Fortunately, there is a swift and simple way of protecting your cat, Fiovax vaccine provides safe, effective protection against this disease.

SOUTHLEA SIAMESE

Sometimes we have a vacancy for lodgings with full board.

Once this is filled, then you can see his confidence has soared.

Upon arrival of his guest he runs to see what's brought him.

Tested queens they must be, that's what the game has taught him.

He dances with excitement and clearly shows his glee.

Love is about to blossom, that's plain for all to see.

Every wish is his command, right down to sugar candy.

And if you haven't already guessed, we're talking of our "Dandy."

SAY HELLO TO "DANDY"

Two tasty treats for cats

Armitages

Good Girl

CAT TREATS and MILK DROPS

Your cat will love either of them — or both. And you can safely give them freely. Good Girl Cat Treats are based on dried yeast to B.P.C. standard, so they have tonic qualities. Good Girl Milk Drops are simply pure treats. Both are from Armitages, makers of the famous Good Boy choc drops, the leading treat for dogs. But Good Girl are special for cats.
