FORWORD

I would like to welcome all exhibitors and their cats to the Show today. The Show has been put on for your benefit so if you have any observations to make please feel free to do so - preferably after the show as today is a very hectic day ! If you liked the schedule this year the committee would like to know in order to arrange next years event. By the time you read this I will no longer be a member of the committee but would like all members to know that I have tried to serve you to the best of my ability, albeit sometimes under very difficult circumstances, and I thank you for electing me to do so.

I offer my thanks to the following people for their part in todays proceedings: Mrs. Jenny Rogers, my assistant show manager, for taking half the entries and for canvassing the trade advertisements; Mr. John Hellard, floor manager, for arranging the stalls, admission and catalogue sales and the vetting-in tables; Mrs. Debbie Haines for an excellent job on publicity via the radio, television - hopefully ! and newspaper editorial etc.; Margaret and Norman Moore for managing the catering on show day. My thanks to Roy Chapman for all his work on the raffle and to all those who kindly donated prizes.

Last but not least I thank the Judges and their stewards for travelling here from all parts of the country, and abroad, to honour us with their presence. Without the EXHIBITORS and the JUDGES, and most important of all, THE CATS, my job would not be necessary - let's not lose sight of that fact !

I wish you a safe journey home and thank you all for coming.

Elizabeth Berry
Show Manager

GENERAL REGULATIONS, SHOW RULES AND REGULATIONS

This Show is run under licence granted by The Governing Council of the Cat Fancy, and is subject to the Council's rules.

All exhibitors were advised in the Schedule to obtain a copy of the Show Rules from the Secretary of the G.C.C.F. Ignorance of these Rules will not be accepted as an excuse thereof.

REGISTRATION

All Cats, Kittens and Neuters are eligible for the Show if registered with the G.C.C.F. Unregistered Cats, Kittens and Neuters may only enter classes in the Pet Cat Section (separate Schedule).

No Cat or Kitten, entire or neutered, born after 19.10.71, with one or both parents and grand-parents unregistered, is eligible for Open Classes.

SHOW ENTRY

In order to exhibit at the Show, the exhibitor must have completed the official entry form, and subscribe to the declaration therein. Every exhibit must be identified on the official form exactly as recorded on the registration/transfer certificate. Exhibitors are responsible for the correct description of their exhibits and for entering them into the correct classes.

VETERINARY

Each exhibit will be examined by the Club's Honorary Veterinary Surgeons, and no exhibits may be penned before being so examined.

Exhibits must have clean ears and coats free from pests. No cat or kitten that has been de-clawed will be accepted, neither will male cats which are either monorchids or cryptorchids.

Unfit exhibits must be removed by their owners and entry fees forfeited. If in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same cattery, and the owner thereof, shall be debarred from attending the Show. The Veterinary Surgeon's decision is final. The procedure to be adopted in such cases is clearly stated in the G.C.C.F. Rules.

Any exhibit found suffering from the effects of drugs on entry or at any time during the Show will be subject to expulsion from the Show on the authority of the Veterinary Surgeons.

No written or printed matter of any kind, other than official notices and award cards may be put onto competitive pens. "For Sale" notices may be bought at the club table.

Exhibits actually received into the Show Hall cannot be removed or withdrawn from competition without the sanction of the Show Manager. They are only received on condition that the Club shall not be held responsible for any loss or damage to cats, boxes or other property, in any way.

Exhibitors passes are in the form of distinguishing labels which must be displayed. Any person not wearing one will be asked to pay.

Any exhibitor in any way interfering with or removing any exhibit from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit. No-one may remove any exhibit from its pen except the owner or Club Official. All exhibitors are forbidden to carry their cats around the Show Hall, and they must not be held in such a way as to annoy other exhibits.

JUDGES

Judges are empowered to withhold any prize or Championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip, not from any Catalogue or Prize Card.

Entries will not be accepted from Judges officiating at this Show or from any member of a Judge's household.

Original protector

Before C-Vet introduced Feliflu vaccine there was no vaccine available in the U.K. to protect cats against feline viral rhinotracheitis, calicivirus and feline panleucopaenia.

Feliflu was the first vaccine proven to have a full 12 months of protection from challenge for all components.

Feliflu contains the F-9 strain of calicivirus which cross protects against all strains of calicivirus.

No other vaccine offers as much protection, as much clinical proof of performance or as many years of proven efficacy and safety as Feliflu ... the original protector.

Enough to stop Tom chasing Jerry.

It's enough to turn any cat's head. There's fish dinners, like Tuna or Pilchards. Meat dinners, like Chicken and Kidney. Or delicacies like Tuna and Cheese. Altogether there's ten super 9-Lives varieties. All of them contain only the finest quality meat and fish ingredients. And each one gives your cat the nourishment it needs, along with those all important vitamins and minerals no cat can do without.

9-Lives is approved by leading Catteries and Breeders. And, if Tom ever gets to hear about them, we think a certain mouse might approve of 9-Lives as well.
