The Cats Protection League is a society devoted exclusively to promoting the interest of cats. Its objects are:

To rescue stray, unwanted and injured cats, rehabilitate them and re-home them.

To encourage neutering. All adults cats are spayed or neutered before being re-homed and advice is given to new owners of kittens on the best time for neutering to be carried out.

To provide information to the public on the care of cats and kittens.

OUR MOTTO: "WE HELP IF WE CAN"

The Mid-Warwickshire Branch was formed in 1978 and in less than 12 years has re-homed more than 6,800 cats and kittens. The Branch has to be self-supporting and is run entirely by voluntary workers.
