---

### **FOR THE ATTENTION OF VISITORS TO THE SHOW**

The attention of all concerned is drawn to the fact that the Nor' East of Scotland Cat Club is opposed, in principle, to young kittens changing hands at the Show. It is realised, however, that circumstances may in exceptional cases, modify this view. It may be kinder to the kitten concerned to accompany its new owner—should a long journey be involved—rather than to travel unaccompanied at a later date.

No objection is raised to arrangements for sale being made at the Show, but intending purchasers are warned about the possibilities of infection when taking a kitten straight from a Show. The Show Manager or any Club Committee Member will be happy to give advice to any person intending to buy a kitten.

The Show Committee has done everything in its power to ensure that no feline infection is present at the Show today. The surest way of passing on infection—even though it may not be obvious—is by touch.

**VISITORS ARE THEREFORE SPECIALLY ASKED NOT TO TOUCH THE CATS.**

It is a natural reaction for children to put their fingers through the wire of the cage. **PLEASE DO NOT LET THEM DO THIS.**

Although most cats are very mild mannered and make lovable pets for children and adults too, on a Show Day that cat or kitten may be frightened by the noise and amount of people around it. If you touch it, **IT MAY BITE.** **PLEASE DO NOT TOUCH.**

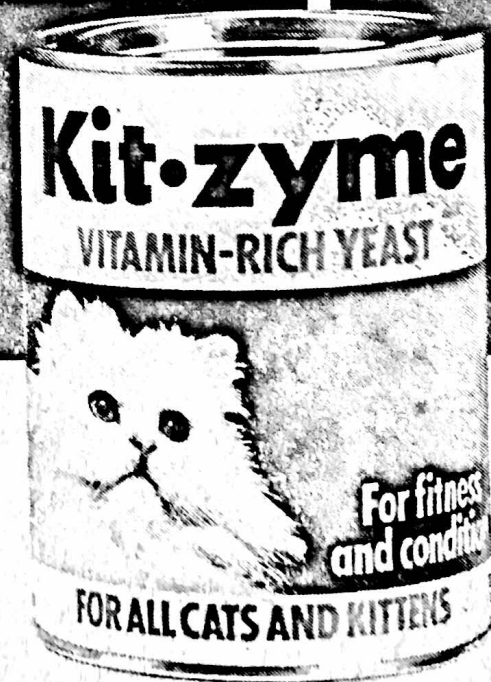

**PLEASE HELP US CUT DOWN THE RISK . . . DO NOT TOUCH.**

---

**THANK YOU FOR COMING TO OUR SHOW**

**WE HOPE YOU HAVE ENJOYED IT . . . COME AGAIN NEXT YEAR**
