A message from the Show Manager

Dear Exhibitor,

WELCOME TO THE NATIONAL EXHIBITION CENTRE.

As is usual with the Midland Counties Cat Club, we endeavour to be the innovators of something new at our show each year. This year we welcome you all at the National Exhibition Centre, the Premier Show Centre in England where we feel that you will find all the various items usually associated with cat shows, together with many more. We hope that you will make good use of all the facilities present.

Here we would like to pay tribute to the N.E.C. management for whom no query or request was too much.

We wish you all a happy day.

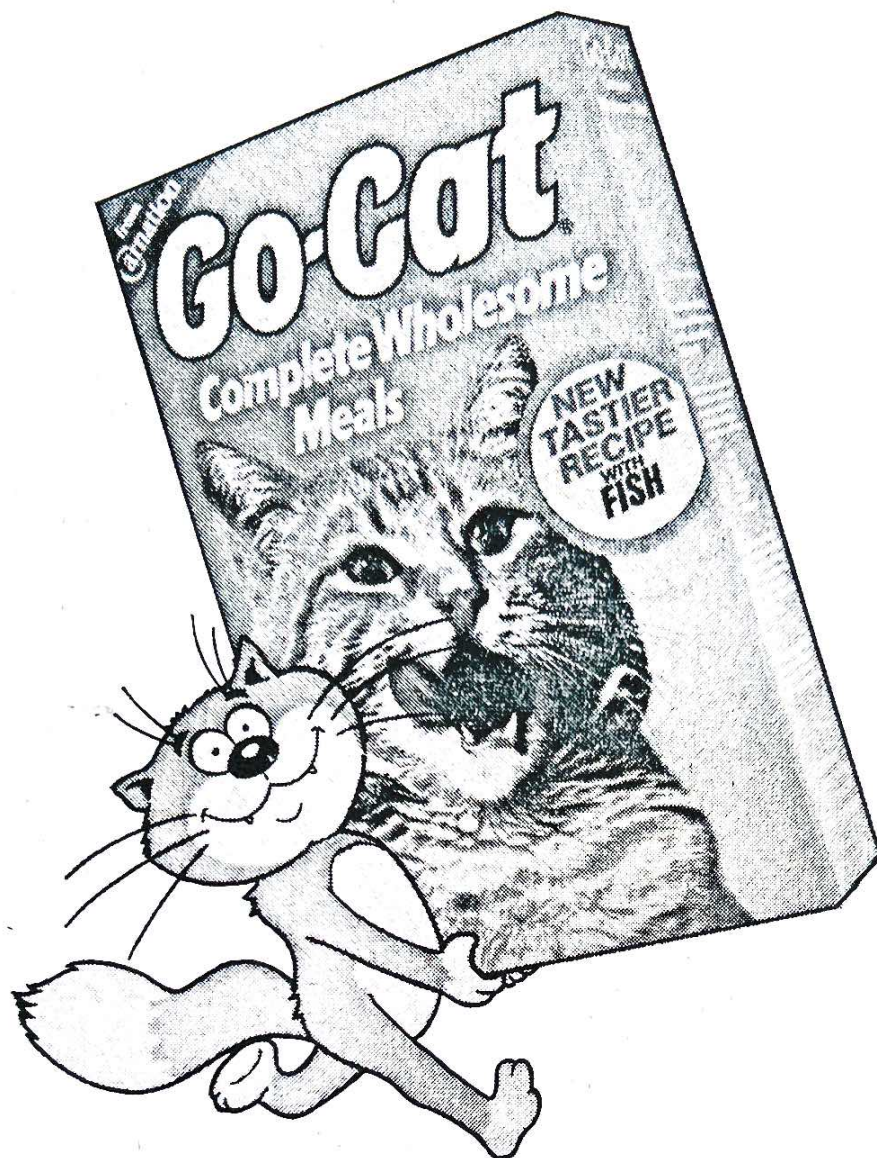

MARION PEARSON,
Show Manager

IN AN EFFORT TO MINIMISE THE SPREAD OF DISEASE, EXHIBITORS ARE ASKED, WHERE POSSIBLE, TO PREVENT THE SPECTATORS FROM TOUCHING EXHIBITS.

TO ALL VISITORS

TO PREVENT THE SPREAD OF INFECTION AND TO AVOID ANY INJURY TO YOURSELVES OR THE EXHIBITS, PLEASE DO **NOT TOUCH** THE EXHIBITS. THIS APPLIES PARTICULARLY TO CHILDREN.

***The goodness your cat needs.

SHOW RULES AND REGULATIONS

The Exhibition is held under the Rules of the Governing Council of the Cat Fancy, and is open to all.

Any Exhibitor whose exhibit has been rejected or withdrawn on veterinary grounds from any GCCF Show must produce a veterinary surgeon's clearance certificate stating that the cat(s) and or kitten(s) in question was recovered on a specific date and/or that there were no further outbreaks in the cattery.

All Exhibits must be accompanied by owner or representative and must be transported in a suitable container. No exhibits will be accepted on lead only. Exhibitors must provide their own food, sanitary pans, litter and drinking bowls. TALLIES will be given out on morning of show and must be hung round the neck of each exhibit by means of **white ribbon or tape**.

Exhibits actually received from the Judges award slips, and cats will be sold from entry forms and not from catalogues.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, and it will be an instruction to the Judges to pass any pens so distinguished. **White blankets, WITHOUT MARKINGS (no lacey or cellular blankets allowed)**, and sanitary tins must be provided by the Exhibitor.

The right to cancel or amalgamate Classes if reserved.

Early Removal. No early removals. Failure to observe this rule will result in forfeiture of prize money.

NOTE—In an effort to avoid Kittens being stolen, exhibits will only be allowed to leave the hall before the conclusion of the show on production of a signed pass-out for each exhibit. Breeders selling Kittens during the Show may obtain a pass-out for this Kitten from the Show Managers.

All correspondence must be accompanied by a stamped addressed Envelope if a reply is desired.

MEMORANDA

Warning. Breeders and owners are hereby warned, by the Governing Council of the Cat Fancy and the Officials of the MCCC against the danger of selling whole litters to one buyer as unfortunate consequences may follow.

Exhibitors are responsible for the correct description of their Cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

Special Prizes. It will be noticed that all Club Specials are confined to fully Paid-up members, before 1/7/81.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left projecting into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the Show Manager.

Price of Cats do not include baskets or blankets. All Cats and Kittens are examined by the Veterinary Surgeon and passed as free from disease before admission to the Show, but the Midland Counties Cat Club cannot hold themselves responsible for Cats and Kittens bought at the Show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Only rosettes awarded by MCCC may be displayed. Exhibition pens are excluded from this ruling.

Exhibitors wishing to advertise for sale a Cat or Kitten must apply at the Secretary's table for an official "For Sale" card.

Any Exhibitor other than the owner in any way interfering with or removing any Cat from its pen during the Show, except with the consent of the Show Manager will forfeit any prize that may have been awarded to his or her Cat. No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £5.00.

Free litter Trays are not provided. White Litter Trays of adequate size must be provided. **White Blankets, WITHOUT MARKINGS (no lacey or cellular blankets allowed),** and sanitary tins must be provided by the Exhibitor. The use of Polystyrene filled cushions instead of white blankets is forbidden, since such cushions do not comply with G.C.C.F. Show Rules. The Show Manager will order the removal of any such cushions found in pens.

ALL EXHIBITS MUST BE INOCULATED AGAINST FELINE INFECTIOUS ENTERITIS

Rusty or chipped trays or discoloured blankets are not acceptable. Powdering of the exhibits in the Show Hall is Prohibited, GC Rule 13. Drapes are not allowed in pens, other than assessment classes (after 1.00 pm).

Coloured hot water bottles must be placed in white covers. Food and milk must be removed from the pens and a container with water must be placed in the pen towards the rear before judging.

Judges are empowered to withhold any prize or championship in any Class if the exhibits do not in their opinion possess sufficient merit.

Should any Judges be prevented from fulfilling their engagement, the Committee reserve to themselves the right of appointing other Judges in their stead.

All complaints must be made in writing within seven days to the Show Managers.

The G.C.C.F. rules that no cat or kitten may be exhibited more than once within 14 days or entered in two shows a week apart.

Original protector

Before C-Vet introduced Feliflu vaccine there was no vaccine available in the U.K. to protect cats against feline viral rhinotracheitis, calicivirus and feline panleucopaenia.

Feliflu was the first vaccine proven to have a full 12 months of protection from challenge for all components. Only Feliflu contains the F-9 strain of calicivirus which cross protects against all strains of calicivirus.

No other vaccine offers as much protection, as much clinical proof of performance or as many years of proven efficacy and safety as Feliflu ... the original protector.

A Story with a Happy Ending

Last year a little, poorly black cat was rescued and taken in to one of our catteries. Soon she was homed with a family who gave her every care, but even then it was days before she could eat properly, however tempting the morsel placed before her. Then came a gradual improvement, and she began to take over the household. Already in the family there was a big, boisterous, playful dog with whom she soon became good friends. Specially for her, a puss-flap was cut through a beautiful, expensive door and she was free to come and go. After a few weeks she was playing like a kitten, loved by all. When the dog was taken for a short walk, she went too. Now when the family returns home from an outing, she comes running to meet the car and welcome them back. Her little whiskers have become long and strong, she is even growing some new teeth!

Her name is Mimpi

It is the same story with dogs. Tess is a 2 year old collie who spent her life tied up in a scrap yard until we rescued her. Cher was abandoned by gypsies, and presented us with a litter on the very evening of her arrival. Now she is being looked after and fed for the first time in her life, and so are her Saluki-greyhound puppies. Soon they will all need good homes.

Every year we home over 250 cats and kittens, and more than 60 dogs. But they are the lucky ones. Hundreds of thousands of pets are destroyed each year, with many more roaming as hopeless strays. The number of cats cast out of homes to fend for themselves, sometimes breeding and forming half-starved, diseased-ridden colonies is beyond comprehension.

DO YOU CARE?

Our dedicated all-volunteer staff are doing what they can to help, but accommodation is limited and we are even having to turn animals away, however much they need help. We want to do more, but funds are limited. We need desperately to expand, so please help us - any donation is welcome, however small.

We believe it better that an animal should not be born, rather than it should live out a miserable and precarious life, unwanted and unloved. So we have also organised a spaying programme.

If you feel sympathetic to our aims, please complete and despatch the coupon below.

SOUTHLEA SIAMESE

Shows are just like monuments, along life's winding path,
Once or twice you celebrate, and others raise a laugh.
Until you have faced the failures, and took them
with a smile,
Then your triumphs when they do arrive, seem all
that more worthwhile.
Helping those amongst us, who need a guiding hand,
Learning yet from others, we are not a one man band.
Everytime we gather, we stand around and chat,
And yet all this could never be, without the humble cat.
