SHOW RULES AND REGULATIONS

The Show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is **NOT** included with this Schedule, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the G.C.C.F. Office).

REGISTRATION.

No cat or kitten, entire or neutered, born after 19.10.71. with one or both parents unregistered shall be eligible for the Open Classes. All pedigree cats, kittens or neuters exhibited at a G.C.C.F. Show must be registered. All registered exhibits which have changed hands must have been transferred to their new owner at least 21 days before the Show. All registrations and/or transfers must have reached The Receptor, Mr Loveys, 28 Brendon Road, Watchet, Somerset TA23 0AX., at least 21 days before the Show.

If the registration number has not been received when completing the entry form write N.A.F. (Number Applied For) in the appropriate column and forward the number as soon as possible to the Show Manager. Your first choice of name should be entered in the appropriate column.

SHOW ENTRY.

The exhibitor must complete the entry form as stated on the registration/transfer certificate. Exhibitors are responsible for the right description of the exhibit and for entering them in the correct classes. Please do not omit to **READ** and **SIGN** the declaration - if joint owners, both must sign the form.

VETTING-IN

Vetting-in slips and tallies will be given out at the entrance to the hall. Tallies must be hung round the exhibit's neck by narrow white tape, ribbon or elastic and must not be removed until judging is complete.

ALL EXHIBITS MUST BE INOCULATED AGAINST FELINE INFECTIOUS ENTERITIS.
You may be asked to produce your current certificate.

All exhibits must be accompanied by the owner or owner's agent.

Exhibits will be received at the Show Hall from 8.00 a.m. until 9.30.a.m. on Saturday, August 29th 1987 where they will be examined by a veterinary surgeon before being penned.

Exhibits must have clean ears and coats free from pests. Any exhibit rejected by the veterinary surgeon must be removed by its owners, and Entry Fees are forfeit. There will be quarantine pens for those cats rejected but owners are advised to take home any unfit cat. If, in the Veterinary Surgeon's opinion, it is desirable, all other exhibits from the same cattery and the owner, shall be debarred from attending the show.

THE VETERINARY SURGEONS' DECISION IS FINAL.

PENNING OF EXHIBITS.

Double pens are not available, except for exhibition. Each competitive exhibit must be provided with a white blanket (plain woven, not cellular) litter tray and water bowl. Hot water bottles only are allowed, provided they are covered by the blankets, in accordance with G.C.C.F. Rules. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed when judging starts at 10.00 a.m. and may not be returned until 1.00 p.m. Judges are instructed to pass any pen that is distinguished in any way. Other than official notices or award cards, no written or printed matter may be placed on competitive pens. Exhibition pens only may be decorated and may carry printed matter related to the exhibit. Exhibits actually received at the Show Hall cannot be removed without the sanction of the Show Manager. They are only received on condition that the Club shall not be held responsible for any loss or damage to exhibits, boxes or baskets, or in any other way.

The Show closes at 5.00 p.m. No cat may be removed from its pen before this time. This rule will be strictly enforced.

No one may remove any exhibit from its pen except the owner or a Club Official. Penalty for contravention of this rule is £10.

Judges are empowered to withhold any prize or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from judge's award slips, not from catalogues or award cards.

The Committee reserve to themselves the right to:-

- (a) Appoint other judges should those advertised be unable to fulfil their engagement and to appoint further judges if deemed necessary.
- (b) Refuse any entry without giving reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Refuse admission to the Show Hall without giving a reason.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the Entry Fees to cover essential expenses, in the event of the Show being cancelled for any reason.
- (g) No exhibitor may remove any official notice from the cat's pen.
- (h) All exhibitors' property is left in the hall at the owner's risk.

NEW SHOW RULE FROM 1st JUNE 1983
ADDITION TO RULE 6, NOTE 1 - SECTION 2 SHOW MANAGEMENT

In the event of a change of Judge of an Open Class occurring after the closing date of the Show, providing that the exhibitor informs the Show Manager, prior to the judging, that a Certificate has previously been awarded by the replacement Judge, the Show Manager shall appoint one other Judge to countersign any Certificate awarded to that cat in that Class, which will then count towards Championship status.

If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard acknowledging receipt, for signature and this will be returned to you.
3. Exhibitors should not attend shows until they have RECEIVED A LETTER ACCEPTING AND CONFIRMING CLEARANCE FROM THE VETERINARY OFFICER. It is recommended that this letter be taken to shows within one month of issue.

NOTICE OF CHANGE:

An announcement in "Cats" of any alterations made in the Schedule or in these Rules and Regulations shall be deemed sufficient notice thereof.

WARNING:

Breeders and Owners are hereby warned by the G.C.C.F. of the unfortunate consequences which may follow the sale of WHOLE LITTERS TO ONE BUYER. The West of England & South Wales Cat Society cannot be held responsible for Cats and Kittens brought at the Show, neither will they be held responsible for details of such which may appear in the Catalogue.

NO SPRAYS OF ANY KIND ARE ALLOWED IN THE HALLS - The pen may be wiped down with a little cotton-wool dampened with any non-toxic Disinfectant before putting the exhibit into it.

GENERAL GUIDELINES ON ENTERING SHOWS

Where possible, always complete your show entry form from your G.C.C.F. registration document (i.e. Registration or Transfer Certificate) for the cat which is being exhibited, PRINTING the details carefully to avoid any mis-interpretation of your handwriting.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree and put R.A.F. (Registration Applied For) for T.A.F. (Transfer Applied For) in the Reg. No. box. It is wise to enclose a stamped addressed postcard of acknowledgement with all registration and transfer applications, particularly for cats entered for shows, so that you know that the application has been received by the G.C.C.F.

Try and keep a copy of your entry form - then when you receive registration details and number, check these against the entry form and notify the Show Manager, in writing, of any differences in the detail, as well as giving the registration number if applicable. This may not be received in time for the printing of the catalogue, but your letter should be attached to your entry form which will save unnecessary notification of discrepancies when the show records are checked. All catalogue errors are checked against the original entry form and any exhibitor's letter is used for reference.

If you are entering several cats from your household and the owners differ within the household/family, please use a separate form for each owner if available, otherwise please indicate **VERY CLEARLY** which owner owns which cat, ensuring that all owners sign the entry form. In the case of joint ownership only one entry form should be used, and both owners must sign the entry form.

STATUS OF ERROR - WHAT TO EXPECT

MINOR SPELLING ERRORS. These only warrant a notification for your reference and this is only sent if it is apparent that registration details were available for the show.

INCORRECT DATE OF BIRTH. This is usually classed as a minor spelling error unless it affects an entry into classes based on age group when it could warrant disqualification of the exhibit from such classes but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

INCORRECT NAME OF EXHIBIT/OWNER/SIRE/DAM OR BREEDER. If registration was obviously available at the time of entry or before the date of the show, disqualification is inevitable. The following discrepancies are those which usually arise:

EXHIBIT/SIRE/DAM - Omission of Administrative or Breeder's Prefix - Incomplete name - Sire and Dam reversed - Totally incorrect name or names.

OWNER/BREEDER - Joint when they should be single and vice versa - Mr. when it should be Mrs. and vice versa - Totally incorrect.

REGISTRATION/TRANSFER NOT RECEIVED BY G.C.C.F. 21 DAYS BEFORE THE DATE OF THE SHOW. These entries will be disqualified. Remember the effective date of all registrations and transfers is the first date of valid receipt by the G.C.C.F. and if you enclose your stamped addressed acknowledgement cards, as previously advised, this will be stamped with the G.C.C.F. Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY G.C.C.F. MORE THAN 21 DAYS BEFORE THE DATE OF THE SHOW. Entries such as these will also be disqualified as the exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned - so please check with the Show Manager if in doubt about which classes to enter.

CATS REGISTERED ON THE REFERENCE REGISTER. No cat registered on the Reference Register is eligible to be shown and therefore these entries will be disqualified.

Exhibitors can appeal against any disqualification resulting from show checking, giving their reasons and/or explanations, which are referred to the Executive Committee if considered valid. If not a further explanation will be given. However, the above advice is aimed to keep your show entries trouble free, not to mention ease the task of show checking.

TROPHIES

All Trophies won at the Show held on 30th August 1986 should be returned to the Hon. Support Cup Secretary no later than 29th August, 1987.

CODETTA BURMESE

FelV Negative Tested, F.I.P. screened

Proudly present our bar-free, Milk Chocolate Girl:
CHAMPION CODETTA FACADE (27b) 3 CC's & Best of Breed
(Ch Paradima Nimrod x Nearmoss Goldhoney)
representing us today in competition

FACADE sends her love and best wishes to her daughter,
Georgina Glover's

CODETTA JESSONDA (27b) 1 CC
(Sire: Ch Elidor Le Roi)

on the birth of her first litter, sired by:
GRAND CHAMPION EMER MURPHY'S LAW
(owner Mrs Margaret Kidd)

However, at the tender age of 4 years, FACADE feels that she is too young to be a Granny! Perhaps she will win her first GRAND today and be one step up the ladder to becoming a glamorous GRAND-mother!

Also here today (deo volente) for the third year running is
Maggie McMillan's "Brutus" alias

CODETTA IVANHOE 27b (MN) - 2 PC's & B.O.Bs
(Gr Ch Lusara Charlie Brown x Nearmoss Goldhoney)

Brutus won both of his PREMIER CERTIFICATES at this Show,
so we hope that he will make it a hat-trick today
and become our first PREMIER

We wish both BRUTUS and EKKI (as FACADE is known to her friends)
every success today

We are hoping to re-mate EKKI to her super brown cousin

CHAMPION NEARMOSS SIRDAR
(Ch Brabantia Fusilier x Ch Nearmoss Greenmantle)

at the end of the year, when we are settled in our new abode.
This litter is already heavily booked as the babies will be a good
out-cross to the majority of the Southern lines, but we could take just
one more

KITTEN ENQUIRIES WELCOMED
