## **WELCOME**

### **TO THIS ALL BREEDS CAT SHOW**

The Committee and management hope that you will have an enjoyable day viewing the beautiful exhibits and chatting to fellow cat lovers. You will find here today representatives of most recognised breeds of cats, competing for Show Honours, these exhibits are judged according to a strict Standard of Points. You can see also the Non-Pedigree exhibits: this section is provided so that unregistered cats and kittens may also compete for Show Honours: these exhibits are judged on condition, appearance, personality and presentation at the Show.

For the protection and comfort of the exhibits we ask you and your family to observe the following:

**PLEASE DO NOT HANDLE THE EXHIBITS OR PUT FINGERS INTO THE PENS**

**PLEASE WALK - DO NOT RUN IN THE HALL - SPEAK QUIETLY**

**PLEASE BE CONSIDERATE TO THE JUDGES - DO NOT CROWD THEIR TABLES**

We ask this to ensure that infection will not be passed from cat to cat, and so the exhibits will not become frightened.

### **SHOW RULES AND REGULATIONS**

As a copy of the Rules is NOT included with this Catalogue, all exhibitors are reminded that they should read Section 4 of the Show rules, as they will be strictly applied: Ignorance will not be accepted as an excuse for a breach in the Rules:

## The natural indoor garden for your cat

In an ideal world, every cat would prefer to do what comes naturally in the natural outdoors.

Unfortunately, that's not always possible so the next best thing is to bring the outdoors, indoors.

That's where Fullers Earth comes in. Because Fullers Earth is natural, just the way cats like it.

And you'll like it too, as Fullers Earth absorbs instantly and totally neutralises "after visit" odours, without the help of artificial deodorants. All of which, makes it cleaner and

more hygienic. Especially helpful if your cat lives indoors with you.

You'll also find Fullers Earth more economical: because it traps liquids in a dry, solid 'clump'. You simply scoop it out and top it up!

So a 6 kilo bag should last your cat a month. Add the fact that Fullers Earth is dust controlled and you can see why it's the natural choice.

Or the perfect indoor garden for your cat
