Why a stomach as small as the tip of this thumb needs Whiskas Kitten Food.

FULL OF LIFE, your kitten can have up to 3 times the energy need, relative to body weight, of an adult cat.

Yet a ten week old kitten's stomach is only the size of the tip of a man's thumb.

This means her food must be concentrated to supply the nutrients she needs and be easy for her tiny stomach to digest.

However, even at a tender age, she knows what's good for her.

Her food must taste and smell the way a carnivorous connoisseur demands.

It also has to be tender to suit her developing mouth.

Which is why everyone at the Waltham Centre for Pet Nutrition applied all their energy and brainpower to make Whiskas Kitten Food exactly what your little power pack needs.

You'll see the results, when she finally sits still, in the health that shines from her coat and eyes.

GCCF SUPREME SHOW

Saturday 28th November 1992, at the NEC, Birmingham

SHOW RULES & REGULATIONS

The Exhibition is held under the Rules of the GCCF and is open to all.

Each Exhibit will be examined on arrival by the Club's Hon Veterinary Surgeons, who will be in attendance. Cats which in their opinion are unfit will be returned to their owners, and the Entry Fees forfeited. No exhibit is to be penned before being examined by the Club's Veterinary Surgeons; any Exhibitor so doing will be disqualified from competition and all fees paid forfeited. This rule must be strictly enforced.

Exhibitors must provide their own food, sanitary pans, litter and drinking bowls. TALLIES will be given out on the day of the Show and must be hung round the neck of each Exhibit by means of white ribbon or tape.

The Governing Council of the Cat Fancy rules that a Cat or Kitten cannot be exhibited twice within a period of 13 days, nor can any other Cat or Kitten from the same household.

Exhibits actually received at the Show Hall cannot be withdrawn from competition without the Show Manager's sanction. Prizes will be paid from the Judges' award slips.

No interior or exterior decorations or distinguishing objects will be allowed in or on the pens during the judging under any circumstances whatever, (except for decorated pens). It is an instruction to the Judges to pass any pens so distinguished. Each competitive exhibit must be provided with a white blanket (plain woven not cellular), without distinctive markings or edgings which may be arranged to assist the comfort of the cat. White vet bed or like material with white or green backing may be used if preferred, white litter tray and white water bowl. Hot water bottles or heat reflecting material only are allowed, provided they are covered with the blanket. Any other form of heating will lead to disqualification. All exhibits must have water, but food containers must be removed before judging starts The use of polystyrene filled cushions instead of white blankets is forbidden, since such cushions do not comply with the GCCF Show Rules. The Show Manager will order the removal of any such cushionsfound in pens.

All exhibits must be inoculated against Feline Infectious Enteritis.

The Committee, on behalf of the Club, retain their exclusive right to publish Catalogues of their Shows, containing information as to exhibits and names and addresses of Exhibitors and reserve to themselves the right to refuse entry without giving a reason.

Early Removal. No early removals. Failure to observe this rule will result in forfeiture of prize money.

NEW SHOW RULE FROM 1st JUNE 1983

(Addition to Rule 6, Note 1 - Section 2 SHOW MANAGEMENT)

In the event of a change of Judge of an Open Class occurring after the closing date of the Show, provided that the exhibitor informs the Show Manager, PRIOR to JUDGING, that a certificate has previously been awarded by the replacement Judge the Show Manager shall appoint one other Judge who may countersign any certificate awarded to that cat in that class, which will then count towards Championship or Premier status.

NEW RULE ON BITING AT SHOWS (Effective 1.6.88)

Any cat biting a Judge, Veterinary Surgeon, Steward or other Show Official must be reported to the Show Manager. The Show Manager must withdraw the cat from the Show and shall inform the owner of the cat in writing, sending a copy to the Secretary of the GCCF. If the cat was defending itself in exceptional and frightening circumstances, that information should be given to the Secretary of the GCCF for consideration by the Executive Committee. If the cat is reported at any subsequent show, it shall be disqualified from all future shows unless the Executive Committee rule otherwise.

VETERINARY CLEARANCE CERTIFICATES

Exhibitors whose cats have been rejected at Shows please note the following points

1. When sending your Clearance Certificate please include your copy of the rejection slip.
2. Please DO NOT send these Certificates by recorded delivery post as this can cause considerable delays in the receipt of your Certificates. If you wish to satisfy yourself that your letter has reached the Veterinary Officer please enclose a stamped addressed postcard acknowledging receipt for signature and this will be returned to you.
3. Exhibitors should not attend Shows until they have received a letter from the Secretary confirming the clearance. It is recommended that this letter be taken to Shows within a month of the issue of the clearance letter.

All correspondence must be accompanied by a Stamped Addressed Envelope if a reply is required.

MEMORANDA

Warning. Breeders and owners are hereby warned by the GCCF and the Officials of the MCCC against the danger of selling whole litters to one buyer as unfortunate circumstances may follow.

Special Prize. It will be noticed that all Club Specials are confined to fully paid up Members.

The Committee will be most anxious for the care and safety of the exhibits and exhibitors, but it must be distinctly understood by exhibitors and all other persons that the committee will not be responsible for the loss, detention of, or damage to any cats, exhibitors or other property, whether arising from accident, or any other causes whatsoever, or from any act of omission of themselves, their officers, agents, servants or others.

Exhibitors are responsible for ensuring that no sharp-ended wires are left protruding into the cages and that any gaps affording escape to exhibits be closed before leaving the hall. Tie wires for this purpose may be obtained from the section Managers.

Attention of exhibitors is drawn to the fact that hospital pens are provided by the committee for the housing of exhibits found to be unwell during the show.

Exhibits rejected by the Veterinary Surgeon at vetting-in, MAY at the Show Managers discretion and with the consent of the Veterinary Surgeon use some of these pens for the holding of their cats during the day.

It is pointed out that whilst MCCC and Show Committee have great sympathy with exhibitors whose exhibits are so unfortunate as to be rejected or taken ill during the show, they can accept NO responsibility for any disease or illness contracted or claiming to be contracted during the stay of the exhibits in these pens.

Exhibitors are responsible for the correct description of their cats and in the event of any dispute arising after purchase shall (on the proof of false or erroneous entry) receive back the exhibit and refund to the purchaser the full amount paid.

All cats and kittens are examined by the Veterinary Surgeon before admission to the show. The MCCC cannot hold themselves responsible for cats and kittens bought at the show.

No stud advertisement or written or printed matter of any kind other than the official award cards may be put on pens. Only rosettes awarded by MCCC may be displayed. Exhibition pens are excluded from this ruling.

Exhibitors wishing to advertise for sale a cat or kitten must apply at the treasurers table for an official 'For Sale' card.

Coloured hot water bottles must be placed in white covers. No other heating appliance may be used. Food and milk must be removed from the pens and a water container must be placed in the pen towards the rear before judging. These may be replaced after 12.30.

Judges are empowered to withhold any prize or Championship in any class if exhibits do not in their opinion possess sufficient merit.

All complaints must be made in writing within 7 days to the Show Manager.

The right to cancel or amalgamate classes is reserved.

She'll show you how perfectly balanced Whiskas is.

EVERY MOVE every movement your cat makes tells you she is an animal of natural balance and grace.

And keeping her the way Nature intended requires feeding that's in tune with her body.

As a true carnivore she needs a carefully balanced combination of amino acids, vitamins and minerals.

As an animal whose sense of smell and taste is amongst the most refined in the animal kingdom, she needs food that is extremely palatable.

At the Waltham Centre for Pet Nutrition, a team of vets and nutritionists spend their days making sure her daily Whiskas is the best it can possibly be.

Which is why, in tests, most cats prefer it.
