**A MESSAGE OF WELCOME TO ALL EXHIBITORS AND VISITORS
TO THE 14TH CHAMPIONSHIP SHOW, 1990
from the Vice-President**

For several years my dear wife and I enjoyed the privilege of Joint Vice-Presidency of the Lincolnshire Cat Club, an honour we both cherished as Founder-Members. Sadly, a sudden heart-attack claimed her life on 8th February last, and I must place on record the many expressions of sympathy I received both from the Club and other members of the Cat Fancy, for we had made many good friends during the 35 years since we began breeding the Brizlee Longhairs.

Owing to exigencies of printing, this Message is being written three months before the day of the Championship Show, but I shall be there on the day, and my welcome to you all - exhibitors, judges, and visitors alike - will be just as sincere then as it is at the time of writing.

No message of welcome should fail to include a mention of the sterling work of our Founder-Member Show Managers, Ken and Marjorie Barnes, whose efforts on behalf of the Club ever since the inaugural meeting in Lincoln so many years ago, have been unstinting. Let us remember too, our Assistant Show Managers, Section Managers, and all those Club members who work valiantly behind the scenes at Show-time.

I wish everyone concerned every success and satisfaction, and trust that the weather will be just right, neither too hot for the cats and kittens, but pleasant enough for those who so desire to pay a visit to Lincoln during the morning to their profit and pleasure.

It is ever the desire of the Show Committee to please everyone, so far as may be humanly possible, but if there are any grumbles please DO tell the Show Manager, for he is always seeking the attainment of higher standards.

Eddie Trevitt.

IAMS CAT AND KITTEN FOOD

Paul Iams, an animal nutritionist, began his search for the ultimate pet food over 40 years ago. He developed the first dry meat protein foods for cats and dogs, using poultry by-product meal, ground corn, chicken, poultry fat, beet pulp, meat meal, rice, brewers dried yeast and dried whole egg as the main ingredients, balanced with over 40 nutrients required to promote optimal animal well being.

Iams Cat Food and Kitten Food, Iams Eukanuba for dogs and Eukanuba for puppies contains no soya, wheat, artificial colouring, preservatives or flavouring. Furthermore, Iams Cat Food helps prevent feline urolithiasis syndrome with a magnesium content of less than 0.095% and an ash content of less than 6.5%. The average urine pH of the majority of cats fed Iams Cat Food ranges from 6.3 to 6.5.

Veterinarians have found Iams Pet Foods to be very helpful in cases of:

- Skin and coat conditions.
- Small intestinal disease.
- Other Gastrointestinal diseases and diarrhoea.
- Malabsorption syndrome.
- Chronic Colitis.
- Feline inflammatory bowel disease.
- Gluten and soya allergies.
- Flatulence.
- Behavioural problems.
- Inappetance.

"Iams Dog and Cat Foods are nutritionally complete and balanced for all stages of your Pet's life. We guarantee it"
