## **MESSAGE OF WELCOME FROM THE VICE-PRESIDENT**

Once again I have the privilege and pleasure of welcoming exhibitors and visitors to our Annual Championship Show, the eighth to be held in the ancient City of Lincoln.

At the time of writing, when all the entries are in, it is gratifying to know that once more we have a capacity entry. In other words the numbers are there and I have no doubt at all that the quality of the cats and kittens on display will be undiminished, such is the devotion of all breeders and exhibitors to their hobby.

What we shall be looking for on July 14th is a fine day, but one not so hot as last year when we were obliged to clear the hall in mid-afternoon for the benefit of the cats and kittens.

A great deal of hard work has already been put in behind the scenes and there is much more to come, but we firmly believe that this produces a happy Show for exhibitors and visitors alike. However, if anyone has a complaint of any kind or, even better, a positive suggestion for improvement, Ken and Marjorie and the Show Committee will be only too willing to give them every consideration.

So, exhibitors, a hearty welcome to you and may all your dreams come true! And, visitors, may you thoroughly enjoy looking at the wide range of breeds, both Long-Haired and Short-Haired, not forgetting the beautiful Household Pets so lovingly cherished by their owners.

**HAVE A HAPPY DAY!**

**EDWARD H. TREVITT.**

# Enough to stop Tom chasing Jerry.

It's enough to turn any cat's head. There's fish dinners, like Tuna or Pilchards. Meat dinners, like Chicken and Kidney. Or delicacies like Tuna and Cheese. Altogether there's ten super 9-Lives varieties. All of them contain only the finest quality meat and fish ingredients. And each one gives your cat the nourishment it needs, along with those all important vitamins and minerals no cat can do without.

9-Lives is approved by leading Catteries and Breeders. And, if Tom ever gets to hear about them, we think a certain mouse might approve of 9-Lives as well.

# ZELIG Rexs and TANTILLA Abyssinians

We have called and called in vain,  
And although our request is very plain,  
Our pleas have all gone unheeded  
Some feline males are needed.

We two are Breed 23a  
And whilst we love to play,  
Our maternal instincts are so  
That we would a courting go.

Which leaves me a Si-Rex Cornish girl  
With coat and whiskers a curl,  
I sit and dream all day  
Of a male to whisk my heart away.

If anyone who hears our prayers  
Thinks they could make the perfect 'pairs'  
Please ring mum and let her know,  
Our details are listed below.
