SHOW RULES AND REGULATIONS

The show is held under the Rules of the Governing Council of the Cat Fancy and is open to all. As a copy of the Rules is NOT included with this Catalogue, all exhibitors are reminded that they should read Section 4 of the Show Rules, as they will be strictly applied. Ignorance will not be accepted as an excuse for a breach of the Rules. (Copies of the Rules may be obtained from the GCCF Offices, 4-6 Penel Orleu, Bridgwater, Somerset. Price £1.00)

VETERINARY CLEARANCE CERTIFICATES

Where an exhibit has been rejected or disqualified by a Veterinary Surgeon, the show managers shall obtain from the vet, the reasons, and accordingly notify the GCCF within 48 hours of the show, ensuring that a copy of the rejection form is forwarded to the exhibitor concerned.

Exhibitors whose cats have been rejected at Shows please note the following points:

1. When sending your clearance certificate to the Veterinary Officer, please include your copy of the rejection slip.
2. Please DO NOT send these certificates by recorded delivery as this can cause considerable delays in the receipt of your certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped, addressed postcard for acknowledgement of receipt, and this will be signed and returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

JUDGES

Judging will commence at 10.00am and exhibitors will be requested to clear the hall at this time until 12.30pm, whilst the Open Classes are being judged.

Judges are empowered to withhold any prizes or championship in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the judge's slip, not from any catalogue or prize card. A judge's decision is final. An exhibitor may not approach a Judge, or enter into conversation with a Judge, until that Judge's engagement is complete.

In the event of a change of judge of an Open Class occurring after the closing date of the Show, provided that the exhibitor informs the Show Manager prior to judging that a Certificate has previously been awarded by the replacement judge the Show Manager shall appoint one other judge to countersign any certificate awarded to that cat in that class which shall then count towards championship status.

The Committee reserve to themselves the right to:

- (a) Appoint other Judges should those advertised be unable to fulfil their engagement and to appoint further Judges if deemed necessary.
- (b) Fix and limit the number of exhibits at the show and refuse entry without giving a reason.
- (c) Cancel, amalgamate or divide classes.
- (d) Publish a catalogue of the show containing information as to the exhibits and the names and addresses of the exhibitors.
- (e) Disqualify cats entered in the wrong classes by the exhibitor.
- (f) Retain a percentage of the entry fees to cover essential expenses, in the event of the Show being cancelled for any reason.

Big Thank You's to Nina & Mike for showing our babies in such good condition as always. Good luck to Hermes in his first Grand Premier Class today, and to Athene, fingers crossed for that final P.C., in order to gain her Premier Title.

At the time of writing we were awaiting the sound of tiny paws pattering on the 19th September as our delicious Chocolate Smoke Girl CH PAPAVER NEMESIS (33/36b) 2 G.C.C's and 1 Reserve, had been to stud with that gorgeous hunk GR CH VERYANN BENJAMIN BLUE (33/36a). All being well any kittens will be for sale after Christmas, although bookings will be taken before. Also BACCHUS & TRITON may still be looking for suitable homes. When our babies leave home they are all Fully Vaccinated, Registered, Insured and Litter Trained. If you would like any further details please speak to us today as we are both here, or we can be contacted at home.

Good Luck everyone, from us and from the rest of "The Mob" at home, who are no doubt having a great party in our absence, what a shame they never clear up afterward.

Kitten enquiries are always welcome to:

Iams gives your cat what nature gave its ancestors.

Looking back at evolution.

Although the cat's history dates back 10 or 20 million years further than the dog's, both cat and dog share a common ancestor: the Miaces. This shrew-like carnivore marked the beginning of a million years of evolution which produced the civet cat. The evolutionary process then continued at an even faster pace, leading to Dinictis, a fierce hunter which developed into the cat as we know it today.

The cat's dietary needs haven't changed.

The cat's physique made him a perfect hunter, a talent he exploited to the full. He consumed practically all of his prey, giving him a balanced diet containing all the essential nutrients. When we took the cat out of his natural

environment and domesticated him, he was no longer free to hunt at will. So it's common sense to make sure we provide him with a diet that meets his natural requirements.

Using modern methods to satisfy ancient needs.

Paul Iams, an animal nutritionist, started his search for the ideal animal diet over 40 years ago. Studying the cat's dietary needs, he soon realised that the cat still had the digestive system of his meat-eating ancestor. The cat's short and simple gastro-intestinal tract is ideal for digesting animal products. Working on the basis of the cat's natural requirements, Paul Iams developed a unique meat-based dried food for today's cat.

Everything a cat needs.

Iams Cat Food gives your cat what nature provided for its ancestors: a complete diet based on animal ingredients. Iams Cat Food contains meat protein and fats, carbohydrates, vitamins and minerals in the correct

balance. Iams Cat Food has a low magnesium content and a high proportion of meat protein, to minimise the risk of FUS (feline urologic syndrome). Iams Cat Food contains no artificial colours or flavourings and meets the most rigorous quality standards.

You'll be convinced when you see the difference.

Give your cat Iams Cat Food and you'll notice the difference. He'll have more energy, his coat will be softer and he'll be in top condition. Because Iams Cat Food has a high nutritional value, your cat will use his food more efficiently. He'll eat less and stool volume will be reduced. You'll also be less bothered by unpleasant smells from the litter tray. Iams Cat Food gives cats everything they need. Iams Cat Food is only available from specialist outlets.
