HALL OF FAME

Over the years many Burmese cats have become known in name only by exhibitors and breeders. In an attempt to give people the opportunity of seeing the famous cats that helped to popularise the Burmese as we now know it a special 'Hall of Fame' has been included in the Show.

Within the 'Hall of Fame' we have the First Grand Champion and First Grand Premier of each colour (torties counting as one) with the exception of Chocolate Grand Champion which has not yet been achieved. The owners of these cats have brought themselves and their super cats out of retirement to co-operate in this special event—we thank them all for their willing support. Unfortunately one or two cats will not be present but the display of their photos and awards will give full coverage.

A biography of each cat will be available on the pens which will be a small token of our appreciation of the support. Please treat the biography and cats with due care.

You are seeing a live history of Burmese Cats and perhaps the passage of time has changed them somewhat so please make allowances but still talk to them and tell them how special they are.

A Message from CHAMPION THE CENTURION 27a

23rd June, 1984

Dear Friends,

It doesn't seem possible that a year has passed since the 1983 Burmese Show. On the other hand, quite a lot has happened to the Timaling Gang during that time.

For a start, I have been rather busy, if you know what I mean, and as a result there are quite a lot more Gus-kits around. My kids on the showbench include CH. TIMALING SILVER BELLE 27a and ADONEBU LILAC SPARKLE 27c (2 CC's). You can see them both here today. Then there's TIMALING KRYSTAL ROSE 27c who had a great show record as a kitten, and who now intends to increase the number of my grandchildren. Her brother TIMALING KUBLA KHAN 27a makes his show debut today, so a special mention for him.

The girls have just jogged my paw, so I'd better pass on their greetings, too; that's

PIPOZI GRISETTE GIRL 27
TIMALING LILAC BLOSSOM 27c (1 CC)
TIMALING FRANCESCA 27b (2 CC's) and
GR. CH. KIPORIA OPAL ROSE 27c.

They continue to produce beautiful babies (with Blossom as baby-sitter) like TIMALING JUNIPER 27 (1 CC), also here today, and CH. TIMALING JUPITER 27c, who gained his title before he was a year old. I suppose I'd better mention that he, too, has started to entertain ladies in a comfortable, heated pad, like mine, and is creating his own population explosion. In fact, one of his daughters is here today.

In between times I have been enjoying my return to the showbench after a short retirement, and my natural Burmese modesty permits me to say that I have won 2 GCC's, 2 Res. GCC's and 5 more CC's. I have to admit, though, that I like shows mainly because lots of ladies give me cuddles and kisses during the judging.

My Mum and Dad have asked me to wish you all a happy and successful day, and good luck to all the kids not mentioned in my letter!

Love and Purrs,

GUS.

P.S.—We are looking forward to a second litter from GR. CH. KIPORIA OPAL ROSE, after honeymooning again with Yours Truly

Myinmu

CATS

Burmese, British and Oriental Spotted Tabbles (this year we hope)

Dear Cat Lovers,

My mum is rushing around moaning about a cat show at Wolverhampton, and the only way we will get an advert in the catalogue is for me to put paw to paper.

We still have Burmese kittens even though I have been forced to retire from producing them myself (I used to always get the wrong sex and the wrong colour but they had my temperament). The young girls will start producing soon and I will make sure they do everything properly.

Portia (mum's Silver Tabby) has occasional litters and I do my stuff so that they become totally confused Brittese, being as much Burmese as British.

Elsie is still a newcomer and needs a bit of disciplining; when she gets around to producing her Oriental Spotted Tabbles I shall really have my work cut out—still it should all help to keep me young.

We all hope that you have a nice show day (I've never been, but the others all tell me what fun it can be if you play up to the judges) and that you get home safely.

Luv from Topsy.

P.S.—the last ad. my mum did, she forgot the important bit, so enquiries to:
