SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the RULES is NOT included with this Schedule, all exhibitors are reminded that they should read Section IV of the Show Rules as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the G.C.C.F., 4-6 Penel Orleu, Bridgwater, Somerset TA6 3PG.)

Registrations

No cat or kitten, entire or neutered, born after 19.10.71 with one or both parents unregistered, shall be eligible for the Open Classes. All pedigree cats, kittens or neuters which have changed ownership, must have been transferred to their owner at least 21 days before the Show. All registrations and/or transfers must have reached the Receptor, G.C.C.F., 4-6 Penel Orleu, Bridgwater, Somerset TA6 3PG. at least 21 days before the Show.

If registration numbers have not been received when completing the Entry Form, write N.A.F. (Number Applied For) in the appropriate section and forward the number as soon as possible to the Show Managers. YOUR FIRST CHOICE OF NAME SHOULD BE ENTERED IN THE APPROPRIATE COLUMN.

Show Entry

In order to exhibit at the Show, the exhibitor must complete the official Entry Form and subscribe to the declaration therein. Every exhibit must be identified on the official form exactly as recorded on the registration/transfer certificate relating to it. Exhibitors are responsible for the correct description of their exhibits and entering them into the correct classes.

Veterinary

Exhibits will be received at the entrance of the Show Hall from 7.30 a.m. until 9.30 a.m. on Saturday, 25th July, 1987. Each exhibit will be examined by the Club's Hon. Veterinary Surgeons, and no exhibit may be penned before being examined.

Vetting-in slips and tallies will be given out on the day of the Show, tallies must be hung round the exhibit's neck by narrow white tape, ribbon or elastic and must not be removed until judging is complete. All exhibits must be inoculated against Feline Infectious Enteritis, AND YOU MAY BE ASKED TO PRODUCE YOUR CURRENT CERTIFICATE. Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the Veterinary Surgeon must be removed by its owner and the Entry Fees are forfeit. If, in the Veterinary Surgeon's opinion it is desirable, all other exhibits from the same household and owner shall be debarred from attending the Show. The Veterinary Surgeon's decision is final.

Penning of Exhibits

Each competitive exhibit must be provided with a white blanket (plain woven, not cellular), white litter tray and white water bowl. Hot water bottles only are allowed, provided they are covered by the blanket in accordance with G.C.C.F. Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food container must be removed when judging starts at 10.00 a.m. and may not be returned until 1 p.m. Judges are instructed to pass any pen that is distinguished in any way. Other than official Notices or Award Cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and carry printed matter relating to the exhibit. Exhibits actually received into the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

THERE WILL BE NO EARLY REMOVAL PASSES

Show closes at 5 p.m. and no exhibit may be removed from its pen before this time. Any exhibitor interfering with or removing any cat from its pen during the Show, except with the consent of the Show Manager, will forfeit any award that may be due to his or her exhibit.

The Committee reserve to themselves the right to:—

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement, and to appoint further Judges should they be required.
- (b) Fix and limit the number of exhibits at the Show and to accept or refuse entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the Show containing information as to the exhibits and names and addresses of the exhibitors.
- (e) There will be no refund of entry fees after the entries have closed.

- (g) Retain a percentage of the entry fee to cover essential expenses in the event of the Show being cancelled for any reason.
- (h) The Show Manager, on behalf of the Committee, reserves the right to pass on any charges incurred to Exhibitors whose cheques are refused payment by the Club's bankers.

Exhibitors whose cats have been rejected at Shows, please note the following points:

NOTICE OF CHANGE

An announcement in "Cats" of any alterations made in the Schedule or in these Rules and Regulations shall be deemed sufficient notice thereof.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your G.C.C.F. registration document (i.e. Registration or Transfer Certificate) for the cat which is to be exhibited, PRINTING the details carefully to avoid any mis-interpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree and put R.A.F. (Registration Applied For) or T.A.F. (Transfer Applied For) or both, in the Regd. No. box. It is wise to enclose a stamped self-addressed acknowledgement postcard with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the G.C.C.F.

Try and keep a copy of your entry form — then, when you received registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details as well as giving the registration number, if applicable. This may not be in time for the printing of the Show Catalogue, but your letter should be attached to your entry form which will save unnecessary notification of discrepancies when that show is checked. All Catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference.

If you are entering several cats from your household and the owners differ within that household/family, check with the Show Manager whether using one entry form is acceptable or not and if so, indicate VERY CLEARLY which owner owns which cat, ensuring all owners sign the entry form. It may be safer and more acceptable to the Show Manager for each owner within the one family to use separate entry forms, but joint owners should always use the same form.

STATUS OF ERRORS — WHAT TO EXPECT

MINOR SPELLING ERRORS. These only warrant a notification for your future reference and this notification is only sent if it is apparent that registration details were available at the time of entry or before the date of the Show.

INCORRECT DATE OF BIRTH. This is usually classed as a minor spelling error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

INCORRECT NAME OF EXHIBIT/OWNER/SIRE/DAM OR BREEDER. If registration was obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise :

EXHIBIT/SIRE/DAM—Omission of Administrative or Breeder's Prefix.

—Incomplete name.

—Sire and Dam reversed.

—Totally incorrect name or names.

OWNER/BREEDER —Joint when they should be single and vice versa.

—Mr. when it should be Mrs. and vice versa.

—Totally incorrect.

REGISTRATION/TRANSFER NOT RECEIVED BY G.C.C.F. 21 DAYS BEFORE THE DATE OF THE SHOW. These entries will be disqualified. Remember, the effective date of all registrations and transfers is the first date of valid receipt by the G.C.C.F. and if you enclose your own stamped addressed acknowledgement card with your application form, as advised earlier, this will be stamped with the G.C.C.F. Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY G.C.C.F. MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned —so always check with the Show Manager if doubt about which class to enter.

CAT REGISTERED ON THE REFERENCE REGISTER. No cat registered on this Register is eligible to be shown and therefore these entries will be disqualified.

Exhibitors can appeal against any disqualification resulting from Show checking, giving their reasons and/or explanations, which are referred to the Executive Committee if considered valid. If not, a further explanation will be given. However, the above advice is aimed to keep your show entries trouble-free, not to mention the show checking.
