the United States) and the United Silver Fanciers, both C.F.A. affiliated clubs, I convey to each of you our very best wishes for the success of your Association's first Show.

May many more follow, each new achievement being greater than the last.

Sincerely,

BECKY BELL.

California Silver Fanciers.

---

I sincerely wish the U.C.A. Show every success and that I hope for the continued growth of the Association devoted to the maintenance and improvement of the colour-bred Chinchilla cat.

Only selective breeding within the coloy can preserve the delicate beauty of these special cats and this can and will achieve anything that cross colour breeding could accomplish without the loss of that special characteristics of the silver cat.

## **CHAIRMAN'S LETTER**

In presenting this—the Association's first Exemption Show, the Officers and Committee extend a warm welcome to all Exhibitors and to our distinguished judges, without whom the Show would not have been possible. To name everyone who has worked so hard to put on a Show within three years of the Association's Inauguration, is impossible but shows what can be achieved if we all work together and to each and every helper both in the public eye and 'behind the scenes' we owe a great deal, thank you all!

To our Show Manager, Rosemary Gowdy, and Asst. Show Manager, John Strang, we are indebted for the success of the Show.

Due to my own accident whereby I sustained a broken ankle and leg, my own activities have been restricted, but with the wonderful support I have received I hope everyone will have a happy and enjoyable day.
