## SHOW RULES, PROCEDURE AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. These rules must be read by all and will be strictly applied. Ignorance of any rule will not be accepted as an excuse for their breach.

**SHOW ENTRY.** In order to exhibit at the Show the exhibitor must complete the official entry form and subscribe to the declaration therein. Every exhibit must be identified on the official form exactly as recorded on the registration/transfer certificate relating to it. Exhibitors are responsible for the correct description of their exhibits and for entering them in the correct classes.

**VETERINARY.** Exhibits will be received at the entrance of the Show Hall from 8.30am until 9.30am on the morning of the show. All exhibits must be brought to the Show in boxes, baskets or suitable containers and must be accompanied by the owner or owners representative. Each exhibit will be examined by the Show Veterinary Surgeons and no exhibit will be penned before being so examined. Exhibits certified negative for FeLV within three months of show date will be examined by a veterinary surgeon appointed to examine exhibits so certified only. Exhibits not certified negative for FeLV within three months of the show date will be examined by another veterinary surgeon. Exhibitors should state which category their cats fall into - ie whether certified negative within three calendar months or NOT certified negative within three calendar months ON THE ENTRY FORM. Change of status may be notified to the Show Managers after the closing date by telephone. Exhibits must have clean ears and coats free from pests. No queens may be exhibited within two calendar months from the date of kittening. No exhibit that has been de-clawed will be accepted. Unfit exhibits must be removed by their owners and entry fees forfeited. If in the opinion of the Veterinary Surgeons it is desirable all other exhibits from the same cattery, and the owner thereof shall be de-barred from attending the show. The Veterinary Surgeons decision is final. When an exhibit has been rejected or withdrawn from a show by a Veterinary Surgeon it shall not be presented to a second Veterinary Surgeon. The procedure to be adopted in such cases is clearly stated in the GCCF Rules. If an exhibit is unable to attend the show owing to illness up to 50% of the entry fee may be returned at the Show Manager's discretion and provided that the Show Manager is notified one week prior to the Show and a Veterinary certificate supplied when requested.

**PRESENTATION OF EXHIBITS.** Exhibitors must provide each exhibit with food, sanitary pan and drinking dish. All articles must be white. Every exhibit must have a clean white blanket of reasonable size to lie on. None of this equipment must bear any distinguishing marks. Blankets must be plain woven. Cellular blankets are not allowed. Judges are instructed to pass any pen that is distinguished in any manner. A container with water may be left in the pen but food containers must be removed when judging commences at 10.30 am. and cannot be returned until twelve noon. Tallies, vetting slips and exhibitors passes will be distributed on entry to the show hall. Tallies must be hung around the exhibits necks by means of white tape, ribbon or elastic and must not be removed until the Show closes. No written or printed matter of any kind other than official notices and award cards may be put on to competitive pens. Exhibition pens may be decorated in any manner. Details of exhibits for exhibition only must be entered on the official entry form.

Exhibits actually received into the Show Hall cannot be removed without sanction of the Show Manager. They are then only received on condition that The Progressive Show shall not be held responsible for any loss or damage to exhibits, boxes or other property in any way. The Show closes at 5.30pm and no exhibit may be removed from its pen before this time. Failure to observe this rule will result in disqualification and forfeiture of prize money and awards. A copy of the GCCF Rules will be available at the entrance to the show hall and these rules will be strictly applied. Copies of show rules are also available from the Secretary of the GCCF at Dovefields, Petworth Rd, Witley, Surrey.
