Enough to stop Tom chasing Jerry.

It's enough to turn any cat's head. There's fish dinners, like Tuna or Pilchards. Meat dinners, like Chicken and Kidney. Or delicacies like Tuna and Cheese. Altogether there's ten super 9-Lives varieties. All of them contain only the finest quality meat and fish ingredients. And each one gives your cat the nourishment it needs, along with those all important vitamins and minerals no cat can do without.

9-Lives is approved by leading Catteries and Breeders. And, if Tom ever gets to hear about them, we think a certain mouse might approve of 9-Lives as well.
